

Class of 2026 Seniors:

We are incredibly proud of all the hard work you've put in over the past few years. You've overcome challenges, achieved so much, and now you're in the home stretch!

Here are some important items of note:

To participate in the May 19th graduation ceremony at Baxter Arena, you must have earned all required credits for graduation. The final deadline for seniors to complete all coursework is May 8. This is also the last required school day for seniors.

It is your responsibility to know if you are on track to graduate. If you're unsure, please email your counselor to schedule a senior credit check as soon as possible.

Please share your graduation status with your parent(s)/guardian(s). Teachers will be making phone calls and emails if you are at risk of failing a class. Communicate with your parent(s)/guardian(s) before the teacher is required to do so.

Checklist for Graduation:

_____ passing all classes to earn all required credits needed for graduation
_____ completed exit survey with counselor
_____ ordered cap and gown (Jostens/School Traditions 402-733-0300)
_____ paid school fines, Mr. Lee
_____ submitted all scholarship offers you have received to Ms. Erin Russell (erin.russell@ops.org) or to SchooLinks account by April 16th.
