2026–2027 School Year Registration is Now Open!

Deadline by: May 1, 2026.

All families must complete the required 2027 registration forms by **May 1, 2026**. This deadline ensures the district can accurately plan for staffing, course scheduling, transportation, and student services.
The 2026-27 registration includes the **Student Enrollment** form and the **Income Verification** form (required for fee waiver consideration), these forms are available during the registration window.
Note: All families must log in to verify student enrollment for SY27—even if your student is not returning next year to help us process transfers efficiently.

1. Returning Families login to PowerSchool:
   https://pths209.powerschool.com/public/ or *scan the **QR code***
   Note: Incoming freshman and transfer in families should visit the school to get their PowerSchool account and access code.

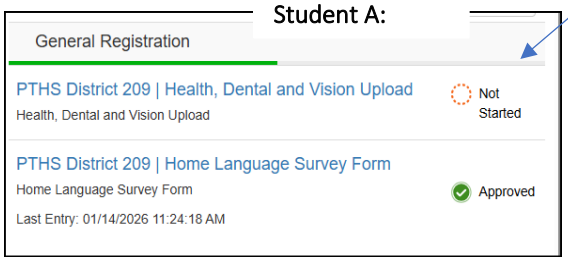

2. Once you login to PowerSchool, navigate to **Forms** section on the left-hand side

3. Under **General Registration**, you will see two forms. Please check that both forms have been completed and approved.
   Forms:
   - **PTHS District 209: Health, Dental and Vision Upload**
   - **PTHS District 209: Health: Home Language Survey Form**
     - ✓ If both forms are already approved, no further action is required.
     - ✓ However, you may still update any of the forms if any information has changed.

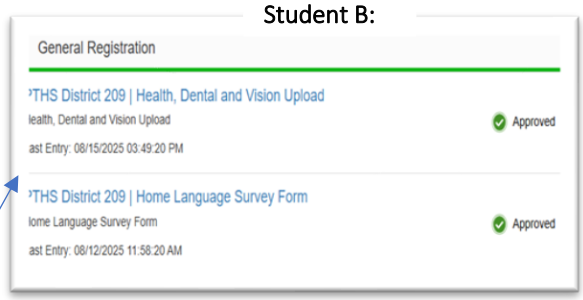

Student A:

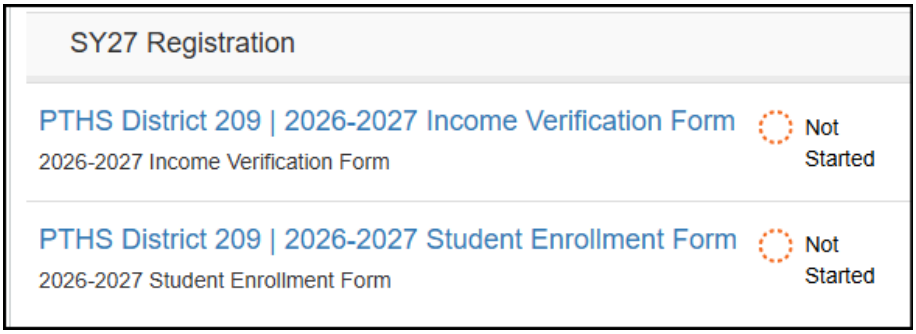

Student A does not have Health, Dental and Vision form started. This form needs to be completed.

Student B has both forms in Approved status. I do not wish to update any information. **Skip to Step 4.**

Student B:

4. Finally, scroll down to **SY27 Registration** section. The **Income Verification** and **Student Enrollment** forms should be competed for 2026-27 school year by May 1, 2026
   Forms:
   - **PTHS District 209: 2026-2027 Income Verification Form** (required for fee waiver consideration)
