## ***LEVIES FOR FACILITIES ARE OUR ONLY FUNDING MECHANISM FOR THIS TYPE OF WORK***

This essential maintenance and improvement work will touch every school in the Lakeland Jt. School District, keeping our buildings safe, functional, and ready for learning. The levy is an opportunity for our community and the district to continue to partner in maintaining the facilities that students rely on every day, ensuring our 11 schools continue to operate smoothly and meet daily needs while planning responsibly for the future.

You can find out more information at [www.272.org](http://www.272.org).
