

# AP<sup>®</sup> Online Summer Institute

## JUNE 29-JULY 2, 2026

7:30-3:30 (PDT) ONLINE VIA ZOOM  
HOSTED BY THE BELLEVUE SCHOOL DISTRICT

### Four Days of High-Impact Professional Learning:

Join educators from across the region for an energizing four-day online AP Summer Institute designed to strengthen instructional practice and boost student success in AP classrooms. This institute equips you with practical approaches you can use immediately-helping you deepen student learning, increase engagement, and connect with a collaborative community of AP educators.

#### What You'll Gain:

- Subject specific training led by experienced AP consultants.
- A toolbox of strategies, lesson plans, activities, and assessments
- Support for both new and veteran teachers to elevate instruction
- 30 WA state clock hours, College Board certificate, STEM hours for select courses.
