

Your child is eligible to participate if they are:

- Sighted (no vision loss present, uncorrectable with glasses or contacts)
- 5-14 years old
- A resident of the U.S. or Canada
- An English speaker who hears English at least 3 hours a day
- Able to access a computer with a camera, microphone and internet connection

[Go to the PenLAB website to sign up for the study](#)

Earn \$100 by participating in a study on vocabulary development in children who are blind and sighted!

Protocol # HS23-0427 "Word Learning and Vocabulary Development in Blind Children"
