Reports:

Superintendent: Completed mid year evaluation with Mrs. Reynolds doing a great job. Impressed by strategies incorporated by Mrs. Reynolds. There is an interview scheduled with St. Ignas News, Mrs. Reynolds and myself scheduled.

Teacher: February was a short, but busy month. Since our last board meeting, we've had a Valentine's party and decorated cookies, designed an energy toy in science, and participated in the Special Olympics Illuminate Initiative. We've learned about Michigan's Green Gold resource (the lumber industry), have discussed the world's oil and gas consumption, and read about the "How & Why of Everyday Objects" such as vacuum cleaners and telephones. We've practiced using pronouns in complex sentences, learned about the importance of weather and climate in North America, discovered the answers to math riddles, and observed snowflakes with a magnifying glass. We celebrated Dr. Suess's birthday on March 2 nd by listening to a Fox in Socks read along. We work hard and have a lot of fun in class! My own online classes are going well. I am looking forward to spring break which is March 30 th through April 3 rd .
Thank you for continuing to support our school!

Parks Committee: No new information

MICIP: Ms. Beson reported that she is impressed and that BBI is lucky to have Mrs. Reynolds as our teacher. Next meeting is 4/3/2026.
