

TUSKER TRACKS

A weekly, trunkated note from Dr. B

The Bronstein Brief

Happy Friday, Somers!

Coming up on April 28, we will be hosting the Tusker Cafe at 6:00 p.m. in the Somers Middle School auditorium. All parents, students and members of the community are welcome. Please note, the presentation is most appropriate for children middle school-aged and above.

This year's Tusker Cafe will be a presentation of "13 Drivers' Licenses," a traveling exhibit and educational project that details the 1938 Nazi confiscation of drivers' licenses belonging to Jewish residents in Lichtenfels, Germany, shortly after the November Pogrom, also known as Kristallnacht. Following the discovery of the licenses, 80 years later, the local high school created a project to learn about the fate of the license holders.

In a partnership between the Somers Central School District, the Town of Somers and the Holocaust & Human Rights Education Center, this Tusker Cafe will feature a 45-minute presentation, followed by a Q&A and breakout session for group discussion.

Please see below right for the event flyer, which includes a QR code to register by April 26th.

Around the District

We are proud to share that the Somers High School Student Council has been recognized by the National Association of Student Councils as a 2026 National Gold Council of Excellence!

This prestigious honor reflects the council's outstanding commitment to leadership, innovation, and meaningful community engagement. Congratulations to our student leaders for continuing to set the standard of excellence!

Tusker Pride

Last month, the SMS International Club celebrated Greek Independence Day with guest speaker Mr. Dean Pappas, who shared the history behind Greece's independence, traditional koulourakia cookies, and engaging videos that helped students connect with Greek culture and history.
