

Subcommittee Safety Message

The Board Subcommittee on Safety is continuing its in-depth analysis of our broad safety programs and recently met with the Hampton Township Chief of Police and Township Manager at the Township offices for an in-depth discussion on school safety. The meeting reaffirmed the strength of our long-standing partnership, with a shared commitment to keeping Hampton's children safe both in and out of school through the coordinated use of all available resources.

The Subcommittee will provide a status update on its ongoing work at the April 13 School Board meeting.

Sincerely,

Student Affairs Subcommittee on Safety

Mr. Matt Jarrell

Mr. Bob Shages

Mrs. Jenny Kennedy
