Upper School

Online Library Resources for Upper School Students

All students have access to Gale and ProQuest Central Student databases; these are great sources of information for research. Access is available on and off campus through the Veracross Portal. In Veracross, students should click on Resources > Library Resources to find direct links to the databases.

Handbook Highlights

Each week, we’ll shine a quick spotlight on a helpful tip from our *Upper School Handbook* to help keep our community informed and aligned with shared expectations. These little reminders are just an easy way to support our students and families as we navigate the year together.

DELIVERY OF ITEMS TO SCHOOL

When items of clothing are delivered to the Upper School Office, the student will be notified to pick up the items. Items will not be delivered to students while they are in class, and parents/guardians should not deliver items directly to the classrooms. All items should be delivered to the division office. Students who forget work at home should discuss the issue with their teacher, and the teacher will determine an appropriate course of action. Parents/guardians are asked NOT to deliver forgotten

academic work to school, as this experience helps students develop a sense of responsibility and sound organizational skills.

April 8: Academic Advising Night

Join us on Wednesday, April 8, from 6:00 to 7:00 p.m. in Crum Gym for an informational evening to help students and families navigate Upper School course selection. Our Director of College Counseling and Upper School administrators will walk through course pathways, Honors options, credits, prerequisites, and how academic choices connect to your student's future goals. Following the event, families will receive materials to register for 2026–27 classes. We hope to see you there!
