

SJK Scholarship	
Department/Deadline	Science - April 24, 2026
Award & Description	The recipient of this award should be a college-bound senior who has demonstrated an extraordinary understanding of math and science - particularly physics (astrophysics, theoretical) and has participated in Science Research. Furthermore, the student demonstrates the ability to 'think outside the box' in all academic arenas. This award will recognize not only the student's superior work throughout their high school years, but more importantly, the ways that they have gone above and beyond, both in and out of the classroom.
Actual Scholarship	\$500.00
