# JOIN THE FRIENDS' WILDFLOWER HIKE WITH JENNIFER WINDUS

The Friends of RHP (Friends) are sponsoring a guided wildflower hike on Sunday, April 26, 2026, from 1:00 to 3:00 p.m. at Richfield Heritage Preserve. Participants will use the 3771 Oviatt Road park entrance (by the Oviatt House off St. Rt. 303) and should meet at the kiosk located near Kirby's Mill.

Led by plant ecologist Jennifer Windus, Ohio Natural Areas and Preserves Association President and the Ohio Invasive Plant Council Vice President, the loop trail hike will travel through one of the most scenic sections of the park.

While the event is free and open to the public, attendees are asked to RSVP via Eventbrite at <https://2026WildflowerHike.eventbrite.com>. Walk-ins, however, are always welcome. Suitable hiking footwear, insect repellent and a reusable water bottle are recommended. In the event of heavy rain or a thunderstorm, the hike will be cancelled. Visit the Friends' website at [friendsofrhp.org](http://friendsofrhp.org) for event updates and additional information.
