

LINUX REPAIR CAFE

Don't Toss That Old Laptop—Give It a New Life!

Sustainable Westerville and local tech enthusiasts invite you to a hands-on workshop where we transform "slow" computers into fast, secure, and modern machines using Linux which also prevents electronic waste!

What We're Doing

- **Live Installations:** We will help you install a fresh, secure Linux OS on your laptop.
- **Hands-on Practice:** Try out ready-to-use Linux laptops to see how they feel.
- **Expert Guidance:** Ask questions about open-source alternatives to Windows.

When & Where

Date: Saturday, May 9, 2026
Time: 1:00 PM – 4:00 PM
Location: Westerville Public Library,
 126 S State St, Westerville, OH 43081

Important: Before You Arrive

- **Backup Your Files:** Installing Linux erases all data on your drive. Save your photos and documents to a USB stick before you arrive. (<https://www.youtube.com/watch?v=2UvkIDqZIL8&t=258s>)
- **Bring Your Gear:** Don't forget your laptop and its power adapter.
- **Check Compatibility:** Most laptops from the last 10 year work beautifully with Linux.

Donations: If you have an old laptop you no longer want, donate it! We will refurbish it for someone in need.
