

Jump-Start into Girl Scouts!

Ready to give her an unforgettable adventure? Without an Extended Year Membership, she'll enjoy nonstop excitement from now through September 2027!

- Start the fun now. Register for summer camps, attend Daisy summer parties, or even go with your family to a scouting baseball game.
- Get a head-start for fall. Registering early helps secure her spot in a local troop.
- Rising Kindergarteners and 1st graders receive 3 activity books in the summer of 2026.
- Collect the cuteness! Daisies and Brownies get an exclusive Jump-Start Patch.

The potential for fun, joy, and friendship knows no bounds at Girl Scouts. Don't wait! This special opportunity won't last forever, and you won't want her to miss out on all the laughter, learning, and adventure that Girl Scouts has to offer.

- **Extended Year Memberships are only available to NEW members**
- **Girl members: \$116, Adult members: \$42 (or FREE if becoming a troop leader)**
