CSLEA Letter of Recommendation

January 7, 2026

Dear Clark Shawnee Board of Education,

I am writing to provide my strongest recommendation for the veteran educators: Mr. Rick Meeks and Mr. George Limes, who are applying for positions through our district's retire-rehire employment opportunity. I can attest to the tremendous value they bring to our district.

These experienced teachers represent decades of collective wisdom, expertise, and deep institutional knowledge that cannot be easily replaced. They possess a combination of seasoned judgment and continued enthusiasm for education that makes them invaluable mentors to both students and newer faculty members, and their willingness to return as retired-rehires demonstrates their ongoing passion for education and their dedication to our district.

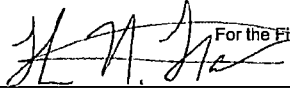

I wholeheartedly recommend these veteran educators for rehire and believe they will continue to make significant contributions to the success of the Clark Shawnee Local School District.

Sincerely,

Kristi Hirtzinger
CSLEA President

ALTERNATIVE TAX BUDGET INFORMATION

School District

Fiscal Officer Signature  For the Fiscal Year Commencing July 1, 2026
Date 01/08/2026

COUNTY OF CLARK

Background

Substitute House Bill No. 129 (HB129) effective June 3, 2002, was enacted by the 124th General Assembly in part to allow a county budget commission to waive the requirement that a taxing authority adopt a tax budget for a political subdivision or other taxing unit, pursuant to Ohio Revised Code (ORC) Section 5705.281.

Under the law in effect prior to June 3, 2002, the budget commission could only waive the tax budget for a subdivision or other taxing unit that was receiving a share of the county undivided local government fund or the county undivided local government revenue assistance fund under an alternative method or formula pursuant to ORC Sections 5747.53 and 5747.63. Thus, tax budgets could be waived only for counties, municipalities, townships, and park districts. This restriction is now removed.

Ohio Revised Code Section 5705.281

Under the amended version of this section pursuant to HB 129, a county budget commission, by an affirmative vote of a majority of the commission, including an affirmative vote by the county auditor, may waive the tax budget for any subdivision or other taxing unit. However, the commission may require the taxing authority to provide any information needed by the commission to perform its duties, including the division of the tax rates as provided under ORC Section 5705.04.

County Budget Commission Duties

The county budget commission must still certify tax rates to each subdivision or other taxing unit, by March 1 for school districts and by September 1 for all other taxing authorities under ORC Section 5705.35, even when a tax budget is waived. Also, the commission is still required to issue an official certificate of estimated resources under ORC Section 5705.35 and amended official certificates of estimated resources under ORC Section 5705.36.

Therefore, when a budget commission is setting tax rates based on a taxing unit's need, for purposes of ORC Sections 5705.32, 5705.34, and 5705.341, its determination must be based on that other information the commission asked the taxing authority to provide under ORC Section 5705.281, when the tax budget was waived. Also, an official certificate must be based on that other information the commission asked the taxing authority to provide.

Alternative Tax Budget Information Filing Deadline

The fiscal officer for each school district must file one copy of this document with the County Auditor on or before January 20.
