Breakfast Supervision – All Grades

Beginning Wednesday, August 26, complimentary breakfast supervision will be available for students in PreK through 4th grade, as well as for older students who arrive early to eat breakfast. Supervision is provided by Extended Day Coordinator Cynthia Davis and will take place in the Dining Hall from 7:00–8:00am.

This supervised time is designed to offer students a calm, welcoming start to the day. Students may enjoy breakfast and engage in quiet activities such as reading, drawing, or completing homework as they prepare for the school day.

Trojan Extended Day (TED) – Lower School

Our Lower School extended day program is called Trojan Extended Day (TED). Most parents will refer to it simply as TED.

TED will begin on the first day of school, Wednesday, August 26, 2026: TED is a secure, engaging, and supportive after-school program for students in PreK through 4th grade. Students will have the opportunity to enjoy free play with centers such as art, LEGO, and building blocks. Homework time is also provided, and snacks are offered daily between 3:30–4:00pm.

The program is led by Cynthia Davis, our Extended Day Coordinator, and she is supported by TED assistants who help supervise and engage students in activities.

TED runs Monday through Friday in the Dining Hall and is available until 6:00pm. Occasionally, there may be a schedule change and TED will be moved to an alternative space. Our office will communicate any changes to parents via text message.

Trojan Supervised Study (TSS) – Middle School

Our Middle School extended day program is called Trojan Supervised Study (TSS). Most families refer to it simply as TSS.

TSS begins on Wednesday, August 26, 2026, the first day of school. The TSS program provides a safe, structured, and supportive environment for students in Grades 5 through 8. Students have time to complete homework, study for assessments, and build strong organizational skills, along with support from 5th grade teacher Tina Clayton (claytont@tvs.org).

TSS runs Monday through Friday in Middle School Room 120 and is available until 6:00pm.

- Students in Grades 5–6 report directly to Tina Clayton’s classroom at dismissal.
- Students in Grades 7–8 may join TSS after their after-school activities.

- Students can grab snacks in the Dining Hall between 3:30 and 4:00 PM.
