April 1, 2026

Dear West Essex Community,

As you may be aware, the Board of Education is moving forward with a proposed bond referendum to address critical facility needs across the district while maximizing available state aid.

To support our commitment to transparent and effective communication, we are establishing a Referendum Communications Committee and invite interested community members to participate.

The committee will include approximately 15-20 individuals representing a range of perspectives from across our community. Members will provide feedback on communication materials and help ensure that information shared with the public is clear, accurate, and accessible.

Participants can expect to meet periodically between now and the referendum vote on November 3, with a combination of in-person and virtual sessions. The initial meeting will be approximately two hours in length, with subsequent meetings lasting about one hour. The total time commitment is expected to be no more than eight hours.

If you are interested in serving on the committee, please complete the [Referendum Communications Committee Interest Form](#). Meetings will be scheduled during or after school hours, and selected participants will receive confirmation via email.

Thank you for your continued partnership and support. Please feel free to contact me if you have any questions.

Sincerely,

Damion Macioci  
Superintendent of Schools
