

# SUPERINTENDENT LEADERSHIP ACADEMY

Field Service Agents provide a liaison to connect superintendents with ESC Region 12 programs and services. They serve as a link of communication between ESC Region 12, TEA and education agencies, providing crucial policy and governance assistance.

## Membership Benefits

This academy is designed to combine networking, dialogue, technology, field-based experience and expert presenters to meet the needs of both beginning and experienced superintendents. Topics are based on current issues and superintendents' interests.

### **Academy activities include:**

- Monthly meetings on topics of interest
- Meetings with legislators and professional organizations
- Access to online networking opportunities and information sharing within the closed group
- Sharing of best practices
- Expert Speakers
