NOTICES

HEALTHCARE SERVICES MAY BE PROVIDED TO YOU AT A NETWORK HEALTHCARE FACILITY BY FACILITY-BASED PHYSICIANS WHO ARE NOT IN YOUR HEALTH PLAN. YOU MAY BE RESPONSIBLE FOR PAYMENT OF ALL OR PART OF THE FEES FOR THOSE OUT-OF-NETWORK SERVICES, IN ADDITION TO APPLICABLE AMOUNTS DUE FOR COPAYMENTS, COINSURANCE, DEDUCTIBLES AND NON-COVERED SERVICES.

SPECIFIC INFORMATION ABOUT IN-NETWORK AND OUT-OF-NETWORK FACILITY-BASED PHYSICIANS CAN BE FOUND AT WWW.LABLUE.COM OR BY CALLING THE CUSTOMER SERVICE TELEPHONE NUMBER OF YOUR HEALTH PLAN.

YOUR SHARE OF THE PAYMENT FOR HEALTHCARE SERVICES MAY BE BASED ON THE AGREEMENT BETWEEN YOUR HEALTH PLAN AND YOUR PROVIDER. UNDER CERTAIN CIRCUMSTANCES, THIS AGREEMENT MAY ALLOW YOUR PROVIDER TO BILL YOU FOR AMOUNTS UP TO THE PROVIDER'S REGULAR BILLED CHARGES.

We base Our payment of Benefits for Your Covered Services on an amount known as the Allowable Charge. The Allowable Charge depends on the specific Provider from whom You receive Covered Services.

Note that federal law prohibits a Non-Network Provider from balance billing You for non-Emergency Medical Services performed at a Network facility unless the Provider issued the required written notice to You and has obtained Your Informed Consent to provide such services.

Utilization Management decision-making is based only on appropriateness of care and service and existence of coverage. We do not specifically reward practitioners or other individuals for issuing denials of coverage. Financial incentives for Utilization Management decision makers do not encourage decisions that result in underutilization.

Certain breast cancer survivors are eligible to receive annual preventive cancer screenings as part of long-term survivorship care. You are eligible for these screenings if You:

- a. were previously diagnosed with breast cancer;
- b. completed treatment for breast cancer;
- c. underwent bilateral mastectomy; and
- d. were subsequently determined to be clear of cancer.

These covered screenings include but are not limited to magnetic resonance imaging, ultrasound, or some combination of tests, as selected by You in consultation with Your attending Physician. Annual preventive cancer screenings under this Benefit will be subject to any applicable cost sharing.

Important information regarding this Plan will be sent to the mailing address You provided on the Employee Enrollment/Change Form. **You are responsible for keeping Us and the Group informed of any changes in Your address of record.**

ARTICLE I. UNDERSTANDING THE BASICS OF YOUR COVERAGE

The Group is the Plan Sponsor of this Benefit Plan. Blue Cross and Blue Shield of Louisiana provides administrative services only and does not assume any financial risk or obligation with respect to Claims liability.

As of the Plan's original Benefit Plan Date shown on the Schedule of Benefits, the Group agrees to provide the Benefits specified herein for Plan Participants of the Group. This Benefit Plan replaces any others previously issued to Plan Participants, as of the Plan's amended Benefit Plan Date shown on the Schedule of Benefits. This Benefit Plan describes Plan Participant's Benefits, as well as Plan Participant rights and responsibilities. We encourage You, the Plan Participant, to read this Benefit Plan carefully.

You should call Our customer service number on the ID card if You have questions about Your coverage, or any limits to the coverage available to You. Many of the sections of this Benefit Plan are related to other sections of this Benefit Plan. You may not have all the information You need by reading just one section. Please be aware that Your Physician does not have a copy of Your Benefit Plan and is not responsible for knowing or communicating Your Benefits to You.

Except for necessary technical terms, common words are used to describe the Benefits provided under this Benefit Plan. We, Us, and Our mean Blue Cross and Blue Shield of Louisiana. You, Your, and Yourself mean the Plan Participant and/or enrolled Dependent. Capitalized words are defined terms in the Definitions Article of this Benefit Plan. A word used in the masculine gender applies also in the feminine gender, except where otherwise stated.

A. Facts About This EPO High Deductible Health Plan (HDHP)

This Benefit Plan is a high deductible health plan. This high deductible coverage may be used in conjunction with a Health Savings Account (HSA), which a Plan Participant sets up through a financial institution. HSAs are portable, tax-advantaged savings accounts that act like a medical IRA. Unused money is rolled over from year to year, grows through interest and investments, and can be used to pay for a wide variety of health and wellness related products and services. The Internal Revenue Service (IRS) has established eligibility rules for HSAs. Most adults who are covered by a high deductible health plan, like this Plan, and who have no other first dollar health coverage except for preventive care, may establish an HSA. Plan Participants that choose to take advantage of the benefits of health savings accounts should learn about the laws affecting HSAs. They may wish to consult a qualified tax or financial advisor to ensure that they are eligible to establish an HSA, that they understand what other types of health coverage they may have without violating the HSA rules, what expenses may be paid from an HSA, and the many tax benefits available to them if they properly comply with all IRS rules on health savings accounts.

This Benefit Plan is a High Deductible Health Plan (HDHP) with an Employer Preferred Option (EPO) arrangement for St. Tammany Parish School Board. As healthcare Providers, St. Tammany Parish School Board offer their Employees an Employer Preferred Option Network. Plan Participants who receive care through the Blue Connect EPO Network will pay the least for care and get the most value from this Benefit Plan.

Plan Participants also have access to Blue Cross and Blue Shield of Louisiana's Preferred Care PPO Network. Plan Participants can get care from Providers who are not in the Employer Preferred Option Network or Preferred Care PPO Network, but Benefits will be paid at a lower level.

Most Benefits are subject to the Plan Participant's payment of any applicable Deductible Amount and Coinsurance as stated on the Schedule of Benefits. The Plan Participant's choice of a Provider determines what You pay. The value of this Plan is maximized when Plan Participants choose care as follows:

1. Best Value = Employer Preferred Option Network, Blue Connect Network
2. Better Value = Preferred Care Network Provider
3. Good Value = Participating Provider
4. Fair Value = Non-Network Provider

If the Plan Participant chooses a Provider outside of the Employer Preferred Option Network, the Plan Participant should verify that the Provider is a current Blue Cross and Blue Shield of Louisiana Preferred Care PPO Provider before services are rendered. Visit Our website at www.lablue.com or call customer service at the number on the ID card to verify that a Provider is a current Preferred Care PPO Network Provider, or to request a paper Provider directory.

B. The Provider Network

Plan Participants choose which Providers will render their care. This choice will determine the amount the Plan pays and the amount the Plan Participant pays for Covered Services.

The Preferred Care PPO Network consists of a select group of Physicians, Hospitals and other Allied Providers that have contracted with the Claims Administrator to participate in the Blue Cross and Blue Shield of Louisiana Preferred Care PPO Provider Network and render services to Plan Participants. These Providers are called Preferred Care PPO Providers or Network Providers. Oral Surgery Benefits are also available when rendered by Providers in the United Concordia Dental Advantage Plus Network or in Blue Cross and Blue Shield of Louisiana's dental Network.

To obtain the highest level of Benefits available, the Plan Participant should always verify that a Provider is a current Blue Cross and Blue Shield of Louisiana Preferred Care PPO Provider before the service is rendered. Visit Our website at www.lablue.com or call customer service at the number on the ID card to verify that a Provider is a current Preferred Care PPO Network Provider, or to request a paper Provider directory.

A Provider's status may change from time to time. Plan Participants should always verify the Network status of a Provider before obtaining services.

A Provider may be contracted with the Claims Administrator when providing services at one location and may be considered a Non-Network Provider when providing services from another location. The Plan Participant should check the Provider directory to verify that the services are In-Network from the location where he or she is seeking care.

Additionally, Providers in the Preferred Care PPO Network may be contracted to perform certain Covered Services, but may not be contracted in the Preferred Care PPO Network to perform other Covered Services. When a Network Provider performs services that the Network Provider is not contracted with the Claims Administrator to perform (such as certain High-Tech Imaging Services or radiology procedures), Claims for those services will be processed at the Non-Network Benefit level. The Plan Participant should make sure to check the Provider directory to verify that the services are In-Network when performed by the Provider or at the Provider's location.

C. Receiving Care Outside the Network

The Preferred Care PPO Network is an extensive Network and should meet the needs of most Plan Participants. However, Plan Participants choose which Providers will render their care, and Plan Participants may obtain care from Providers who are not in the Preferred Care PPO Network.

The Plan pays a lower level of Benefits when a Plan Participant uses a Provider outside the Preferred Care PPO Network. Benefits may be based on a lower Allowable Charge. Care obtained outside the Network means the Plan Participant has higher costs and may pay a higher Deductible Amount and/or Coinsurance than if care was received in the Network. **THESE ADDITIONAL COSTS MAY BE SIGNIFICANT.** In addition, the Plan only pays a portion of those charges and it is the Plan Participant's responsibility to pay the remainder. The amount the Plan Participant is required to pay, which could be significant, does not accrue to the Out-of-Pocket Amount.

It is recommended that the Plan Participant ask Non-Network Providers to explain their billed charges before care is received outside the Network. Prior to obtaining care outside the Network, review the section titled Sample Illustration of Plan Participant Costs When Using a Non-Participating Hospital.

D. Obtaining Emergency and Non-Emergency Care Outside Louisiana and Around the World

Plan Participants have access to Emergency and non-Emergency care outside Louisiana and around the world. The ID card offers convenient access to Covered Services through Blue Cross and Blue Shield Providers throughout the United States and in more than two hundred (200) countries worldwide.

In the United States:

Plan Participants receive Network Benefits when Emergency and non-Emergency Covered Services are provided by PPO Providers in other states. If Plan Participants do not go to a PPO Provider, Out-of-Network Benefits will apply. To the extent required by applicable law, covered Emergency Medical Services are subject to Network cost sharing.

Outside the United States:

Plan Participants receive Network Benefits when covered Emergency and non-Emergency Services are provided by a Blue Cross Blue Shield Global® Core Provider across the world. If Plan Participants do not go to a Blue Cross Blue Shield Global® Core Provider, Out-of-Network Benefits will apply. To the extent required by applicable law, covered Emergency Medical Services are subject to Network cost sharing.

1. In an Emergency, go directly to the nearest Hospital.
2. Call BlueCard® Access at 1-800-810-BLUE (2583) for information on the nearest BlueCard® doctors and Hospitals (for care within the United States), or for information on Blue Cross Blue Shield Global® Core doctors and Hospitals (for care outside the United States). Provider information is also available at www.bcbs.com.
3. Use a BlueCard® Provider or Blue Cross Blue Shield Global® Core Provider to receive the highest level of Benefits.
4. Present the ID card to the doctor or Hospital, who will verify coverage and file Claims for the Plan Participant.
5. The Plan Participant must obtain any required Authorizations from the Claims Administrator.

E. Authorizations

Some services and supplies require Authorization from the Claims Administrator before services are obtained. The Schedule of Benefits lists the specific services, supplies, and Prescription Drugs that require Authorization. For more information on those items and services that require Authorization visit the website, www.lablue.com/priorauth. See the Care Management Article of this Benefit Plan for additional information regarding Authorization requirements.

No payment will be made for organ, tissue and bone marrow transplant Benefits or evaluations unless the Plan Authorizes these services and the services are rendered by a Blue Distinction Center for Transplants (BDCT) for the specific organ or transplant or a transplant facility in the Preferred Care PPO Network, unless otherwise approved by the Plan in writing. To locate an approved transplant facility, Plan Participants should contact the Claims Administrator's customer service department at the number on the ID card.

F. How We Determine What We Pay for the Plan Participant's Covered Services

1. When the Plan Participant uses Network Providers

Network Providers have signed a contract with Us to participate in the Employer Preferred Option Network or the Preferred Care PPO Network. These Providers have agreed to accept the lesser of billed charges or a negotiated amount as payment in full for Covered Services. This amount is the Network Provider's Allowable Charge and is used to determine the amount We pay for Medically Necessary Covered Services. Plan Participants who use Network Providers will receive Network Benefits and will pay the amounts shown in the Network column on the Schedule of Benefits for these Covered Services.

2. When the Plan Participant uses Participating Providers

Participating Providers have signed a contract with Us or any other Blue Cross and Blue Shield plans to participate in Provider Networks other than those identified as Network Providers in item (1) above. These Providers have agreed to accept the lesser of billed charges or a negotiated amount as payment in full for Covered Services. This amount is the Participating Provider's Allowable Charge and is used to determine the amount We pay for Medically Necessary Covered Services.

Plan Participants who use Participating Providers will pay more for Covered Services than when using a Network Provider, but the Plan Participant will not have to pay the difference between the Allowable Charge and the Provider's billed charge. The Plan Participant will pay amounts shown in the Non-Network column on the Schedule of Benefits for these Covered Services.

The Plan Participant has the right to file an Appeal with Us for consideration of Network Benefits if the Plan Participant received Covered Services from a Participating Provider who was the only Provider available to deliver the Covered Service within a seventy-five (75) mile radius of the Plan Participant's home. To file an Appeal, the Plan Participant must follow the Appeal procedures in this Benefit Plan.

An Appeal for Network Benefits will not be approved for a Participating Provider outside the seventy-five (75) mile radius if there is a Network Provider who can perform the same or other appropriate Medically Necessary services to diagnose or treat the Plan Participant within the distance the Plan Participant traveled to receive care from the Participating Provider, no matter how many miles that may be.

3. When the Plan Participant uses Non-Participating Providers

Non-Participating Providers have not signed any contract with the HMOLA Network, Blue Cross and Blue Shield of Louisiana, or any other Blue Cross and Blue Shield plans. These Providers are not in Our Networks. We have no fee arrangements with them. We establish an Allowable Charge for Covered Services provided by Non-Participating Providers. The Allowable Charge will be one of the following as determined by Us:

- a. An amount We establish based on Our choice of Medicare's published fee schedule, what Medicare pays, or what Medicare allows for the service;
- b. An amount We establish as the Allowable Charge; or
- c. The Provider's billed charge.

You will receive a lower level of Benefit because You did not go to a Network Provider.

Plan Participants may pay significant costs when using Non-Participating Providers. This is because the amount that some Providers charge for a Covered Service may be higher than the established Allowable Charge. Also, Network and Participating Providers waive the difference between their actual billed charge for Covered Services and the Allowable Charge, while Non-Participating Providers do not.

The Plan Participant has the right to file an Appeal with Us for consideration of Network Benefits if the Plan Participant received Covered Services from a Non-Participating Provider who was the only Provider available to deliver the Covered Service within a seventy-five (75) mile radius of the Plan Participant's home. To file an Appeal, the Plan Participant must follow the Appeal procedures in this Benefit Plan.

An Appeal for Network Benefits will not be approved for a Non-Participating Provider outside the seventy-five (75) mile radius if there is a Network Provider who can perform the same or other appropriate Medically Necessary services to diagnose or treat the Plan Participant within the distance the Plan Participant traveled to receive care from the Non-Participating Provider, no matter how many miles that may be.

Note that federal law prohibits a Non-Network Provider from balance billing a Plan Participant for non-Emergency Medical Services performed at a Network facility unless the Provider issued the required written notice to a Plan Participant and has obtained a Plan Participant's Informed Consent to provide such services.

G. Sample Illustration of Plan Participant Costs When Using a Non-Participating Hospital

NOTE: The following example is for illustration purposes only and is not a true reflection of the Plan Participant's actual cost sharing. Please refer to the Schedule of Benefits to determine Benefits.

EXAMPLE: The Network Benefits are 80% – 20% Coinsurance with a Deductible Amount. The Non-Network Benefits are 60% – 40% Coinsurance with a Deductible Amount. Assume the Plan Participant goes to the Hospital, has previously met the Deductible Amount, and has obtained the necessary Authorization prior to receiving a non-Emergency service. The Hospital bills \$12,000 for the Covered Service. We negotiated an Allowable Charge of \$2,500 with the Network Hospital to render this service. The Allowable Charge of the Participating Hospital is \$3,000 to render this service. There is no negotiated rate with the Non-Participating Hospital. The Plan Participant is responsible for all amounts not paid by Blue Cross and Blue Shield of Louisiana, up to the Hospital's billed charge. This example illustrates the Plan Participant's costs at three different Hospitals for the same service.

The Plan Participant receives Covered Services from:	Employer Preferred Option Network Hospital	Participating Hospital	Non-Participating Hospital
Hospital Bill:	\$12,000	\$12,000	\$12,000
Allowable Charge:	\$2,500	\$3,000	\$2,500
The Plan pays:	\$2,000 \$2,500 Allowable Charge x 80% Coinsurance = \$2,000	\$1,800 \$3,000 Allowable Charge x 60% Coinsurance = \$1,800	\$1,500 \$2,500 Allowable Charge x 60% Coinsurance = \$1,500
Plan Participant pays:	\$500 20% Coinsurance x \$2,500 Allowable Charge = \$500	\$1,200 40% Coinsurance x \$3,000 Allowable Charge = \$1,200	\$1,000 40% Coinsurance x \$2,500 Allowable Charge = \$1,000
Is Plan Participant billed up to the Hospital's billed charge?	NO	NO	YES \$9,500
Total Amount Plan Participant Pays:	\$500	\$1,200	\$10,500

H. When a Plan Participant Receives Mental Health or Substance Use Disorder Benefits

For help with Mental Health and Substance Use Disorder Benefits, the Plan Participant should refer to the Schedule of Benefits, the ID card, or call the Claims Administrator's customer service department.

I. Assignment of Benefits

A Plan Participant's rights and Benefits under this Plan are personal to the Plan Participant and may not be assigned in whole or in part by the Plan Participant. The Claims Administrator will recognize assignments of Benefits to Hospitals if both this Plan and the Provider are subject to La. R.S. 40:2010. If both this Plan and the Provider are not subject to La. R.S. 40:2010, the Claims Administrator will not recognize assignments or attempted assignments of Benefits. Nothing contained in the written description of health coverage shall be construed to make the Plan or the Claims Administrator liable to any third-party to whom a Plan Participant may be liable for the cost of medical care, treatment, or services.

The Plan reserves the right to pay Network and Participating Providers directly instead of paying the Plan Participant.

J. Plan Participant Incentives and Value-Added Services

Sometimes the Claims Administrator may offer Plan Participants coupons, discounts, and incentives to enroll in programs, such as pharmacy programs, disease management programs, and wellness programs and activities. The Claims Administrator may offer Plan Participants discounts or financial incentives to use certain Providers for selected Covered Services. The Claims Administrator may also offer Plan Participants the opportunity to enroll in health and non-health related programs, as value-added services, to enhance the Plan Participant's experience with the Claims Administrator or Providers. These incentives and value-added services are not Benefits and do not alter or affect Plan Participant Benefits. They may be offered by the Claims Administrator, affiliated companies, and selected vendors. Plan Participants are always free to reject the opportunities for incentives and value-added services. The Claims Administrator reserves the right to add or remove any and all coupons, discounts, incentives, programs, and value-added services at any time without notice to Plan Participants.

K. Health Management and Wellness Tools and Resources

The Claims Administrator offers Plan Participants a wide range of health management and wellness tools and resources. Plan Participants can use these tools to manage their personal accounts, see Claims history, create health records and access a host of online wellness interactive tools. Plan Participants also have access to a comprehensive wellness program that includes a personal health assessment and customized health report to assess health risks based on the Plan Participant's history and habits. Exclusive discounts are also available to Plan Participants on some health services such as fitness club memberships, diet and weight control programs, vision and hearing care and more.

L. Customer Service E-Mail Address

The Claims Administrator has consolidated its customer service e-mails into a single, easy-to-read address: help@lablue.com. Plan Participants who need to contact the Claims Administrator may find all of their options online, including phone, fax, e-mail, postal mail and walk-in customer service. Just visit www.lablue.com and click on *Need Help?* to access Our Help Center which includes Our customer service contact information.

ARTICLE IV.

BENEFITS

ANY BENEFIT LISTED IN THIS BENEFIT PLAN THAT IS NOT MANDATED BY STATE OR FEDERAL LAW MAY BE DELETED OR REVISED ON THE SCHEDULE OF BENEFITS OR BY AMENDMENT.

A. Benefit Categories

1. Network Benefits (In-Network) – Benefits for Covered Services received from an Employer Preferred Option or a Preferred Care PPO Provider. When a Plan Participant receives care from a Network Provider, the Plan Participant will receive the highest level of Benefits on this Plan.
2. Non-Network Benefits (Out-of-Network) – Benefits for Covered Services received from a Provider who is not contracted with the Claims Administrator as an Employer Preferred Option or a Preferred Care PPO Provider. Participating Providers and Non-Participating Providers are not contracted with the Employer Preferred Option Network or Our Preferred Care PPO Network. When a Plan Participant receives care from a Non-Network Provider, the Plan Participant will receive a lower level of Benefits on this Plan.
3. Network and Non-Network Benefit categories may each carry separate Deductible Amounts and Out-of-Pocket Amounts shown on the Schedule of Benefits.

B. Deductible Amounts and Coinsurance

1. Subject to the Deductible Amounts shown on the Schedule of Benefits, the maximum limitations hereinafter provided, and other terms and provisions of this Benefit Plan, the Plan will provide Benefits in accordance with the Coinsurance shown on the Schedule of Benefits toward Allowable Charges incurred for Covered Services received by a Plan Participant during a Benefit Period.

If this Benefit Plan includes more than one (1) Plan Participant, the Individual Deductible Amount is not applicable. The Family Deductible and the Per Member within a Family Deductible Amount applies.

- a. Individual Deductible Amount: The dollar amount, shown on the Schedule of Benefits, of Allowable Charges for Covered Services, which a Plan Participant with Employee only coverage must pay within a Benefit Period before the Plan starts paying Benefits.
- b. Family Deductible Amount: The dollar amount, shown on the Schedule of Benefits, of Allowable Charges for Covered Services, which may be paid by a family within a Benefit Period before the Plan starts paying Benefits. After the Family Deductible Amount is met, the Plan starts paying Benefits for all covered members of the family, for the remainder of the Benefit Period, whether or not each member has met the Per Member within a Family Deductible Amount.
- c. Per Member within a Family Deductible Amount: The dollar amount, shown on the Schedule of Benefits, of Allowable Charges for Network Covered Services, which may be paid by one (1) family member within a Benefit Period before the Plan starts paying Benefits. After a family member has met the Per Member within a Family Deductible Amount, the Plan starts paying Network Benefits, for that family member, for the remainder of the Benefit Period. No family member may contribute more than the Per Member within a Family Deductible Amount towards satisfaction of the Family Deductible Amount.

For the purposes of this Benefit Plan, Family includes all available classes of coverage except single Employee or Employee only coverage.

2. The Coinsurance is shown on the Schedule of Benefits for a Covered Service. The Plan Participant must first pay any applicable Deductible Amount before the Coinsurance. After any applicable Deductible Amount has been met, and subject to the maximum limitations and other terms and provisions of this Benefit Plan, the Plan will provide Benefits in the Coinsurance shown on the Schedule of Benefits toward Allowable Charges for Covered Services. The actual payment to a Provider or payment to the Plan Participant satisfies the Plan Sponsor's obligation to provide Benefits under this Benefit Plan.
3. The Claims Administrator will apply the Plan Participant's Claims to the Deductible Amount in the order in which Claims are received and processed. It is possible that one Provider may collect the Deductible Amount from the Plan Participant, then when the Plan Participant receives Covered Services from another Provider, that Provider also collects the Plan Participant's Deductible Amount. This generally occurs when the Plan Participant's Claims have not been received and processed by the Claims Administrator. The Claims Administrator's system will only show the Deductible Amount applied for Claims that have been processed. Therefore, the Plan Participant may need to pay toward the Deductible Amount until Claims are submitted and processed, showing that the Deductible Amount has been met. If the Plan Participant overpays the Deductible Amount, the Plan Participant is entitled to receive a refund from the Provider to whom the overpayment was made.
4. Under certain circumstances, if the Plan pays a healthcare Provider amounts that are the Plan Participant's responsibility, such as any applicable cost sharing, the Plan may collect such amounts directly from You.

C. Out-of-Pocket Amount

1. If this Benefit Plan includes more than one (1) Plan Participant, the Individual Out-of-Pocket Amount is not applicable. The Family Out-of-Pocket Amount and the Per Member within a Family Out-of-Pocket Amount applies.
 - a. Individual Out-of-Pocket Amount: The maximum amount, shown on the Schedule of Benefits, of non-reimbursable expenses for Covered Services (including any applicable Deductible Amount and Coinsurance), which may be paid by a Plan Participant with Employee only coverage, within a Benefit Period. After the Individual Out-of-Pocket Amount is met, the Plan will pay one hundred percent (100%) of the Allowable Charge for Covered Services, for the remainder of the Benefit Period.

- b. ARTICLE VI. MEDICAL AND SURGICAL BENEFITS

Benefits for the following medical and Surgical services are available and may require Authorization. See the Schedule of Benefits and the Care Management Article to determine which services require Authorization. A Plan Participant must pay any applicable cost sharing shown on the Schedule of Benefits.

A. Surgical Services

1. Surgery
 - a. The Allowable Charge for Inpatient and Outpatient Surgery includes all pre-operative and post-operative medical visits. The pre-operative and post-operative period are defined and determined by the Plan and is that period of time which is appropriate as routine care for the particular Surgical procedure.
 - b. When performed in the Physician's office, the Allowable Charge for the Surgery includes the office visit. No additional Benefits are allowed toward charges for office visits on the same day as the Surgery.
2. Multiple Medical or Surgical Services – When Medically Necessary multiple services (concurrent, successive, or other multiple medical or Surgical services) are performed at the same encounter, Benefits will be paid as follows:
 - a. Primary Service
 - (1) The primary or major service is determined by the Claims Administrator.
 - (2) Benefits for the primary service will be based on the Allowable Charge.
 - b. Secondary Service

A secondary service is a service performed in addition to the primary service as determined by the Claims Administrator. The Allowable Charge for any secondary service will be based on a percentage of the Allowable Charge that would be applied had the secondary service been the primary service.

c. Incidental Service

- (1) An incidental service is one carried out at the same time as a primary service as determined by the Claims Administrator.
- (2) Covered incidental services are not reimbursed separately. The Allowable Charge for the primary service includes coverage for any incidental services. If the primary service is not covered, any incidental service will not be covered.

d. Unbundled Services

- (1) Unbundling occurs when two (2) or more service codes are used to describe a medical or Surgical service performed when a single, more comprehensive service code exists that accurately describes the entire medical or Surgical service performed. The unbundled services are considered included in the proper comprehensive service code as determined by the Claims Administrator.
- (2) The Allowable Charge of the comprehensive service code includes the charge for the unbundled services. The Plan will provide Benefits according to the proper comprehensive service code, as determined by the Claims Administrator.

e. Mutually Exclusive Services

- (1) Mutually exclusive services are two (2) or more services that usually are not performed at the same operative session or encounter on the same patient, on the same date of service, and for which separate billings are made. Mutually exclusive services may also include different service code descriptions for the same type of services in which the Physician should be submitting only one (1) of the codes. One or more of the duplicative services is not reimbursable as it should be reimbursed only one time.
- (2) The Allowable Charge includes all services performed at the same encounter. Any and all services which are not considered Medically Necessary, will not be covered.

3. Assistant Surgeon

An assistant surgeon is a Physician, licensed physician assistant, certified registered nurse first assistant (CRNFA), registered nurse first assistant (RNFA) or certified nurse practitioner. Coverage for an assistant surgeon is provided only if the use of an assistant surgeon is required with reference to nationally established guidelines. The Allowable Charge for the assistant surgeon is based on a percentage of the fee paid to the primary surgeon.

4. Anesthesia

- a. General anesthesia services are covered when requested by the operating Physician and performed by a certified registered nurse anesthetist (CRNA) or Physician, other than the operating Physician or the assistant surgeon, for covered Surgical services. Coverage is also provided for other forms of anesthesia services as defined by the Plan and approved by the Claims Administrator. Medical direction or supervision of anesthesia administration includes pre-operative, operative and post-operative anesthesia administration care.
- b. Anesthetic or sedation procedures performed by the operating Physician, an assistant surgeon, or an advanced practice registered nurse will be covered as a part of the Surgical or diagnostic procedure unless the Claims Administrator determines otherwise.
- c. Benefits for anesthesia will be determined by applying the Coinsurance to the Allowable Charge based on the primary Surgical procedure performed. Benefits are available for the anesthesiologist or CRNA who performs the service. When an anesthesiologist medically directs or supervises the CRNA, payment may be divided between the medical direction or supervision and administration of anesthesia, when billed separately.

5. Second Surgical Opinion

Benefits are available for Consultation and directly related Diagnostic Services to confirm the need for elective Surgery. The Physician that provides a second or third opinion must not be the Physician who first recommended elective Surgery. A second or third opinion is not mandatory to receive Benefits.

A. Covered Services or Procedures

This Benefit Plan only covers the following services or procedures when determined by Us to be Medically Necessary:

1. Excision of tumors or cysts that do not originate from the teeth, gingiva (gums), and periodontal structures. Examples of covered tumors and cysts include salivary gland tumors or cysts and primary tumors of the mandible and maxilla, such as ameloblastoma and osteosarcoma. Cysts and tumors originating from the teeth, gingiva (gums), and periodontal structures, such as periapical cysts or abscesses and odontogenic cysts or keratocysts, are not covered. Excision of inflamed tissue related to periodontal disease is not covered.
2. Extraction of teeth when there is complete bony impaction of each tooth to be extracted.
3. Dental Care and Treatment required to correct Accidental Injuries of the jaws, cheeks, lips, tongue, roof or floor of mouth, and of Sound Natural Teeth when received within seventy-two (72) hours of the onset of the Accidental Injury. Treatment must be completed within twelve (12) months of the onset of the Accidental Injury to a Sound Natural Tooth to be covered. The damage must be the result of an Accidental Injury to a Sound Natural Tooth struck from outside the mouth as a result of major trauma, which does not include injury caused by chewing, biting, clenching, or grinding of teeth. Coverage is limited to extraction of teeth needed to avoid infection of teeth damaged in the Accidental Injury; suturing; reimplanting and stabilization of dislodged Sound Natural Teeth; repositioning and stabilization of partly dislodged Sound Natural Teeth; and appropriate plain film dental x-rays. If multiple treatment options exist, coverage will only be available for the least costly Medically Necessary treatment option.

The definitions of Accidental Injury and Sound Natural Tooth are those set forth in Article II of this Benefit Plan.

4. Excision of exostoses or tori of the jaws and hard palate when required for the fitting of a covered denture.
5. Anesthesia in any non-Hospital setting (for example, an Allied Health Facility, Ambulatory Surgical Center, or Office), including general anesthesia (e.g., monitored anesthesia care) and conscious sedation, when used for Medically Necessary Covered Services or procedures and when rendered or supervised by a Provider with a dental degree and the requisite training. Local anesthesia is always considered incidental to the covered dental service or procedure and is not eligible for separate reimbursement. Anesthesia for dental services is only reimbursable under this Benefit Plan when performed in conjunction with a Medically Necessary dental service or procedure that is covered under this Benefit Plan. If treatments, services or procedures are covered under the Plan Participant's separate or standalone dental plan, if applicable, then anesthesia is not covered under this Benefit Plan for such treatments, services or procedures.
6. Anesthesia when rendered in a Hospital or Outpatient Surgical facility and for associated Hospital or facility charges when the Plan Participant's mental or physical condition requires dental treatment, services, or procedures to be rendered in a Hospital or Outpatient Surgical facility.

Coverage for anesthesia is not available for conditions not listed below. Coverage based solely on a Plan Participant's level of fear or anxiety about a procedure is not covered unless it is documented that in the Plan Participant's medical history that all other forms of behavior guidance noted above have been tried and failed. Because coverage for Temporomandibular Joint (TMJ) Disorders is limited to oral

occlusal appliance therapy under this Benefit Plan, anesthesia for Temporomandibular Joint (TMJ) Disorders is also not covered under this Benefit Plan.

Covered conditions include:

- a. Plan Participant is less than six (6) years old.
 - b. Plan Participant has a severe disability including, but not limited to, epilepsy with a history of uncontrolled seizures; Mental Disorders or mental conditions such as autism or schizophrenia, Down syndrome, or severe cerebral palsy that have been documented in the Plan Participant's medical history by a Physician.
 - c. Plan Participant has a serious underlying medical condition including, but not limited to, severe asthma; congestive heart failure; bleeding disorders that could lead to immediate or severe airway compromise; or conditions with known or suspected airway compromise that have been documented in the Plan Participant's medical history by a Physician.
 - d. Requirement for immediate and comprehensive treatment that threatens the patency of the Plan Participant's airway.
 - e. Requirement for significant restorative or Surgical procedures that have not been able to be successfully provided to the Plan Participant using behavior guidance in the dental office, including communication techniques, parental presence or absence, nitrous oxide and oxygen inhalation, protective stabilization or oral sedation.
 - f. Local anesthesia for the Plan Participant is contraindicated because of acute infection, anatomic variations that prevent adequate anesthesia or allergies to the medication.
 - g. Other conditions in which a Physician has certified that general anesthesia in a Hospital setting is Medically Necessary for the Plan Participant or when other methods of behavior guidance in the dental office have been tried and documented to be unsuccessful for the Plan Participant, including communication techniques, parental presence or absence, nitrous oxide and oxygen inhalation, protective stabilization or oral sedation.
7. Oral occlusal appliance therapy for the treatment of temporomandibular joint dysfunction (TMJ); subject to the limitation shown on the Schedule of Benefits.
 8. Benefits are available for dental services not otherwise covered by this Plan, when specifically required to restore bodily function for head and neck cancer patients. Benefits are limited to preparation for or follow-up to radiation therapy involving the mouth. Benefits for head and neck cancer patients are only available when a comprehensive dental evaluation for treatment of decay and abscesses was performed on the Plan Participant prior to the initiation of chemotherapy and/or radiation therapy. Benefits are only available for dental services that are not more costly than alternative services, treatment, procedures, equipment, drugs, devices, items or supplies and those dental services are as likely to produce equivalent therapeutic or diagnostic results for diagnosing or treating patients' illness, injury or disease as the alternatives. To obtain more information on how to access these medical Benefits, please call the Claims Administrator's customer service department at the number on the ID card and ask to speak to a Case Manager.
 9. Dental implants are only eligible for coverage when they are not primarily for personal comfort or convenience of patients or Providers and when the dental implants are not more costly than alternative services, treatment, procedures, equipment, drugs, devices, items or supplies and are as likely to produce equivalent therapeutic results for restoring a patient to their baseline (i.e., pre-injury/pre-illness) status. Under federal law, group health plans and health insurance issuers generally may not restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending Provider (e.g., Your Physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a Physician or other health care Provider obtain Authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain Providers or facilities, or to reduce Your out-of-pocket costs, You may be required to obtain prior Authorization. Telehealth Services generally must be held in real time through an established patient portal by two-way video and audio transmissions simultaneously (Synchronous). Telehealth Services does not cover telephone calls, and only when approved by the Claims Administrator is it allowed by methods other than simultaneous audio and video transmission.

Store forward or Asynchronous Telehealth Services between an established patient and their Provider may take place when an established patient sends pre-recorded video or images to a Provider via HIPAA-compliant communication, at the Provider's request, or when the data is transferred between two Providers on the patient's behalf. This method of Telehealth Services is limited to services approved by the Claims Administrator.

This method of Remote Patient Therapy Services is limited to services and devices approved by the Claims Administrator.

In order to be covered, Remote Patient Therapy Services must specifically be required for medical treatment decisions for the Plan Participant or as otherwise required by law and must collect and electronically transmit biometric data to an established Provider on at least sixteen (16) days of a thirty-day (30) period.

The amount Plan Participants pay for a Telehealth Services or Remote Patient Therapy visit may be different than the amount Plan Participants would pay for the same Provider's service in a non-Telehealth Services or non-Remote Patient Therapy Services setting. Telehealth Services or Remote Patient Therapy Services must be rendered by a Network Provider.

The Claims Administrator has the right to determine if billing was appropriate and contains the required elements to process the Claim.

In general, there is no coverage for Telehealth Services or Remote Patient Therapy Services that are not within the scope of the Provider's license or fail to meet a standard of care compared to an in-person visit. Coverage does not exist for non-HIPAA compliant encounters which do not provide a system of secure communication to safeguard protected health information.

CARE MANAGEMENT

The Schedule of Benefits lists the specific services, supplies, and Prescription Drugs that require Authorization. For more information on those items and services that require Authorization visit the website, www.lablue.com/priorauth.

A. Authorization of Admissions, Services and Supplies, Selection of Provider and Penalties

1. Authorization and Selection of Provider

Benefits will be paid at the highest Network level when care is received from a Network Provider. Participating and Non-Participating Providers are Non-Network Providers.

- a. If a Plan Participant wants to receive services from a Non-Network Provider and obtain Network Benefits, the Plan Participant must notify Our care management department before services are rendered. We will approve the use of a Non-Network Provider only if We determine that the services **cannot** be provided by a Network Provider within a seventy-five (75) mile radius of the Plan Participant's home. The Non-Network Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number shown on the ID card, or follow the instructions in the Provide Manual, if available to the Non-Network Provider.
- b. A request will not be approved for a Non-Network Provider outside the seventy-five (75) mile radius if there is a Network Provider who can perform the same or other appropriate Medically Necessary services to diagnose or treat the Plan Participant within the distance the Plan Participant is willing to travel to receive care from the proposed Non-Network Provider, no matter how many miles that may be. For example, if the proposed Non-Network Provider is located one hundred (100) miles away and there is a Network Provider capable of providing the same or other appropriate Medically Necessary services to diagnose or treat the individual one hundred (100) miles away or less, the approval will not be granted for the Non-Network Provider.
- c. We must approve the use of the Non-Network Provider and issue any required Authorization before services are rendered. If We do not approve use of the Non-Network Provider and issue an Authorization prior to services being rendered, Covered Services that are later determined to be Medically Necessary will be paid at the lower Non-Network level shown on the Schedule of Benefits.
- d. If We do approve the use of a Non-Network Provider, that Provider may or may not accept the Plan Participant's applicable cost sharing at the time services are rendered. We will pay Benefits up to the Allowable Charge for Covered Services rendered by an approved Non-Network Provider who has obtained any required Authorizations prior to services being rendered. We will deduct from Our payment the amount of the Plan Participant's cost sharing, whether or not the cost sharing is accepted by the Non-Network Provider.

An Authorization of Medical Necessity is not an approval of the use of a Non-Network Provider. These are two separate functions.

2. Penalties for Failure to Obtain Authorization – Admissions, Outpatient Services and Other Covered Services

If a required Authorization is not requested prior to Admission or receiving other Covered Services and supplies, We have the right to determine if the Admission or other Covered Services and supplies were Medically Necessary. If the Admission or other Covered Services and supplies were not Medically Necessary, the Admission or other Covered Services and supplies will not be covered and the Plan Participant must pay all charges incurred.

If the Admission or other Covered Services and supplies were Medically Necessary, Benefits will be provided based on the participating status of the Provider rendering the services, as follows:

a. Admissions

- (1) If a Network Provider or a Participating Provider fails to obtain the required Authorization, We will reduce Allowable Charges by the penalty stipulated in the Provider's contract with Us or with another Blue Cross and Blue Shield plan. The Network Provider or Participating Provider is responsible for all charges not covered. The Plan Participant remains responsible for any applicable cost sharing shown on the Schedule of Benefits.
- (2) If a Non-Participating Provider fails to obtain the required Authorization, We will reduce Allowable Charges by the penalty shown on the Schedule of Benefits. The Plan Participant is responsible for all charges not covered and for any applicable penalty and cost sharing shown on the Schedule of Benefits.

b. Outpatient Services, Including Other Covered Services and Supplies

- (1) If a Network Provider fails to obtain the required Authorization, We will reduce the Allowable Charges by the penalty stipulated in the Provider's contract. This penalty applies to all Outpatient services and supplies requiring an Authorization. The Network Provider is responsible for all charges not covered. The Plan Participant remains responsible for any applicable cost sharing shown on the Schedule of Benefits.
- (2) If a Non-Network Provider fails to obtain the required Authorization, the Plan Participant is responsible for all charges not covered and for any applicable cost sharing shown on the Schedule of Benefits.
- (3) If a service or supply was not Medically Necessary, the service or supply is not covered.
- (4) If a Provider fails to obtain Authorization for the Outpatient services and supplies which indicate no Benefit without written / prior Authorization on the prior Authorization list, the Outpatient services and supplies are not covered.

3. Authorization of Admissions

a. Authorization of Elective Admissions

The Plan Participant is responsible for ensuring that the Provider notifies Our care management department of any Elective or non-Emergency Inpatient Hospital Admission. We must be notified prior to the Admission regarding the nature and purpose of any Elective Admission or non-Emergency Admission to a Hospital's Inpatient department. To notify Us prior to the Admission, the Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number shown on the ID card, or follow the instructions in the Provider Manual, if available to the Provider or facility. The most appropriate setting for the elective service and the appropriate length of stay will be determined by Us when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If a request for Authorization is denied, the Admission is not covered and the Plan Participant must pay all charges incurred during the Admission for which Authorization was denied.
- (2) If Authorization is not requested prior to an Admission, We have the right to determine if the Admission was Medically Necessary. If an Admission was Medically Necessary, Benefits will be provided based on the participating status of the Provider.
- (3) Additional amounts for which the Plan Participant is responsible because Authorization of an Elective or non-Emergency Inpatient Hospital Admission was denied or not requested are considered non-covered and will not accrue to the Deductible Amount or Out-of-Pocket Amount.

b. Authorization of Emergency Admissions

It is the Plan Participant's responsibility to ensure that the Physician or Hospital, or a representative thereof, notifies Our care management department of all Emergency Admissions. Within forty-eight (48) hours of the Emergency Admission, We must be notified regarding the nature and purpose of the Emergency Admission. The facility or Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number shown on the ID card, or follow the instructions in the Provider Manual, if available to the Provider or facility. We may waive or extend this time limitation if We determine that the Plan Participant is unable to timely notify or direct a representative to notify Us of the Emergency Admission. In the event the end of the notification period falls on a holiday or weekend, We must be notified on the next working day. The appropriate length of stay for the Emergency Admission will be determined by Us when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If Authorization is denied by Us, the Admission will not be covered and the Plan Participant must pay all charges incurred during the Admission.
- (2) If Authorization is not requested, We have the right to determine if the Admission was Medically Necessary. If an Admission was Medically Necessary, Benefits will be provided based on the participating status of the Provider.
- (3) Additional amounts for which the Plan Participant is responsible because Authorization of an Emergency Admission was denied or not requested are considered non-covered and will not accrue to the Deductible Amount or Out-of-Pocket Amount.

c. Concurrent Review

When We Authorize a Plan Participant's Inpatient stay, We will Authorize the stay in the Hospital for a certain number of days. If the Plan Participant has not been discharged on or before the last Authorized day, and the Plan Participant needs additional days to be Authorized, the Plan Participant must make sure the Physician or Hospital contacts Us to request Concurrent Review for Authorization of additional days. This request for continued hospitalization must be made on or before the Plan Participant's last Authorized day so We can review and respond to the request that day. If We Authorize the request, We will again Authorize a certain number of days, repeating this procedure until the Plan Participant is either discharged or the Plan Participant's continued stay request is denied. To request Concurrent Review for Authorization of additional days, the Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number shown on the ID card, or follow the instructions in the Provider Manual, if available to the Provider or facility.

- (1) If We do not receive a request for Authorization for continued stay on or before the Plan Participant's last Authorized day, no days are approved past the last Authorized day, and no additional Benefits will be paid unless We receive and Authorize another request. If at any point in this Concurrent Review procedure a request for Authorization for continued stay is received and We determine that it is not Medically Necessary for the Plan Participant to receive continued hospitalization or hospitalization at the level of care requested, We will notify the Plan Participant and Providers, in writing, that the request is denied and no additional days are Authorized.
- (2) If We deny a Concurrent Review request or level of care request for Hospital Services, We will notify the Plan Participant, the Physician and the Hospital of the denial. If the Plan Participant elects to remain in the Hospital as an Inpatient thereafter, or at the same level of care, the Plan Participant will not be responsible for any charges unless the Plan Participant is notified of the financial responsibility by the Physician or Hospital in advance of incurring additional charges.
- (3) Charges for non-Authorized days in the Hospital that the Plan Participant must pay are considered non-covered and will not accrue to the Deductible Amount or Out-of-Pocket Amount.

4. Authorization of Outpatient Services, Including Other Covered Services and Supplies

Certain services, supplies, and Prescription Drugs require Our Authorization before a Plan Participant receives the services, supplies, or Prescription Drugs. The Authorizations list is shown on the Plan Participant's Schedule of Benefits. The Plan Participant is responsible for making sure the Provider obtains all required prior Authorizations before the services, supplies, or Prescription Drugs are received. We may need the Plan Participant's Provider to submit medical or clinical information about the Plan Participant's condition. To obtain prior Authorizations, the Plan Participant's Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number shown on the ID card, or follow the instructions in the Provider Manual, if available to the Provider or facility.

- a. If a request for Authorization is denied by Us, the Outpatient services and supplies are not covered.

If Authorization is not requested prior to receiving Outpatient services and supplies requiring Authorization, We have the right to determine if the services and supplies were Medically Necessary. If the services and supplies were Medically Necessary, Benefits will be provided based on the participating status of the Provider.
- d. Additional amounts for which the Plan Participant is responsible because Authorization of Outpatient services and supplies was denied or not requested are considered non-covered and will not accrue to the Deductible Amount or Out-of-Pocket Amount.

3. The Claims Administrator's determination that a particular Plan Participant's medical condition renders the Plan Participant a suitable candidate for Case Management services will not obligate the Claims Administrator to make the same or similar determination for any other Plan Participant. The provision of Case Management services to one Plan Participant will not entitle any other Plan Participant to Case Management services or be construed as a waiver of the Claims Administrator's right to administer and enforce this Benefit Plan in accordance with its express terms.

- d. Coverage for the Spouse or Dependent Child under this section will continue until the earliest of the following:
 - (1) Failure to pay the applicable premiums, contributions and surcharges timely;
 - (2) Thirty-six (36) months beyond the date coverage would have otherwise terminated;
 - (3) Entitlement to Medicare;
 - (4) Coverage under a group health plan; or
 - (5) The Employer ceases to provide any group health plan for its Employees/Retirees.

6. Disability COBRA

- a. If a Plan Participant is determined by the Social Security Administration or by the Plan Administrator or the Plan's COBRA Administrator's staff (in the case of a person who is ineligible for Social Security Disability benefits due to insufficient quarters of employment) to have been totally disabled on the date the Plan Participant became eligible for continued coverage or within the initial eighteen (18) months of continued coverage, coverage under this Plan may be extended at his/her own expense up to a maximum of twenty-nine (29) months from the date coverage would have otherwise terminated.
- b. To qualify for disability COBRA, the Plan Participant must:
 - (1) Submit a copy of his/her Social Security Administration's disability determination to the Plan Administrator or the Plan's COBRA Administrator, if applicable, before the initial eighteen (18) month continued coverage period expires and within sixty (60) days after the latest of:
 - (a) The date of issuance of the Social Security Administration's disability determination; or
 - (b) The date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the covered Employee's termination or reduction of hours.
 - (2) In the case of a person who is ineligible for Social Security disability benefits due to insufficient quarters of employment, submit proof of total disability to the Plan Administrator or the Plan's COBRA Administrator, if applicable, before the initial eighteen (18) month continued coverage period expires. The staff and medical director of the Plan Administrator or the Plan's COBRA Administrator, if applicable, will make the determination of total disability based upon medical evidence, not conclusions, presented by the applicant's Physicians, work history and other relevant evidence presented by the applicant.
- c. For purposes of eligibility for extended continued coverage under this section, total disability means the inability to do any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to last for a continuous period of twelve (12) months. To meet this definition one must have a severe impairment which makes one unable to do his/her previous work or any other substantial gainful activity which exists in the national economy, based upon a person's residual functional capacity, age, education, and work experience.
- d. Monthly payments for each month of extended disability COBRA coverage are due to the Plan Administrator or the Plan's COBRA Administrator, if applicable, on the first day of the month for that month's COBRA coverage. A grace period of thirty (30) days after the first day of the month will be provided for each monthly payment.
- e. Coverage under this section will continue until the earliest of the following:
 - (1) Failure to pay the applicable premiums, contributions and surcharges timely;
 - (2) Twenty-nine (29) months from the date coverage would have otherwise terminated;

- (3) Entitled to Medicare;
- (4) Coverage under a group health plan;
- (5) The Employer ceases to provide any group health plan for its Employees/Retirees; or
- (6) Thirty (30) days after the month in which the Social Security Administration determines that the covered person is no longer disabled. (The covered person must report the determination to the Plan Administrator and to the COBRA Administrator, if applicable, within thirty (30) days after the date of issuance by the Social Security Administration.) In the case of a person who is ineligible for Social Security disability benefits due to insufficient quarters of an employment, thirty (30) days after the month in which the Plan Administrator or the Plan's COBRA Administrator, if applicable, determines that the covered person is no longer disabled.

7. Medicare COBRA

- a. If an Employee becomes entitled to Medicare less than eighteen (18) months before the date the Employee's eligibility for Benefits under this Plan terminates, the period of continued coverage available for the Employee's covered Dependents will continue until the earliest of the following:
 - (1) Failure to pay the applicable premiums, contributions and surcharges timely;
 - (2) Thirty-six (36) months from the date of the Employee's Medicare entitlement;
 - (3) Entitlement to Medicare;
 - (4) Coverage under a group health plan; or
 - (5) The Employer ceases to provide any group health plan for its Employees/Retirees.
- b. Monthly payments for each month of COBRA coverage are due on the first day of the month for that month's COBRA coverage. A grace period of thirty (30) days after the first day of the month will be provided for each monthly payment.

8. Miscellaneous Provisions

During the period of continuation of coverage, Benefits will be identical to those provided to others enrolled in this Plan under its standard eligibility provisions for Plan Participants.

ARTICLE XVIII. COORDINATION OF BENEFITS

A. Applicability

This section applies when a Plan Participant has healthcare coverage under more than one Plan. Plan is defined below.

The Order of Benefit Determination Rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its terms of coverage without concern of the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed one hundred percent (100%) of the total Allowable Expense.

B. Definitions *(Applicable only to this Coordination of Benefits Article of this Benefit Plan)*

- 1. Allowable Expense – Healthcare services or expenses, including deductibles, coinsurance or copayments, that are covered in full or in part by any Plan covering a Plan Participant. The following are examples of services or expenses that are and are not Allowable Expenses.

- a. A healthcare service or expense or a portion of a service or expense that is not covered by any of the Plans covering a Plan Participant is not an Allowable Expense.
 - b. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid.
 - c. If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is not an Allowable Expense, unless one of the Plans provides coverage for private hospital room expenses.
 - d. If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology, any amount charged in excess of the highest reimbursement amount for a specified benefit is not an Allowable Expense.
 - e. If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, any amount in excess of the highest of the negotiated fees is not an Allowable Expense.
 - f. If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement will be the Allowable Expense for all Plans.
 - g. The amount of any benefit reduction by the Primary Plan because a covered person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of Plan provisions include second surgical opinions, prior authorization of admissions and preferred provider arrangements.
2. Closed Panel Plan – A plan that provides healthcare benefits to covered persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes benefits for services provided by other providers, except in cases of emergency or referral by a panel member.
 3. Coordination of Benefits or COB – A provision establishing an order in which Plans pay their claims and permitting Secondary Plans to reduce their benefits so that the combined benefits of all Plans do not exceed one hundred percent (100%) of the total Allowable Expenses. The COB provision applies to the part of the Benefit Plan providing healthcare Benefits which may be reduced because of the benefits of other Plans. Any other part of the Benefit Plan providing healthcare Benefits is separate from this Benefit Plan. This Benefit Plan may apply one COB provision to certain Benefits, such as dental Benefits, coordinating only with similar Benefits, and may apply another COB provision to coordinate other Benefits.
 4. Custodial Parent –
 - a. the parent awarded custody of a covered child by a court decree; or
 - b. in the absence of a court decree, the parent with whom the covered child resides more than one half of the calendar year without regard to any temporary visitation.
 5. Order of Benefit Determination Rules – Rules that determine whether this plan is a Primary Plan or Secondary Plan when a Plan Participant has healthcare coverage under more than one Plan. When this Benefit Plan is Primary, We determine payment for Benefits first before those of any other Plan and without considering any other Plan's benefits. When this Benefit Plan is Secondary, We determine Benefits after those of another Plan and may reduce the Benefits We pay so that all Plan benefits do not exceed one hundred percent (100%) of the total Allowable Expense.

6. Plan – Any of the following that provide benefits or services for medical or dental care or treatment. If separate Plans are used to provide coordinated coverage for members of a group, the separate Plans are considered parts of the same Plan and there is no COB among those separate Plans.

a. Plan includes:

- (1) group and non-group insurance contracts;
- (2) health maintenance organization (HMO) contracts;
- (3) group or group-type coverage through Closed Panel Plans or other forms of group or group-type coverage (whether insured or uninsured);
- (4) the medical care components of long-term care contracts, such as skilled nursing care;
- (5) the medical benefits in group or individual automobile no fault and traditional automobile or fault contracts; and
- (6) Medicare or any other governmental benefits, as permitted by law.

b. Plan does not include:

- (1) hospital indemnity coverage benefits or other fixed indemnity coverage;
- (2) accident only coverage;
- (3) specified disease or specified accident coverage;
- (4) limited benefit health coverage such as disability income, specified disease, vision;
- (5) school accident-type coverages with certain exceptions;
- (6) benefits for non-medical components of long-term care contracts;
- (7) Medicare supplement policies;
- (8) Medicaid plans; or
- (9) coverage under other government Plans, unless permitted by law.

Each contract for coverage under 6(a) or (b) above is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

7. Primary Plan – A Plan whose benefits for a covered person’s healthcare coverage must be determined without taking the existence of any other Plan into consideration.

8. Secondary Plan – A Plan that is not a Primary Plan and determines its benefits after the Primary Plan pays benefits.

C. Coordination of Benefits and Order of Benefit Determinations

1. When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

- a. The Primary Plan pays or provides its benefits according to its terms of coverage and without concern of the benefits under any other Plan.
- b. If the Primary Plan is a Closed Panel Plan and the Secondary Plan is not a Closed Panel Plan, the Secondary Plan will pay or provide benefits as if it were the Primary Plan when a covered

person uses a non-panel provider, except for emergency services or authorized referrals that are paid or provided by the Closed Panel Plan.

- c. When multiple contracts providing coordinated coverage are treated as a single Plan, then this section applies only to the Plan as a whole, and coordination among the component contracts is governed by the terms of the contracts. If more than one issuer pays or provides benefits under the Plan, the issuer designated as Primary within the Plan will be responsible for the Plan's compliance.
 - d. If a person is covered by more than one Secondary Plan, the Order of Benefit Determination decide the order in which Secondary Plans benefits are determined in relation to each other. Each Secondary Plan must take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan which has benefits determined before those of that Secondary Plan.
 - e. Except as provided in (f), below, a Plan that does not contain a Coordination of Benefits provision that is consistent with this section is always Primary unless the provisions of both Plans state that the complying Plan is Primary.
 - f. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and may provide that the supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
2. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is the Secondary Plan.
3. Order of Benefit Determination

Each Plan determines its order of benefits using the first of the following provisions that apply.

a. Non-Dependent or Dependent Provision

The Plan that covers the person other than as a dependent, for example, as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is Secondary to the Plan covering the person as a dependent; and Primary to the Plan covering the person as other than a dependent (e.g., a retired employee); then the order of benefits between the two Plans is reversed. The Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan covering the person as a dependent is the Primary Plan.

b. Dependent Child Covered Under More Than One Plan Provision

Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:

- (1) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - (a) The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
 - (b) If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.
- (2) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:

- (a) If a court decree states that one of the parents is responsible for the dependent child's healthcare expenses or healthcare coverage and the Plan of that parent has actual knowledge of those terms, that Plan is Primary. This provision applies to Plan years commencing after the Plan is given notice of the court decree;
 - (b) If a court decree states that both parents are responsible for the dependent child's healthcare expenses or healthcare coverage, the provisions of subparagraph (3)(b)(1) above will determine the order of benefits;
 - (c) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the healthcare expenses or healthcare coverage of the dependent child, the provisions of subparagraph (3)(b)(1) above will determine the order of benefits; or
 - (d) If there is no court decree allocating responsibility for the dependent child's healthcare expenses or healthcare coverage, the order of benefits for the child are as follows:
 - (i) The Plan covering the Custodial Parent;
 - (ii) The Plan covering the spouse of the Custodial Parent;
 - (iii) The Plan covering the non-Custodial Parent; and then
 - (iv) The Plan covering the spouse of the non-Custodial Parent.
- (3) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of subparagraphs (3)(b)(1) or (3)(b)(2) above shall determine the order of benefits as if those individuals were the parents of the child.
- (4) For a dependent child covered under the spouse's Plan:
- (a) For a dependent child who has coverage under either or both parents' Plans and also has his or her own coverage as a dependent under a spouse's Plan, the Longer or Shorter Length of Coverage Provision, below, applies.
 - (b) In the event the dependent child's coverage under the spouse's Plan began on the same date as the dependent child's coverage under either or both parents' Plans, the order of benefits will be determined by applying the birthday provision above in subparagraph (3)(b)(1) to the child's parent(s) and the spouse.

c. Active Employee or Retired or Laid-off Employee Provision

The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid off employee is the Secondary Plan. The same would hold true if a covered person is a dependent of an active employee and that same person is a dependent of a retired or laid off employee. If the other Plan does not have this provision, and as a result the Plans do not agree on the order of benefits, this provision is ignored. This provision does not apply if the Non-Dependent or Dependent Provision above can determine the order of benefits.

d. COBRA or State Continuation Coverage Provision

If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this provision, and as a result, the Plans do not agree on the order of benefits, this provision is ignored. This

provision does not apply if the Non-Dependent or Dependent Provision above can determine the order of benefits.

e. Longer or Shorter Length of Coverage Provision

The Plan that covered the person as an employee, member, policyholder, subscriber or retiree for a longer period of time is the Primary Plan and the Plan that covered the person for the shorter period of time is the Secondary Plan.

f. Fall-Back Provision

If none of the preceding provisions determines the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In any event, this Benefit Plan will never pay more than We would have paid had We been the Primary Plan.

D. Effects on the Benefits of This Benefit Plan

1. When this Benefit Plan is Secondary, We may reduce Benefits so that the total Benefits paid or provided by all Plans during a Plan Year are not more than one hundred percent (100%) of the total Allowable Expenses. In determining the amount to be paid for any Claim, as the Secondary Plan, We will calculate the Benefits We would have paid in the absence of other healthcare coverage and apply that calculated amount to any Allowable Expense under Our Benefit Plan that is unpaid by the Primary Plan. As the Secondary Plan, We may then reduce Our payment by the amount so that, when combined with the amount paid by the Primary Plan, the total Benefits paid or provided by all Plans for the Claim do not exceed the total Allowable Expense for that Claim. In addition, as the Secondary Plan, We will credit to the Deductible Amount any amounts We would have credited to the Deductible Amount in the absence of other healthcare coverage. In any event, this Benefit Plan will never pay more than We would have paid had We been the Primary Plan.
2. If a covered person is enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed Panel Plan, COB will not apply between that Plan and other Closed Panel Plans.

E. Summary

This is a summary of only a few of the provisions of Your Benefit Plan to help You understand Coordination of Benefits, which can be very complicated. This is not a complete description of all of the coordination rules and procedures, and does not change or replace the language above, which determines Your Benefits.

1. Double Coverage

It is common for family members to be covered by more than one healthcare Plan. This happens, for example, when a husband and wife both work and choose to have family coverage through both employers. When You are covered by more than one healthcare Plan, Your Plans follow a procedure called Coordination of Benefits to determine how much each Plan should pay when You have a claim. The goal is to make sure that the combined payments of all Plans do not add up to more than Your covered healthcare expenses. Coordination of Benefits is complicated and covers a wide variety of circumstances. This is only an outline of some of the most common ones.

2. Primary or Secondary

You will be asked to identify all the Plans that cover members of Your family. We need this information to determine whether We are the Primary or Secondary benefit payer. The Primary Plan always pays first when You have a claim. Any Plan that does not contain COB rules will always be Primary.

3. When this Benefit Plan is Primary

If You or a family member are covered under another Plan in addition to this one, We will be Primary when:

- a. The Claim is for Your own healthcare expenses, unless You are covered by Medicare and both You and Your Spouse are retired;
- b. The Claim is for Your Spouse's healthcare expenses, who is covered by Medicare, and You are not both retired;
- c. The Claim is for the healthcare expenses of Your Dependent child who is covered by this Benefit Plan and:
 - (1) You are married and Your birthday is earlier in the year than Your Spouse's or You are living with another individual, regardless of whether or not You have ever been married to that individual, and Your birthday is earlier than that other individual's birthday. This is known as the birthday provision;
 - (2) You are separated or divorced and You have informed Us of a court decree that makes You responsible for Your Dependent child's healthcare expenses; or
 - (3) There is no court decree, but You have custody of Your Dependent child.

4. Other Situations

- a. We will be Primary when any other provisions of state or federal law require Us to be. When We are the Primary Plan, We will pay the Benefits in accordance with the terms of Your Benefit Plan, just as if You had no other healthcare coverage under any other Plan.
- b. We will be Secondary whenever the rules do not require Us to be Primary. When We are the Secondary Plan, We do not pay until after the Primary Plan has paid its benefits. We will then pay part, or all of the Allowable Expenses left unpaid, as explained below. An Allowable Expense is a healthcare service or expense covered by one of the Plans, including Copayments, Coinsurance and Deductible Amounts.
 - (1) If there is a difference between the amount the Plans allow, We will base Our payment on the higher amount. However, if the Primary Plan has a contract with the provider, Our combined payments will not be more than the provider contract calls for. Health maintenance organizations and preferred provider organizations usually have contracts with their providers.
 - (2) We will determine Our payment by subtracting the amount the Primary Plan paid from the amount We would have paid if We had been Primary. We will use any savings to pay the balance of any unpaid Allowable Expenses covered by either Plan.
 - (3) We will not pay an amount the Primary Plan did not cover because You did not follow its rules and procedures. For example, if the Plan has reduced its benefit because You did not obtain prior authorization, as required by that Plan, We will not pay the amount of the reduction, because it is not an Allowable Expense.

F. Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts We need. We may get needed facts from or give them to any other organization or person for the purpose of determining COB. We need not tell, or get the consent of, any person to do this. Each person claiming Benefits under this Benefit Plan must give Us any facts We need to pay the Claim.

G. Facility of Payment

A payment made under another Plan may include an amount that should have been paid under this Benefit Plan. We may pay that amount to the organization that made the payment. That amount will then be treated as though it were a Benefit paid under this Benefit Plan. To the extent such payments are made, they discharge Us from further liability. The term payment made includes providing Benefits in the form of services,

in which case the payment made will be the reasonable cash value of any Benefits provided in the form of services.

H. Right of Recovery

If the amount of the payments that We made is more than We should have paid under this COB section, We may recover the excess from one or more of:

1. the persons We have paid or for whom We have paid;
2. insurance companies; or
3. other organizations.

The amount of the payments made includes the reasonable cash value of any Benefits provided in the form of services. If the excess amount is not received when requested, any Benefits due under this Benefit Plan will be reduced by the amount to be recovered until such amount has been satisfied.

ARTICLE XIX. GENERAL PROVISIONS – GROUP AND PLAN PARTICIPANTS

THE FOLLOWING GENERAL PROVISIONS ARE APPLICABLE TO THE GROUP AND ALL PLAN PARTICIPANTS. THE GROUP IS THE PLAN SPONSOR FOR THIS PLAN.

A. The Benefit Plan

1. To the extent that this Benefit Plan may be an employee welfare benefit plan as defined in the Employee Retirement Income Security Act of 1974 (ERISA), as amended, St. Tammany Parish School Board is the Plan Sponsor of such employee welfare benefit plan and will be solely responsible for meeting any obligations imposed by law or regulation on the administrator of the Plan, except those specifically undertaken by the Claims Administrator herein. To the extent this Benefit Plan provides Benefits for the treatment of certain injuries, exclusions to those covered Benefits do not apply to an extent inconsistent with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), as amended. Benefits are available to Plan Participants for illness or bodily injury otherwise covered under this Benefit Plan when the illness or bodily injury arises out of an act of domestic violence or a medical condition, including both physical and mental health conditions; or for Emergency Medical Services. To the extent this Benefit Plan is subject to COBRA, the Group, or its contracted designee, will be the administrator for the purposes of COBRA. The Group is responsible for establishing and following all required COBRA procedures that may be applicable to the Group. The Group will indemnify and hold the Claims Administrator harmless in the event the Claims Administrator incurs any liability as a result of the Group's failure to do so.
2. The Benefit Plan will not impose eligibility rules or variations in Employee contributions or fees based on a Plan Participant's health status or a health status-related factor.
3. St. Tammany Parish School Board shall administer the Benefit Plan in accordance with its terms and established policies, interpretations, practices and procedures. It is the express intent of this Benefit Plan that St. Tammany Parish School Board shall have maximum legal discretionary authority to construe and interpret the terms and provisions of the Plan, to make determinations regarding issues which relate to eligibility for Benefits, to make determinations on the termination of coverage for its Employees and Dependents, to decide disputes which may arise relative to a Plan Participant's rights, and to decide questions of Plan interpretation and those of fact relating to the Plan. The decisions of St. Tammany Parish School Board will be final and binding on all interested parties.
4. The Claims Administrator will not be liable for or on account of any fault, act, omission, negligence, misfeasance, malfeasance or malpractice on the part of any Hospital or other institution, or any agent or employee thereof, or on the part of any Physician, Allied Provider, nurse, technician or other person participating in or having to do with a Plan Participant's care or treatment.

5. The Claims Administrator shall have the right to enter into any contractual agreements with subcontractors, healthcare Providers, or other third-parties relative to this Benefit Plan. Any of the functions to be performed by the Claims Administrator under this Plan may be performed by the Claims Administrator or any of their subsidiaries, affiliates, subcontractors, or designees.
6. Except as specifically provided herein, this Benefit Plan will not make the Claims Administrator liable or responsible for any duty or obligation that is imposed on the Employer by federal or state law or regulations.

B. Amending and Terminating the Plan

The Employer intends to maintain this Plan indefinitely; however, it reserves its right, at any time, to amend, suspend or terminate the Plan in whole or in part. This includes amending the Benefits under the Plan or the trust agreement, if any.

C. Identification Cards and Benefit Plans

The Claims Administrator will prepare an identification (ID) card for each covered Employee. The Claims Administrator will issue a Benefit Plan to the Group and print a sufficient number of copies of this Benefit Plan for the Group's covered Employees. At the direction of the Group, the Claims Administrator will either deliver all materials to the Group for the Group's distribution to the covered Employees, or the Claims Administrator will deliver the materials directly to each covered Employee. Unless otherwise agreed between the Group and the Claims Administrator, the Group has the sole responsibility for distributing all such documents to covered Employees.

D. Benefits to Which Plan Participants are Entitled

1. The liability of the Group is limited to the Benefits specified in this Benefit Plan. If the Benefit Plan is terminated, the rights of the Plan Participants are limited to expenses incurred before termination.
2. Benefits for Covered Services specified in this Benefit Plan will be provided only for services and supplies rendered on and after the Plan Participant's Effective Date by a Provider specified in this Benefit Plan and regularly included in such Provider's charges.
3. Continuity of healthcare services.
 - a. Upon the termination of a contractual agreement with a Provider, notification of the removal of the Provider from the Preferred Care PPO Network will be given to any Plan Participant who has begun a course of treatment by the Provider.
 - b. A Plan Participant who is a continuing care patient has the right to continuity of care until the earlier of the completion of the course of treatment or ninety (90) days after the Plan Participant is notified that the Provider has left the Preferred Care PPO Network.
 - c. A continuing care patient is one who is:
 - (1) Undergoing a course of treatment for a Serious and Complex Condition;
 - (2) Undergoing a course of institutional or Inpatient care;
 - (3) Scheduled to undergo nonelective Surgery from the Provider, including receipt of postoperative care;
 - (4) Pregnant and undergoing a course of treatment for the pregnancy; or
 - (5) Terminally ill, which means the medical prognosis is a life expectancy of six (6) months or less, and receiving treatment for the terminal illness from the Provider.

- d. The provisions of continuity of care shall not be applicable if any one of the following occurs:
 - (1) The reason for the termination of a Provider's contractual agreement is a result of documented reasons relative to quality of care, or the suspension, revocation or applicable restriction of the license to practice in Louisiana by the Louisiana State Board of Medical Examiners.
 - (2) The reason for the termination of a Provider's contractual agreement is a result of fraud.
 - (3) The Plan Participant voluntarily chooses to change Providers.
 - (4) The Plan Participant relocates to a location outside of the geographic service area of the Provider or the Preferred Care PPO Network.
 - (5) The Plan Participant's condition does not meet the requirements to be deemed a Serious and Complex Condition.

E. Retroactive Cancellation of Coverage

1. The Plan Administrator may retroactively cancel coverage in the following instances:
 - a. To the extent the cancellation of coverage is attributable to a failure of the Plan Participant to timely pay required premiums, contributions and surcharges toward the cost of coverage; or
 - b. The cancellation of coverage is initiated by the Plan Participant.
2. When the Plan Administrator retroactively cancels coverage, the Plan Participant shall be liable to the Plan Administrator for all Benefits paid on behalf of the Plan Participant after the effective date of Rescission or cancellation of coverage.

F. Termination of Coverage

Subject to continuation of coverage and COBRA rules, all Benefits of a Plan Participant will terminate under this Plan on the earliest of the following dates:

1. The date the Plan terminates;
2. The date the Employer terminates or withdraws from the Plan;
3. The date contribution is due if the Group fails to pay the required contribution;
4. The date contribution is due if the Plan Participant fails to make any contribution which is required for the continuation of coverage;
5. The last day of the month of the Plan Participant's death; or
6. The last day of the month in which the Plan Participant ceases to be eligible as a Plan Participant.

G. Filing Claims

1. All Claims must be filed within ninety (90) days from the date services were rendered, unless it is not reasonably possible to do so. In no event may any Claim be filed later than fifteen (15) months from the date services were rendered.

H. Applicable Law

This Plan will be governed and construed in accordance with the laws and regulations of the State of Louisiana except when preempted by federal law. This Plan is not subject to regulation by any state other than the State of Louisiana. If any provision of this Benefit Plan is in conflict with **any applicable** statutes or regulations of

the United States of America or the State of Louisiana, the provision is automatically amended to meet the minimum requirements of the statute or regulation. Any legal action filed against the Plan must be filed in the appropriate court in the State of Louisiana.

I. Legal Action

1. No lawsuit related to a Claim may be filed any later than twelve (12) months after the Claims are required to be filed.
2. Any and all lawsuits, other than those related to Claims as stated above, must be brought within one (1) year of the end of the Benefit Period.

J. Release of Information

The Claims Administrator may request that the Plan Participant or the Provider furnish certain information relating to the Plan Participant's Claim for Benefits. The Claims Administrator will hold such information, records, or copies of records as confidential except where in the Claims Administrator's discretion the same should be disclosed.

K. Assignment

1. A Plan Participant's rights and Benefits under this Plan are personal to the Plan Participant and may not be assigned in whole or in part by the Plan Participant. The Claims Administrator will recognize assignments of Benefits to Hospitals if both this Plan and the Provider are subject to La. R.S. 40:2010. If both this Plan and the Provider are not subject to La. R.S. 40:2010, the Claims Administrator will not recognize assignments or attempted assignments of Benefits. Nothing contained in the written description of health coverage shall be construed to make the Plan or the Claims Administrator liable to any third-party to whom a Plan Participant may be liable for the cost of medical care, treatment, or services.
2. The Plan reserves the right to pay Network Providers and Participating Providers directly instead of paying the Plan Participant.

L. Plan Participant/Provider Relationship

1. The choice of a Provider is solely the Plan Participant's.
2. The Claims Administrator and all Network Providers are to each other independent contractors, and will not be considered to be agents, representatives, or employees of each other for any purpose whatsoever. The Claims Administrator does not render Covered Services, but only makes payment, on behalf of the Plan, for Covered Services for which the Plan Participant receives. Neither the Plan nor the Claims Administrator will be held liable for any act or omission of any Provider, or for any Claim or demand on account of damages arising out of, or in any manner connected with, any injuries suffered by the Plan Participant while receiving care from any Network Provider or in any Network Provider's facilities. The Plan and the Claims Administrator have no responsibility for a Provider's failure or refusal to render Covered Services to the Plan Participant.
3. The use or non-use of an adjective such as Network, Participating, and Non-Participating in referring to any Provider is not a statement as to the ability of the Provider.

M. This Benefit Plan and Medicare

1. For Employers having twenty (20) or more active Employees, federal law and regulations require that each active Employee age sixty-five (65) or older, and each active Employee's Spouse age sixty-five (65) or older, may elect to have coverage under this Plan or under Medicare.
 - a. Where such Employee or such Spouse elects coverage under this Plan, this Plan will be the primary payor of Benefits with the Medicare program the secondary payor.

- b. This Plan will not provide Benefits to supplement Medicare payments for Medicare eligible expenses for an active Employee age sixty-five (65) or older or for a Spouse age sixty-five (65) or older of an active Employee where such Employee or such Spouse elects to have the Medicare program as the primary payor.
2. When a retiree becomes eligible for Medicare, they must elect coverage under a group-sponsored Medicare Advantage Plan.
3. Under federal law, if an active employee under age sixty-five (65) or an active employee's dependent under age sixty-five (65) is covered under a group benefit plan of an employer with one hundred (100) or more employees and also has coverage under the Medicare program by reason of Social Security disability, the group benefit plan is the primary payor and Medicare is the secondary payor.
4. For persons under age sixty-five (65) who are covered under this Plan and who also have coverage under the Medicare program solely by reason of end-stage renal disease, the Medicare program will be the primary payor and this Plan the secondary payor, except that during the first thirty (30) month period that such persons are eligible for Medicare benefits solely by reason of end-stage renal disease, this Plan will be the primary payor and Medicare the secondary payor.
5. When this Plan is the primary payor, it will provide regular Benefits for Covered Services.

When this Plan is the secondary payor, it will provide Benefits based on the lesser of: the Medicare approved amount or the Claims Administrator's Allowable Charge. When an Allied Provider or Physician is not required by Medicare to accept the Medicare approved amount as payment in full, the Plan will base Benefits on the lesser of: the Medicare approved amount plus Medicare's limiting charge, if applicable, or the Claims Administrator's Allowable Charge.

N. Notice

Any notice required under this Plan must be in writing. Any notice required to be given to a Plan Participant will be considered delivered when deposited in the United States Mail, postage prepaid, addressed to the Plan Participant at the same address that appears on the Claims Administrator's records. A Plan Participant must provide any required notice to the address that appears in this Benefit Plan for the Group. The Group, the Claims Administrator, or a Plan Participant may, by written notice, indicate a new address for giving notice.

O. Job-Related Injury or Illness

The Group must report to the appropriate federal or state governmental agency any job-related injury or illness of a Plan Participant where so required under the provisions of any federal or state laws and/or related programs. This Plan, with any described exceptions, excludes Benefits for any services rendered as a result of occupational disease or injury compensable under any federal or state Workers' Compensation laws and/or any related programs including, but not limited to, the Jones Act, Federal Employers Liability Act, Federal Employees Compensation Act, Longshore and Harbor Workers' Compensation Act, Black Lung Benefits Act, Energy Employees Occupational Illness Compensation Program, and Title 23 of the Louisiana Revised Statutes whether or not coverage under such laws or programs is actually in force. In the event a compensation carrier or employer makes any type of settlement with the Employee, or with any person entitled to receive settlement where the Employee dies, as a result of any occupational disease or injury compensable under any Workers' Compensation law subject to the provisions of La. R.S. 23:1205(C), then this Plan, with certain described exceptions, excludes Benefits for any services covered in whole or in part by Workers' Compensation laws and/or rendered as a result of occupational disease or injury, subject to the provisions of La. R.S. 23:1205(C). In the event Benefits are initially extended by the Plan and a compensation carrier, employer, governmental agency or program, insurer, or any other entity makes any type of settlement with the Plan Participant, with any person entitled to receive settlement where the Plan Participant dies, or if the Plan Participant's injury or illness is found to be compensable under federal or state Workers' Compensation laws or programs, the Plan Participant must reimburse the Plan for Benefits extended or direct the compensation carrier, employer, governmental agency or program, insurer, or any other entity to make such reimbursement. The Group will be entitled to such reimbursement even if the settlement does not mention or excludes payment for healthcare expenses.

P. Subrogation

1. To the extent that Benefits for Covered Services are provided or paid under this Benefit Plan, the Group will be subrogated and will succeed to the Plan Participant's right for the recovery of the amount paid under this Benefit Plan against any person, organization or other carrier even where such carrier provides benefits directly to a Plan Participant who is its insured. The acceptance of such Benefits hereunder will constitute acknowledgment of such subrogation rights.
2. The Plan Participant will reimburse the Plan all amounts recovered by suit, settlement, or otherwise from any third-party or the Plan Participant's insurer to the extent of the Benefits provided or paid under this Plan. The Plan's right to reimbursement comes first even if the Plan Participant is not paid for all of the Plan Participant's Claim for damages against the other person or organization or even if the payment the Plan Participant receives is for, or is described as for, the Plan Participant's damages other than healthcare expenses, or if the Plan Participant recovering the money is a minor. All costs that the Plan Participant incurs (including attorney fees) in exercising any right of recovery will be the Plan Participant's responsibility. Amounts that the Plan paid for which a third-party or insurer is responsible will not be reduced by the amount of the Plan Participant's costs. The Plan Participant shall hold in trust for the account of the Plan all amounts recovered, up to the total amount of Benefits paid. The Group appoints the Plan Participant as its representative for such limited purpose only.
3. The Plan Participant will take such action, furnish such information and assistance, and execute such papers as the Plan may be required to facilitate enforcement of the Plan's rights, and will take no action prejudicing the Plan's rights and interest under this Plan. The Plan and its designees have the right to obtain and review the Plan Participant's medical and billing records, if the Plan or its designee determines in their sole discretion, that such records would be helpful in pursuing its right of subrogation and/or reimbursement. Nothing contained in this provision will be deemed to change, modify or vary the terms of the Coordination of Benefits Article of this Benefit Plan.
4. The Plan Participant is required to notify the Plan of any Accidental Injury.

Q. Right of Recovery

Whenever any payment for Covered Services has been made by the Plan, in an amount that exceeds the maximum Benefits available for such services under this Benefit Plan or exceeds the Allowable Charge, or whenever payment has been made in error by the Plan for non-Covered Services, the Plan will have the right to recover such payment from the Plan Participant or, if applicable, the Provider. As an alternative, the Plan reserves the right to deduct from any pending Claim for payment under this Benefit Plan any amounts the Plan Participant or Provider owes the Plan.

R. Coverage in a Department of Veterans Affairs or Military Hospital

In any case in which a veteran is furnished care or services by the Department of Veterans Affairs for a non-service-connected disability, the United States will have the right to recover or collect the reasonable cost of such care or services from the Plan to the extent the veteran would be eligible for Benefits for such care or services from the Plan if the care or services had not been furnished by a department or agency of the United States. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance.

The United States will have the right to collect from the Plan the reasonable cost of healthcare services incurred by the United States on behalf of a military retiree or a military dependent through a facility of the United States military to the extent that the retiree or dependent would be eligible to receive reimbursement or indemnification from the Plan if the retiree or dependent were to incur such cost. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance.

S. Liability of Plan Affiliates

The Plan Administrator, on behalf of itself and its participants, hereby expressly acknowledges its understanding that Blue Cross and Blue Shield of Louisiana is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue

Shield Plans, the Association, permitting Blue Cross and Blue Shield of Louisiana and its subsidiaries and affiliates (collectively Blue Cross and Blue Shield of Louisiana) to use the Blue Cross and Blue Shield Service Marks in the State of Louisiana, and that Blue Cross and Blue Shield of Louisiana is not contracting as the agent of the Association. The Plan Administrator, on behalf of itself and its participants, further acknowledges and agrees that it has not entered into this Benefit Plan based upon representations by any person other than Blue Cross and Blue Shield of Louisiana and that no person, entity, or organization other than Blue Cross and Blue Shield of Louisiana shall be held accountable or liable to the Plan Administrator for any of Blue Cross and Blue Shield of Louisiana's obligations to the Plan. This paragraph shall not create any additional obligations whatsoever on the part of Blue Cross and Blue Shield of Louisiana other than those obligations created under other provisions of the administrative services only agreement.

T. Out-of-Area Services

The Claims Administrator has a variety of relationships with other Blue Cross and/or Blue Shield plans and their Licensed Controlled Affiliates (Licensees). Generally, these relationships are called Inter-Plan Arrangements. These Inter-Plan Arrangements work based on rules and procedures that the Blue Cross and Blue Shield Association issues. Whenever Plan Participants obtain healthcare services outside the geographic area Blue Cross and Blue Shield of Louisiana serves, the Claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When Plan Participants receive care outside of the Blue Cross and Blue Shield of Louisiana service area, Plan Participants will receive it from one of two kinds of Providers: either Participating or Non-Participating Providers. Most Participating Providers contract with the local Blue Cross or Blue Shield Licensee in that geographic area (Host Blue). Non-Participating Providers do not contract with the Host Blue. We explain below how We pay both kinds of Providers.

Inter-Plan Arrangements Eligibility – Claim Types

All Claim types are eligible to be processed through Inter-Plan Arrangements except for all dental care Benefits (except when paid as medical Benefits), and those Prescription Drug Benefits or vision care Benefits that may be administered by a third-party contracted by Us to provide the specific service or services.

1. BlueCard® Program

Under the BlueCard® Program, when Plan Participants receive Covered Services in the geographic area that a Host Blue serves, the Claims Administrator will remain responsible for doing what We agreed to do in the contract. But the Host Blue must contract with and generally handle all interactions with its Participating Providers.

When Plan Participants receive Covered Services outside Our service area and the Claim is processed through the BlueCard® Program, the amount Plan Participants pay for Covered Services is calculated based on one of the following, as determined by Us:

- a. the billed charges for Your Covered Services;
- b. the negotiated price that the Host Blue makes available to the Claims Administrator; or
- c. an amount determined by applicable law.

Often, this negotiated price will be a simple discount that reflects an actual price that the Host Blue pays to the healthcare Provider. Sometimes, it is an estimated price that takes into account special arrangements with the healthcare Provider or Provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for overestimation or underestimation of past pricing of Claims, as noted above. Those adjustments will not affect the price the Claims Administrator used for Your Claim because We will not apply them after a Claim has already been paid.

2. Special Case: Value-Based Programs

a. BlueCard® Program

Under a Value-Based Program, if the Plan Participant receives Covered Services in a Host Blue's service area, You will not have to pay any of the Provider Incentives, risk-sharing, or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to the Claims Administrator through average pricing or fee schedule adjustments.

b. Negotiated (non-BlueCard® Program) Arrangements

If We have a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to the Group on Your behalf, We will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as for the BlueCard® Program.

3. Inter-Plan Programs: Federal and State Taxes and Surcharges or Fees

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to self-funded accounts. If it applies, the Claims Administrator will include any such surcharge, tax or other fee as part of the Claim charge passed on to You.

4. Non-Participating Providers Outside the Blue Cross and Blue Shield of Louisiana Service Area

a. Plan Participant Liability Calculation

When Covered Services are provided outside of the Blue Cross and Blue Shield of Louisiana service area by Non-Participating Providers, We will normally base the amount You pay on either the Host Blue's Non-Participating Provider local payment or the pricing arrangements that state law requires. In these situations, You may have to pay the difference between the amount that the Non-Participating Provider bills and how much the Claims Administrator pays for the Covered Services as stated in this paragraph. Federal or state law may govern payments for Non-Network Emergency Medical Services.

b. Exceptions

In certain situations, the Claims Administrator may use other payment methods, such as billed charges for Covered Services, to determine the payment We would make if the healthcare services had been obtained within the Blue Cross and Blue Shield of Louisiana service area, or a special negotiated payment to determine the amount We will pay for services from Non-Participating Providers. In these situations, You may have to pay the difference between the amount that the Non-Participating Provider bills and the payment We will make for the Covered Services as stated in the Plan.

5. Blue Cross Blue Shield Global® Core

If You are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (Blue Card® service area), You may be able to take advantage of the Blue Cross Blue Shield Global® Core for Covered Services. The Blue Cross Blue Shield Global® Core is unlike the BlueCard® Program in certain ways. For instance, although the Blue Cross Blue Shield Global® Core helps You access a network of Inpatient, Outpatient and professional Providers, Host Blue does not serve the network. When You go to Providers outside the BlueCard® service area, You will typically have to pay the Providers and submit the Claims Yourself.

For medical assistance services (including locating a doctor or Hospital) outside the BlueCard® service area, call:

Blue Cross Blue Shield Global® Core service center
24 hours a day, 7 days a week
1-800-810-BLUE
1-800-810-2583,

or call collect:

1-804-673-1177

Working with a medical professional, an assistance coordinator will arrange a Physician appointment or hospitalization, if necessary.

a. Inpatient Services

In most cases, if You contact the Blue Cross Blue Shield Global® Core service center for help and the Provider agrees to accept a guaranteed payment, Hospitals will not require You to pay for covered Inpatient services, except for Your Deductible Amount and Coinsurance. The Hospital will submit Your Claims to the Blue Cross Blue Shield Global® Core service center. But, if the Provider does not agree to a guaranteed payment or You otherwise paid in full when You received services, You must submit a Claim to be reimbursed. You must contact the Claims Administrator for Authorization for non-Emergency Inpatient services, as explained in the Care Management Article and meet other requirements in Your Plan for services to be provided, including, but not limited to, receiving only Medically Necessary services.

b. Outpatient Services

If You go to Physicians, Urgent Care Centers and other Outpatient Providers outside the BlueCard® service area, typically You must pay in full when You receive a service. To be reimbursed, You must submit a Claim.

c. Exceptions

In situations where the Blue Cross Blue Shield Global® Core service center is unable to obtain a guaranteed payment for a Global® Core claim, We may use other payment methods to figure the payment We will make for the healthcare services that were delivered outside Our service area. Those other payment methods include, but are not limited to, billed charges for Covered Services, the payment We would make if the healthcare services had been obtained within Our service area, or a special negotiated payment to determine the amount We will pay for services from Non-Participating Providers. In these situations, You need to comply with the requirements of Your Benefit Plan and You may have to pay the difference between the amount that the Provider bills and the payment We will make for the Covered Services.

d. Submitting a Blue Cross Blue Shield Global® Core Claim

When You pay for Covered Services outside the BlueCard® service area, You must submit a Claim to be reimbursed. For institutional and professional Claims, fill out a Blue Cross Blue Shield Global® Core Claim form. Send the form with the Provider's itemized bills to the Blue Cross Blue Shield Global® Core service center at the address on the form.

Make sure to follow the instructions on the form. For a copy of the form, contact Us or the Blue Cross Blue Shield Global® Core service center, or go to www.bcbsglobalcore.com.

For help submitting Your Claim, call:

Blue Cross Blue Shield Global® Core service center
24 hours a day, 7 days a week
1-800-810-BLUE
1-800-810-2583,

or call collect:

U. Certificates of Creditable Coverage

The Claims Administrator will issue a certificate of Creditable Coverage or similar document to a Plan Participant, if requested within twenty-four (24) months after coverage under this Benefit Plan ceases.

V. Continued Coverage During a Leave of Absence

1. Family Medical Leave

The Family Medical Leave Act (FMLA) allows eligible Employees to take up to twelve (12) weeks of unpaid FMLA leave in a twelve (12) month period for the following reasons:

- a. a serious health condition that makes You unable to perform Your job;
- b. to care for a seriously ill dependent child, spouse or parent; or
- c. for the birth, placement for adoption or foster care of a child.

A serious health condition is an illness, injury, impairment, or physical/mental condition involving either Inpatient care or continuing treatment by a Provider. Leave may be taken intermittently or on a reduced schedule only if Medically Necessary. If leave is taken on an intermittent basis, the arrangement must be agreed to in advance by the Employee and the Group. Certification of a serious health condition must be provided in writing to the Group. To be eligible for FMLA, an Employee must have completed twelve (12) months of employment and have worked at least one thousand two hundred fifty (1,250) hours during the twelve (12) month period preceding the leave requested.

The Plan will continue coverage for the Employee during any leave of absence the Group is required to provide by applicable federal or state law, including FMLA, the Americans with Disabilities Act or Pregnancy Discrimination Act, and any amendments or successor provisions, as long as eligibility criteria under the laws continue to be met. If the Employee's coverage is terminated during a leave under the FMLA, upon return to active full-time employment, the Employee is entitled to re-enroll for coverage. If the Employee is not restored to active full-time employment by the end of the leave of absence period, the Employee will cease to be eligible and coverage for the Employee and any Dependents will terminate at the end of the billing period in which the leave of absence period expires, or as otherwise described in the Termination of Coverage section.

2. Disability Leave

When an Employee is not actively at work due to a health condition, the Plan will maintain coverage for the Employee and any Dependents, as long as the Employee remains a bona fide Employee of the Group and required contributions are paid. If the Group terminates the Employee's employment, the Employee will cease to be eligible and coverage for the Employee and any Dependents will terminate as described in the Termination of Coverage section.

3. Other Employer-Approved Leave of Absence

When an Employee has been granted a documented, approved leave of absence by the Employer, the Plan will maintain coverage for the Employee and any covered Dependents for a period not to exceed twelve (12) months. The Employee must remain a bona fide Employee of the Group during the approved leave period. The Employer will provide the Claims Administrator with proof of the documented leave, upon request. If the Employer terminates the Employee's employment, the Employee will cease to be eligible and coverage for the Employee and any Dependents will terminate as described in the Termination of Coverage section.

ARTICLE XX. COMPLAINT, GRIEVANCE AND APPEAL PROCEDURES

The Claims Administrator wants to know when a Plan Participant is dissatisfied about the care or services they receive from the Claims Administrator or one of its Providers. Plan Participants may register a Complaint or file a formal written Grievance about the Claims Administrator or a Provider by following the procedures outlined below.

The Plan considers a written Appeal as the Plan Participant's request to change an Adverse Benefit Determination made by the Claims Administrator. An Appeal is defined as a request from a Plan Participant or their authorized representative to change a previous decision made by the Claims Administrator about Covered Services. Examples of issues that qualify as Appeals include denied Authorizations, Claims denied based on adverse determinations of Medical Necessity, or other Adverse Benefit Determinations. Adverse Benefit Determinations include denials of and reduction in Benefit payments.

Appeal rights for Plan Participants are outlined below, after the Complaint, Grievance and Informal Reconsideration Procedures. In addition to the Appeal rights, the Plan Participant's Provider is given an opportunity to speak with a Medical Director for an Informal Reconsideration of the Claims Administrator's coverage decisions when the coverage decision concerns Medical Necessity or Investigational determinations.

An expedited Appeal process is available for situations where the time frame of the standard medical Appeal would seriously jeopardize the life or health of a covered person or would jeopardize the covered person's ability to regain maximum function.

A. Complaint, Grievance, and Informal Reconsideration Procedures

A quality of service concern addresses the Claims Administrator's services, access, availability or attitude and those of the Claims Administrator's Network Providers. A quality of care concern addresses the appropriateness of care given to a Plan Participant.

1. To Register a Complaint

A Complaint is an oral expression of dissatisfaction with the Claims Administrator or with Provider services.

Call the Claims Administrator's customer service department at 1-800-599-2583 or 1-225-291-5370. The Claims Administrator will attempt to resolve a Plan Participant's Complaint at the time of their call.

2. To File a Formal Grievance

A Grievance is a written expression of dissatisfaction with the Claims Administrator or with Provider services. If a Plan Participant does not feel their Complaint was adequately resolved or the Plan Participant wishes to file a formal Grievance, a written request must be submitted within one hundred eighty (180) days of the event that led to the dissatisfaction. For assistance, the Plan Participant may call the Claims Administrator's customer service department.

Send written Grievances to:

Blue Cross and Blue Shield of Louisiana
Appeals/Grievances Department
P. O. Box 98045
Baton Rouge, LA 70898-9045

A response will be mailed to the Plan Participant within thirty (30) business days of receipt of the Plan Participant's written Grievance.

3. Informal Reconsideration

An Informal Reconsideration is a request by telephone, made by an authorized Provider to speak to the Claims Administrator's Medical Director or a peer reviewer on the Plan Participant's behalf about a Utilization Management decision that the Claims Administrator has made. An Informal Reconsideration is typically based on submission of additional information or a peer-to-peer discussion.

An Informal Reconsideration is available only for initial determinations that are requested within ten (10) days of the denial or Concurrent Review determinations. The Claims Administrator will conduct an Informal Reconsideration within one (1) working day of the receipt of the request.

B. Standard Appeal Procedures

Multiple requests to Appeal the same Claim, service, issue, or date of service will not be considered at any level of review.

If the Plan Participant has questions or needs assistance putting the Appeal in writing, the Plan Participant may call the Claims Administrator's customer service department at 1-800-599-2583 or 1-225-291-5370.

The Plan Administrator has full discretionary authority to determine eligibility for Benefits and/or construe the terms of this Plan.

The Claims Administrator will determine if the Plan Participant's Appeal is an administrative Appeal or a medical Appeal. There are two (2) levels of each Appeal, the first by the Claims Administrator or its designee, and the second by the Plan Administrator, St. Tammany Parish School Board.

Plan Participants are encouraged to provide the Claims Administrator with all available information to help completely evaluate the Appeal such as written comments, documents, records, and other information related to the Adverse Benefit Determination. Upon request by the Plan Participant and free of charge, the Claims Administrator will provide reasonable access to and copies of all documents, records, and other information relevant to the Adverse Benefit Determination.

The Plan Participant has the right to appoint an authorized representative to represent the Plan Participant in their Appeals. An authorized representative is a person to whom the Plan Participant has given written consent to represent the Plan Participant in review of an Adverse Benefit Determination. The authorized representative may be the Plan Participant's treating Provider, if the Plan Participant appoints the Provider in writing.

1. Administrative Appeals

Administrative Appeals involve contractual issues, Rescissions, and Adverse Benefit Determinations which are not related to Medical Necessity, appropriateness, healthcare setting, level of care, effectiveness or treatment that is determined to be experimental or Investigational.

a. First Level Administrative Appeals

If the Plan Participant is not satisfied with the Claims Administrator's decision, a written request to Appeal must be submitted within one hundred eighty (180) days of receipt of the initial Adverse Benefit Determination for first level administrative Appeals. Requests submitted to the Claims Administrator after one hundred eighty (180) days of receipt of the initial Adverse Benefit Determination will not be considered.

The Claims Administrator will investigate the Plan Participant's concerns. If the administrative Appeal is overturned, the Claims Administrator will reprocess the Plan Participant's Claims, if any. If the administrative Appeal is upheld, the Claims Administrator will inform the Plan Participant of the right to begin the second level Appeal process.

The administrative Appeal decision will be mailed to the Plan Participant, the authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within thirty (30) calendar days of receipt of the Plan Participant's request; unless it is mutually agreed that an extension of time is warranted.

Administrative Appeals should be submitted in writing to:

Blue Cross and Blue Shield of Louisiana
Appeals/Grievances Department
P. O. Box 98045
Baton Rouge, LA 70898-9045

b. Second Level Administrative Appeals

After review of the Claims Administrator's first level Appeal decision, if the Plan Participant is still dissatisfied, a written request to Appeal must be submitted within sixty (60) days of receipt of the first level Appeal decision. Requests submitted after sixty (60) calendar days of receipt of the first level Appeal decision will not be considered.

Send a written request for further review and any additional information to:

St. Tammany Parish School Board
Attn: Human Resources
321 North Theard Street
Covington, LA 70433

Request submitted to the Claims Administrator will be forwarded to St. Tammany Parish School Board.

2. Medical Appeals

Medical Appeals involve Adverse Benefit Determinations for Medical Necessity, appropriateness, healthcare setting, level of care, or effectiveness or when a service is determined to be experimental or Investigational and any related prospective or retrospective review determination.

a. First Level Medical Appeals (Internal)

If the Plan Participant is not satisfied with the Claims Administrator's decision, a written request to Appeal must be submitted within one hundred eighty (180) days of receipt of the initial Adverse Benefit Determination for internal medical Appeals.

Medical Appeals should be submitted in writing to:

Blue Cross and Blue Shield of Louisiana
Medical Appeals
P. O. Box 98022
Baton Rouge, LA 70898-9022

Requests submitted to the Claims Administrator after one hundred eighty (180) days of receipt of the initial Adverse Benefit Determination will not be considered.

A Physician or other healthcare professional in the same or an appropriate specialty that typically manages the medical condition, procedure, or treatment under review and who is not subordinate to any previous decision-maker on the initial Adverse Benefit Determination, will review the internal Medical Necessity Appeal.

If the internal medical Appeal is overturned, the Claims Administrator will process the Plan Participant's Claim, if any. If the internal medical Appeal is upheld, the Claims Administrator will inform the Plan Participant of the right to begin the second level Appeal process.

The internal medical Appeal decision will be mailed to the Plan Participant, the authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within thirty (30) calendar days of the Plan Participant's request; unless it is mutually agreed that an extension of time is warranted.

b. Second Level Medical Appeals (External)

If the Plan Participant still disagrees with the determination of their Claim, the Plan Participant or their authorized representative must send their written request for an External Appeal, within four (4) months of receipt of the internal Appeal decision to:

St. Tammany Parish School Board
Attn: Human Resources
321 North Theard Street
Covington, LA 70433

The Group will review and notify the Claims Administrator to proceed with an External Appeal conducted by a non-affiliated Independent Review Organization (IRO). Requests submitted to the Plan Administrator after four (4) months of receipt of the internal Appeal decision will not be considered. The Plan Participant is required to sign the form included in the internal medical Appeal denial notice which authorizes release of medical records for review by the IRO. **Appeals submitted by Your Provider will not be accepted without this form completed with Your signature.**

The Claims Administrator will provide all pertinent information necessary to conduct the External Appeal. The external review will be completed within forty-five (45) days of receipt of the External Appeal request. The IRO will notify the Plan Participant or their authorized representative and all appropriate Providers of its decision.

The IRO decision is considered final and binding on the Plan and the Plan Participant.

If You need help or have questions about Your Appeal rights, call the Employee Benefits Security Administration (EBSA) at 1-866-444-EBSA or 1-866-444-3272.

C. Expedited Appeals

The Expedited Appeal process is available for review of an Adverse Benefit Determination involving a situation where the time frame of the standard medical Appeal would seriously jeopardize the Plan Participant's life, health or ability to regain maximum function. It includes a situation where, in the opinion of the treating Physician, the Plan Participant may experience pain that cannot be adequately controlled while awaiting a standard medical Appeal decision. An Expedited Appeal also includes requests concerning an Admission, availability of care, continued stay, or healthcare for a Plan Participant currently receiving Emergency Medical Services, under observation, or receiving Inpatient care.

An Expedited External Appeal is also available if the Adverse Benefit Determination involves a denial of coverage based on a determination that the recommended or requested healthcare service or treatment is deemed experimental or Investigational; and the covered person's treating Physician certifies in writing that the recommended or requested healthcare service or treatment that is the subject of the Adverse Benefit Determination would be significantly less effective if not promptly initiated.

Expedited Appeals are not provided for review of services previously rendered.

An Expedited Appeal is available to, and may be initiated by the Plan Participant, the Plan Participant's authorized representative, or a Provider authorized to act on the Plan Participant's behalf. Requests for an Expedited Appeal may be verbal or written.

For verbal Expedited Appeals, call 1-800-376-7741 or 1-225-293-0625.

For written Expedited Appeals, fax 225-298-1837 or mail to:

Blue Cross and Blue Shield of Louisiana
Expedited Appeal - Medical Appeals
P. O. Box 98022
Baton Rouge, LA 70898-9022

1. Expedited Internal Medical Appeals

In these cases, We will make a decision no later than seventy-two (72) hours of Our receipt of the internal medical Expedited Appeal request that meets the criteria for an Expedited Appeal. In any case where the internal medical Expedited Appeal process does not resolve a difference of opinion between Us and the Plan Participant or the Provider acting on behalf of the Plan Participant, the Appeal may be elevated to an Expedited External Appeal. If the internal medical Expedited Appeal does not meet the Expedited Appeal criteria or does not include the Physician attestation signature, the Appeal will follow the standard Appeal process and timeframe.

2. Expedited External Medical Appeal

A medical Expedited External Appeal is a request for immediate review, by an Independent Review Organization. The request may be simultaneously filed with a request for the internal medical Expedited Appeal, since the IRO assigned to conduct medical review of the Expedited External Appeal will determine whether the request is eligible for an external review at the time of receipt. We will forward all pertinent information for the medical Expedited External Appeal requests to the IRO so the review may be completed within seventy-two (72) hours of receipt.

D. No Surprises Act (NSA) Internal Appeals and External Appeals

The NSA added certain Plan Participant rights and protections that are eligible for internal Appeals and External Appeals. If a Plan Participant is dissatisfied about decisions We make regarding the Plan Participant's rights and protections added by the NSA, the Plan Participant may file an Appeal. Examples of the NSA Plan Participant rights and protections include the following:

1. Plan Participant cost sharing and surprise billing protections for Emergency Medical Services;
2. Plan Participant cost sharing and surprise billing protections related to care provided by Non-Network Providers at Network facilities;
3. Whether Plan Participants are in a condition to receive notice and provide Informed Consent to waive the NSA protections;
4. Whether a Claim for care received is coded correctly and accurately reflects the treatments received, and the associated NSA protections related to Plan Participant cost sharing and surprise billing; and
5. Continuity of care.

The Plan Participant is encouraged to, and should, provide Us with all available information to help Us completely evaluate the NSA Appeal such as written comments, documents, records, and other information.

We will provide the Plan Participant, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the determination that is the subject of the NSA Appeal.

The Plan Participant has the right to appoint an authorized representative for NSA appeals. An authorized representative is a person to whom the Plan Participant has given written consent to represent the Plan Participant in an internal Appeal or External Appeal. The authorized representative may be the Plan Participant's treating Provider if the Plan Participant appoints the Provider in writing.

NSA Internal Appeals

If a Plan Participant believes that We have not complied with the surprise billing and cost sharing protections or with continuity of care of the NSA, a written request for review must be submitted within one hundred eighty (180) days of the NSA-related Adverse Benefit Determination. Requests submitted to Us after one hundred eighty (180) days of the NSA-related Adverse Benefit Determination will not be considered.

The NSA internal Appeals request should be submitted in writing to:

Blue Cross and Blue Shield of Louisiana
Appeals/Grievances Department
P. O. Box 98045
Baton Rouge, LA 70898-9045

If a Plan Participant has questions or needs assistance, the Plan Participant may call Our customer service department at the number on the ID card.

We will investigate the Plan Participant's concerns. If the NSA internal Appeal is overturned, We will reprocess the Plan Participant's Claim, if applicable. If the NSA internal Appeal is upheld, We will inform the Plan Participant of the right to begin the NSA External Appeal process.

The NSA internal Appeal decision will be mailed to the Plan Participant, the Plan Participant's authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within thirty (30) days of receipt of the Plan Participant's request, unless it is mutually agreed that an extension of time is warranted.

NSA External Appeals

If a Plan Participant disagrees with the NSA internal Appeal decision, a written request for an NSA External Appeal must be submitted within four (4) months of receipt of the NSA internal Appeal decision. Requests submitted to Us after four (4) months of receipt of the NSA internal Appeal decision will not be considered.

You are required to sign and return the form included in the NSA internal Appeal denial notice which authorizes release of medical records for review by the IRO. Appeals submitted by Your Provider will not be accepted without this form completed with Your signature.

The NSA External Appeals request should be submitted in writing to:

Blue Cross and Blue Shield of Louisiana
Appeals/Grievances Department
P. O. Box 98045
Baton Rouge, LA 70898-9045

If the Plan Participant has questions or needs assistance, the Plan Participant may call Our customer service department at the number on the ID card.

A Plan Participant must exhaust all NSA internal Appeal opportunities prior to requesting an NSA External Appeal conducted by an IRO.

We will provide the IRO all pertinent information necessary to conduct the NSA External Appeal. The external review will be completed within forty-five (45) days of Our receipt of the request for an NSA External Appeal. The IRO will notify the Plan Participant, the Plan Participant's authorized representative, or a Provider authorized to act on the Plan Participant's behalf of its decision.

The IRO decision is considered final and binding on the Plan and the Plan Participant for purposes of determining coverage under this Benefit Plan. This NSA External Appeal process shall constitute Your sole recourse in disputes concerning whether Blue Cross and Blue Shield of Louisiana or the Plan complied with the surprise billing and cost sharing protections of the NSA, except to the extent that other remedies are available under state or federal law.

The Plan Participant may contact 1-800-985-3059 or visit www.cms.gov/nosurprises for more information about Plan Participant rights under the NSA.

ARTICLE XXI. CARE WHILE TRAVELING, MAKING PLAN CHANGES AND FILING CLAIMS

The Claims Administrator is continuing to update its online access for Plan Participants. Plan Participants may now be able to perform many of the functions described below, without contacting the Claims Administrator's customer service department. The Claims Administrator invites Plan Participants to log on to www.lablue.com for access to these services.

All of the forms mentioned in this section can be obtained from the Employer's personnel office, from one of the Claims Administrator's local service offices, or from the home office of Blue Cross and Blue Shield of Louisiana. If the Plan Participant needs to submit documentation to the Claims Administrator, the Plan Participant may forward it to Blue Cross and Blue Shield of Louisiana at P. O. Box 98029, Baton Rouge, LA 70898-9029, or to, 5525 Reitz Avenue, Baton Rouge, LA 70809.

If the Plan Participant has any questions about any of the information in this section, the Plan Participant may speak to the Employer or call the Claims Administrator's customer service department at the telephone number shown on the ID card.

A. How to Obtain Care While Traveling

The ID card offers convenient access to PPO healthcare outside of Louisiana. If the Plan Participant is traveling or residing outside of Louisiana and needs medical attention, please follow these steps:

1. In an Emergency, go directly to the nearest Hospital.
2. Call BlueCard® Access at 1-800-810-BLUE (2583) for information on the nearest BlueCard® doctors and Hospitals.
3. Use a BlueCard® Provider to receive the highest level of Benefits.
4. Present the ID card to the doctor or Hospital, who will verify coverage and file Claims for the Plan Participant.
5. The Plan Participant must obtain any required Authorizations from Blue Cross and Blue Shield of Louisiana.

B. Adding or Changing the Plan Participant's Family Members on the Plan

The Schedule of Eligibility lets the Plan Participant know when it is necessary to enroll additional family members for Dependent coverage under the Plan. Please read the Schedule of Eligibility Article and this section as they contain important information for the Plan Participant.

The Group may require the Employee to use the Employee Enrollment/Change Form to enroll family members not listed on the Employee's original enrollment form. If the Plan Participant does not complete and return a required Employee Enrollment/Change Form to the Plan so the Claims Administrator receives it within the timeframes set out in the Schedule of Eligibility, it is possible that the Employee's health benefits coverage will not be expanded to include the additional family members. Completing and returning an Employee Enrollment/Change Form is especially important when the Employee's first Dependent becomes eligible for coverage or when the Employee no longer has any eligible Dependents.

The Schedule of Eligibility explains when coverage becomes effective for new family members. Generally, an Employee Enrollment/Change Form is used to add newborn children, newborn adopted children, a Spouse, or other Dependents not listed on the Employee's original enrollment form. The Plan should receive the Employee's completed form within thirty (30) days of the child's birth or placement, or the Employee's marriage.

C. How to File Claims for Benefits

The Claims Administrator and most Providers have entered into agreements that eliminate the need for a Plan Participant to personally file a Claim for Benefits. Network Providers and Participating Providers will file Claims for Plan Participants either by mail or electronically. In certain situations, the Provider may request the Plan Participant to file the Claim. If the Plan Participant's Provider does request the Plan Participant to file directly with the Claims Administrator, the following information will help the Plan Participant in correctly completing the Claim form.

The ID card shows the way the name of the Employee (Plan Participant of the Group) appears on the Claims Administrator's records. (If the Plan Participant has Dependent coverage, the name(s) are recorded as shown on the enrollment information the Plan received.) The ID card also lists the Plan Participant's contract number (ID #). This number is the identification to the Plan Participant's membership records and should be provided to the Claims Administrator each time a Claim is filed. To assist in promptly handling the Plan Participant's Claims, the Plan Participant must be sure that:

1. an appropriate Claim form is used;
2. the contract number (ID #) shown on the form is identical to the number on the ID card;
3. the patient's date of birth is listed;

4. the patient's relationship to the Employee is correctly stated;
5. all charges are itemized, whether on the Claim form or on the attached statement;
6. the itemized statement from the Provider contains the Provider's name, address and tax ID number and is attached to the Claim form;
7. the date of service (Admission to a Hospital or other Provider) or date of treatment is correct;
8. the Provider includes a diagnosis and procedure code for each service/treatment rendered (the diagnosis code pointers must be consistent with the Claim form); and
9. the Claim is completed and signed by the Plan Participant and the Provider.

IMPORTANT NOTE: The Plan Participant must be sure to check all Claims for accuracy. The contract number (ID #) must be correct. It is important that the Plan Participant keep a copy of all bills and Claims submitted.

D. Filing Specific Claims

1. Admission to a Hospital or Allied Health Facility Claims

When a Plan Participant is being admitted to a Network Provider or Participating Provider facility, the Plan Participant should show the ID card to the admitting clerk. The Provider will file the Claim with the Claims Administrator. The Plan's payments will go directly to the Network Provider or Participating Provider. The Provider will then bill the Plan Participant directly for any remaining balance. The Plan Participant will receive an Explanation of Benefits after the Claim has been processed.

2. Outpatient Department Claims

The procedure to be followed is the same as that for an Admission to a Hospital or Allied Health Facility. However, in some instances involving Outpatient treatment, the Provider may ask for payment directly from the Plan Participant. If this occurs, the Plan Participant should obtain an itemized copy of the bill, be sure the Claim form correctly notes the contract number (ID #), the patient's date of birth, as well as the patient's relationship to the Employee. The Provider must mark the statement or Claim form PAID. This statement should then be sent to the Claims Administrator.

3. Emergency Medical Service Claims

When a Plan Participant receives Emergency Medical Services performed by a Network or Non-Network Provider, the Plan Participant should show the ID card to the admitting clerk. The Provider will file the Claim with Us. Benefit payment will be sent directly to the Provider. The Plan Participant will receive an Explanation of Benefits after the Claim has been processed.

4. Nursing Services Claims

A receipt must be obtained for nursing services from each nurse indicating the name of the patient and the number of days covered by each receipt. Each receipt must also be signed by the nurse with the initials RN or LPN and registry number. A statement from the attending Physician or Allied Health Professional that services were Medically Necessary must be filed with the receipts for nursing services.

5. Durable Medical Equipment (DME) Claims

Charges for rental or purchase of wheelchairs, braces, crutches, etc., must be on the bill of the supplying firm, giving a description of the item rented or purchased, the date, the charge, and the patient's name. A statement from the attending Physician or Allied Health Professional that services were Medically Necessary must also be filed with these bills.

6. Mental Health and/or Substance Use Disorder Claims

For help with filing a Claim for the treatment of Mental Health or substance use disorders, the Plan Participant should refer to the ID card or call the Claims Administrator's customer service department.

7. Other Medical Claims

When the Plan Participant receives other medical services (clinics, Provider offices, etc.), the Plan Participant should ask if the Provider is a Network Provider or Participating Provider. If yes, this Provider will file the Plan Participant's Claim with the Claims Administrator. In some situations, the Providers may request payment and ask the Plan Participant to file. If this occurs, the Plan Participant must be sure the Claim form is complete before forwarding to the Claims Administrator. If the Plan Participant is filing the Claim, the Claim must contain the itemized charges for each procedure or service.

NOTES: Statements, canceled checks, payment receipts and balance forward bills may not be used in place of itemized bills. Itemized bills submitted with Claim forms must include the following:

- a. full name of patient;
- b. date(s) of service;
- c. description of and procedure code for service;
- d. diagnosis code;
- e. charge for service; and
- f. name and address of Provider of service.

E. Claims Questions

Plan Participants can view information about the processing or payment of a Claim at www.lablue.com.

Plan Participants can also write to Us at the below address or call Our customer service department at the telephone number shown on the ID card or visit any of Our local service offices*. If the Plan Participant calls for information about a Claim, We can help the Plan Participant better if they have certain information at hand, particularly the ID number, patient's name and date of service.

Remember, the Plan Participant should ALWAYS refer to their contract number in all correspondence and recheck it against the contract number on the ID card to be sure it is correct.

ARTICLE XXII. RESPONSIBILITIES OF PLAN ADMINISTRATOR

A. Plan Administrator

The St. Tammany Parish School Board High Deductible Health Plan is the Benefit Plan for St. Tammany Parish School Board, the Plan Administrator, also called the Plan Sponsor. It is to be administered by the Plan Administrator. An individual may be appointed by St. Tammany Parish School Board to be the Plan Administrator and serve at the convenience of the Employer. If the Plan Administrator resigns, dies or is otherwise removed from the position, St. Tammany Parish School Board shall appoint a new Plan Administrator as soon as reasonably possible.

The Plan Administrator shall perform its duties as the Plan Administrator and in its sole discretion shall determine appropriate courses of action in light of the reason and purpose for which this Benefit Plan is established and maintained. In particular, the Plan Administrator shall have full and sole discretionary authority to interpret all plan documents and to make all interpretive and factual determinations as to whether any individual is entitled to receive any Benefit under the terms of this Benefit Plan. Any construction of the terms of any plan document and any determination of fact adopted by the Plan Administrator shall be final and legally binding on all parties.

Any interpretation, determination or other action of the Plan Administrator shall be subject to review only if it is arbitrary or capricious or otherwise an abuse of discretion. Any review of a final decision or action of the Plan Administrator shall be based only on such evidence presented to or considered by the Plan Administrator at the time it made the decision that is the subject of review. Accepting any Benefits or making any Claim for Benefits under this Benefit Plan constitutes agreement with and consent to any decisions that the Plan Administrator makes, in its sole discretion and further constitutes agreement to the limited standard and scope of review described by this section.

Service of legal process may be made upon the Plan Administrator.

B. Duties of the Plan Administrator

1. To administer the Plan in accordance with its terms;
2. to interpret the Plan, including the right to remedy possible ambiguities, inconsistencies or omissions;
3. to decide disputes that may arise relative to a Plan Participant's rights;
4. to prescribe procedures for filing a Claim for Benefits and to review Claim denials;
5. to keep and maintain the Plan documents and all other records pertaining to the Plan;
6. to appoint a Claims Administrator to pay Claims;
7. to establish and communicate procedures to determine whether a medical child support order is qualified under ERISA Sec. 609; and

1. Fiduciary Duties

A fiduciary must act solely in the interest of Plan Participants and their beneficiaries. A fiduciary must carry out the duties and responsibilities for the purpose of providing Benefits to Plan Participants and defraying reasonable expenses of administering the Plan. These are duties which must be carried out:

- a. with care, skill, prudence and diligence under the given circumstances that a prudent person, acting in a like capacity and familiar with such matters, would use in a similar situation;
- b. by diversifying the investments of the Plan so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so; and
- c. in accordance with the Plan documents.

2. The Named Fiduciary

A named fiduciary is the one named in the Plan. A named fiduciary can appoint others to carry out fiduciary responsibilities (other than as a trustee) under the Plan. These other persons become fiduciaries themselves and are responsible for their acts under the Plan. To the extent that the named fiduciary allocates its responsibility to other persons, the named fiduciary shall not be liable for any act or omission of such person unless either:

- a. the named fiduciary has violated its stated duties under ERISA in appointing the fiduciary, establishing the procedures to appoint the fiduciary or continuing either the appointment or the procedures; or
- b. the named fiduciary breached its fiduciary responsibility under Section 405(a) of ERISA.

E. The Claims Administrator is not a Fiduciary
