

# Volunteer

*Summer opportunities for teens*

Looking to make a difference (and earn volunteer hours) this summer? Join us to find out how you can get involved! This year's program will look a little different. We won't have the Readers Booth, but we're excited to offer teens more flexibility than ever. You'll be able to sign yourself up for as many — or as few — volunteer shifts as you'd like throughout the summer.

We're especially hoping to grow our Reading Buddies program, where teens spend time reading with younger children and helping them build confidence and a love of books. It's a fun, meaningful way to connect and make a real impact! Teens can also help out with library programs and activities, decorate bulletin boards, and pitch in with light cleaning and organizing projects.

**Come to this meeting to learn:**
