

Welcome Class of 2030 Denison High School

Welcome to DHS!

Starting high school is a BIG milestone. It brings new opportunities, new friendships, and greater independence as you make choices for your future. Our goal is to make this transition as smooth and positive as possible for both parents and students. We are proud of you already and can't wait to see all that you accomplish over the next four years. It's great to be a Yellowjacket!

Save the Date:
