

APRIL DRAGON FLYER

PPRINCIPAL'S MESSAGE

Dear Parents,

It is hard to believe that April is already here. I hope that everyone enjoyed their spring break and that you were able to spend some quality time together during these days off from school.

We have a few awesome school events coming up. On the evening of the 27th (5:30 -7:30pm) the PTO will host "Dragon Night". They have worked extremely hard to make this a fun activity for our Greenville community. On the 17th is our 'Greenville's Got Talent' assembly. We invite parents of the students who are performing to join us. There will not be seating available for families who do not have a student participating.

End of Year Testing Begins April 20th and runs through May 22nd. Please check with your child's teacher about testing dates if you know that there are days that your child will need to miss during this interval.

This should be a fun month at Greenville. I hope to be able to see many of you at these upcoming school events. Thank you for all of your support!

COUNSELOR'S CORNER

Hi Parents and Families,

I hope everyone had a relaxing and enjoyable spring break! It's hard to believe we are winding down the school year! For the month of April, our school wide character trait will be resilience! Resilience can be easily explained to children as the ability to "bounce back" from difficult situations! Resilience develops when children experience a challenge or difficult situation, and learn ways to deal with it!

Miss Kacie

MEDIA CENTER MESSAGE

Greetings from the library!

Spring is finally here! I hope everyone is enjoying the sunshine and warm weather. Often when the weather turns nice, people feel inspired to clean out their closets and organize their shelves. If you catch the spring cleaning bug, please keep an eye out for misplaced library books that might be hiding. It's time to start rounding them all up and getting them turned in for our end-of-year inventory. Notes will be passed out to students who have books over 30 days overdue. I'll continue to update you about missing library books until the latter part of May, when fines will be assessed for any remaining lost books.

Our last AR reward day is coming up in May. Final quizzes will be due on May 14th, with book and toy prizes handed out on May 13th, Pizza with the Principal on May 14th, and Rock the Halls on May 15th. Additionally, any students who achieved the highest AR level will also be invited to the lunchtime end-of-year celebration on May 21st.

Last but not least, I hope you will consider attending the upcoming Regional Literacy Night, which will be held at Greenville on April 9th from 4:30 to 7 pm. All families living in Cache County are invited to attend this FREE literacy conference designed especially for parents! Classes will be offered for parents, activities will be available for the children, and dinner will be provided at no cost. Space is limited, so please register now at

https://docs.google.com/forms/d/e/1FAIpQLSffS89QMFH_DcjsWe3DawTkYZsHWCCrbgxM3pHkR3a53ashmQ/viewform to reserve your family's spot! Select one or more classes to attend. Admission Tickets will be emailed.

GREENVILLE MILE

Dear Parents,

The annual Greenville Mile will be on **Friday, May 22, 2026!**

All **3rd, 4th, 5th, and 6th** grade students will participate in this fun and challenging race at Meadow View Park, beginning at 9:30 AM. Students will race by grade level, with separate boys and girls divisions for each grade. Each grade-level race will last approximately 30–40 minutes. Times will start approximately as follows:

- 3rd- 9:30 AM
- 4th- 10:10 AM
- 5th- 10:50 AM
- 6th- 11:30 AM

Our students have been working hard in PE to build their endurance, improve their running skills, and prepare for this big day. The mile can be challenging, but we know they are ready to rise to the occasion and show what they can do!

To help your student feel prepared and successful, please make sure they come with:

- Comfortable running clothes
- Good running shoes
- A water bottle

Families are encouraged to come cheer on their runners, take pictures, and celebrate their accomplishments. Your support makes a big difference and helps create an exciting atmosphere for all students. We are also excited to have the Green Canyon track team join us throughout the day to encourage and motivate our runners.

Important Reminder:

ABSOLUTELY NO SPECTATORS ARE ALLOWED ON THE TRACK. After your student finishes their race, you may meet them in the grassy area in the center of the field.

Thank you for supporting your student and helping make this event a positive and memorable experience!
