## From the Office of the Principal

Dr. Katherine Nobles  
knobles@archwood.org

This has been another exciting week at Archbishop Wood, and we are proud to celebrate the incredible accomplishments of our students across the arts, athletics, and academics.

A heartfelt congratulations to the cast and crew of The Wiz for delivering a truly outstanding production. Your talent, energy, and dedication brought this classic story to life in a powerful and memorable way. We extend our sincere thanks to our director and to all of the parents who supported this production behind the scenes—your time and commitment made this experience possible for our students.

If you haven't had the chance to see the show yet, there is still one more opportunity! Join us on Sunday at 2:00 PM—you will not want to miss it.

In addition, congratulations to our Robotics Team for winning the Hatboro-Horsham High School tournament in the FIRST Mid-Atlantic region. Your innovation, teamwork, and problem-solving skills continue to impress. As you head into another competition this weekend, we wish you the very best of luck—keep building and competing with Viking pride!

We also want to recognize our Girls Basketball Team for an incredible season that culminated in a trip to the PIAA State Championship in Hershey. While the outcome was not what we had hoped, their hard work, resilience, and commitment to one another were on full display throughout the season and on the biggest stage. We are immensely proud of the way these young women represented Archbishop Wood—with heart, determination, and class.

At Archbishop Wood, moments like these remind us what it means to live out our mission each day. Whether on stage, on the court, or in competition, our students continue to demonstrate that Faithfulness Merits the Crown.

## From the Office of Academic Affairs

Mr. Matthew Slutz

Course selection begins tomorrow. All classes have been presented with the course selection overview. The 2026-2027 course guide is available on archwood.org under the "Academics" tab. Course selection opens March 23 and runs through April 8. Instructions for how to use PowerSchool and PowerPoints containing relevant information have been emailed to everyone. Please search your inbox for "26-'27 Catalog & Course Selection Instructions."

The third quarter ends Friday, March 27. Students, please follow Schoology and/or stay up-to-date using your own planner. Complete current work on time. Communicate with teachers. As many of you hear me say, "Do your work." It'll pay off.

As always free tutoring is available. Writing: Mr. Velten is available Tuesdays and Thursdays, and select afternoons. Math: Mr. Beard is available on Tuesdays and Wednesdays. Chemistry and general science courses: Mr. Levan is available Tuesdays. National Honors Society: please visit archwood.org "Academics" tab to sign up for tutoring.
