Why choose Sandy Puc' Seniors?

Choosing a senior photographer should be fun.

At Sandy Puc' Photography we are all about making your senior photo experience a memorable one. From the time you call, to booking, the session, and getting your final images, we take your vision seriously. We want to show you why choosing us for your senior photos is the best choice for capturing your memories.

We're...Experienced & Professional

We know many people love taking photos. But for this special time in your life, you should look for a senior photographer with experience and proper training. Our photographers have over 40 years of combined experience and have gone through rigorous training on how to pose you, properly light your images, edit photos, and make you shine. We have hundreds of Google and Yelp reviews, a full-bodied senior website, and a great social media presence to show you that we know what we're doing.

We're...Unique & Creative

You have a look that is all your own, and we want to highlight that. We know that everyone expresses themselves in their own way and we want to capture that. We stay ahead of the curve by finding unique locations and incorporating popular photo techniques and poses to ensure that your photos are trendy, creative, and all your own.

We're...Fun & Engaging

Senior photos shouldn't be a chore. We will blast your favorite tunes, show you how to hit the perfect pose, and make sure you're comfortable. No one wants "stiff" and boring images, which is why our photographers take the time to get to know you and your vision before our session. At the end of the day, your photos should reflect this special time in your life - and we want you to have a good time doing so.

We're...All About YOU!

Senior photos are all about you. Not us, YOU! We are all about making your vision come true, and are along for the ride. We will run with you through sunflowers, follow you as you fly into the sky. We will laugh with you, dance with you, and capture this once in a lifetime moment. We wouldn't be here without you. Thank you for considering us to capture your vision and spirit as you move forward in this beautiful journey called life.

We know this is an important moment in your life and we would be honored to be your photographer.

"My son recently had his senior pictures done with Nikolai. What a pro! The experience was great from start to finish. Nikolai took all the extra steps to ensure we got great, artistic, yet natural looking pictures. We have always had a great experience with Sandy Puc and the team of photographers. Thank you for capturing so many great shots of Reed!"

"Wonderful experience from the beginning to the end product! Beautiful photos and a very personalized experience at a competitive price. Our photographer made sure that this was a fun, low pressure, amazing experience for our graduate. The photos that he took are absolutely amazing, capturing every part of her personality. I would recommend this company over and over again!!"

Kadence G., Hailey's Mom | CHS

"Beyond impressed with the professionalism and their creativity. Our son is autistic and he came up with the idea of a new name change announcement during his Senior photos. They captured each tender moment between us all and numerous loved senior photos. Now we have the hard part of choosing which one(s) will go on the wall and in the year book. They were able to make it fun for him and make him not feel awkward, our son was able to actually smile, a true real smile. I will never be more thankful than I am with the photographer and the company!"

Amanda N., Jonathan's Mom | DCHS

"This was the first time we have worked with Nikolai and Sandy Puc Photography. Nikolai explained the process and patiently tended to all the important details: hair placement, straight skirts, and unnecessary adornments (like hair ties on the wrist). He had us relaxing and laughing throughout the session and seeing backdrops in ways we never have. I thoroughly enjoyed the time and I look forward to another session with him."

"Nikolai Puc took our son's Senior photos and I can't say enough about the wonderful experience we had with him! He knew exactly how to pull my son out of his shell and made him feel so comfortable for his photo shoot! Nikolai is professional, kind, friendly, and patient. We will definitely be back because of the experience we had with him! Thank you Nikolai!"

Pamela P., Brandon's Mom | TRCS

"I recently had the pleasure of working with this photography studio for my daughter's senior photos, and they did an amazing job. They truly helped her achieve exactly what she wanted- she shared her inspiration with the photographer, and he nailed it perfectly. They even accommodated her special request for a night shoot. She had so much fun during the shoot, and the photographer was incredibly kind and sweet, making it easy for her to feel comfortable and relaxed. Nikolai was absolutely amazing!

After the shoot, we scheduled an hour-long appointment to view the photos. What was especially nice is that we didn't have to sift through a million pictures in an online gallery- they curated about 300 of the best shots from the session. We reviewed them in small groups of 3 to 4 at a time, selecting our favorites until we reached the number included in our chosen package. It was efficient and helpful, especially since the team was there to offer their expert opinions when we couldn't decide between a couple of options. Overall, it was an incredible experience, and I couldn't have asked for a better company to capture my daughter's senior photos. Highly recommended!!"
