School Shooting

VANCOUVER, British Columbia (AP) — The suspect in a school shooting in Canada was an 18-year-old who had a history of police visits to her home to check on her mental health, authorities said Wednesday, a day after the attack that killed eight people in a remote part of British Columbia.

The End

"We are officially terminating the so called endangerment finding, a disastrous Obama era policy," Trump said in a news conference Thursday. "This determination had no basis in fact — none whatsoever. And it had no basis in law.

EL MENCHO KILLED

Mexican forces killed Nemesio Oseguera Cervantes, known as "El Mencho", the leader of the Jalisco New Generation Cartel (JNGC), in a high-risk operation in the western state of Jalisco on Sunday.

THE US HELPED

SECURITY FORCES TRACKED EL MENCHO, ONE OF THE UNITED STATES'S MOST WANTED FUGITIVES, TO A PROPERTY IN THE MOUNTAIN TOWN OF TAPALPA, CENTRAL-WESTERN MEXICO, AFTER RECEIVING INTELLIGENCE LINKED TO A CLOSE ASSOCIATE.

Christopher Olvera's airplane is a plastic built plane. It took 20 days for him to build it. He connected the wires and had to checked they were in the right spots but didn't turn on. He realized it needed batteries to work so he got some batteries and turned it on. He had it working for two hours.

TECHNOLOGY NEWS

THE BUILDINGS AT NIKE'S WORLD HEADQUARTERS — THE PHILIP H. KNIGHT CAMPUS IN BEAVERTON, ORE. — ARE NAMED AFTER THE LIKES OF SERENA WILLIAMS, JERRY RICE AND MIA HAMM. BUT THE COMPANY DOESN'T RECOGNIZE ONLY SPORTS SUPERSTARS AS ATHLETES.

"IF YOU HAVE A BODY, YOU'RE AN ATHLETE," SAID MIKE YONKER, WHO HEADS UP THE TEAM DEVELOPING PROJECT AMPLIFY — NIKE'S NEW BIONIC SNEAKER.

ACCORDINGLY, THE PROJECT AMPLIFY FOOTWEAR SYSTEM IS AIMED AT A BROAD AUDIENCE. "AMPLIFY IS DESIGNED FOR THAT EVERYDAY ATHLETE TO GIVE THEM THE ENERGY THEY NEED TO GO FURTHER, TO GO FASTER, WITH GREATER LEVELS OF CONFIDENCE," SAID YONKER. "IT'S LIKE AN E-BIKE FOR YOUR FEET."
