* Concerts are an essential part of a performance based class. These concerts are a summative assessment of your student's skills. Since all performances are student assessments, they are expected to be at all concerts, unless they are ill or have a family emergency. If your student is not at a concert, notification (e-mail, phone call, or note) from a parent or guardian is required explaining the absence. Due to planning, if possible, advance notification is appreciated. Students who miss the concert will need to make up that portion of their grade. A summative performance assessment will take place during their workshop time. Students will be required to perform all concert pieces for their director.

If you have any questions, please do not hesitate to contact us or the Foxview Main Office. We look forward to seeing all of you at the concert!
