EARLY CHILDHOOD SCREENING

Do you have a child between the ages of 3 to 5 years? Early childhood developmental screening helps a school district identify children who may benefit from district and community resources available to help in their development. Early Childhood Developmental Screening includes a vision screening that helps detect potential eye problems, but is not a substitute for a comprehensive eye exam. Your child must be screened in order to attend School Readiness, Head Start, or Kindergarten in Minnesota Public Schools. Lakeview offers Early Childhood Screening at least four times a year.

Screening packets will be mailed to all eligible families we have on our census. Make sure to give us a call and have your child's name added to our census or fill out the census form found in our newsletter. If you have questions, please call 507-423-5164 Ext. 1320.

**Our next screenings will be held:
Tuesday, May 19**

EVERY FAMILY COUNTS!

**Are you
on the
School
Census?**

Being on the census ensures that you will receive ECFE mailings, be notified for Early Childhood Screening and receive kindergarten information when your child becomes eligible to attend. This information also helps determine the funding our school receives and helps us plan programs and services.

NEW LAKEVIEW LAKER BABIES!

Congratulations on the birth of your child! If you live in the Lakeview School District, please call us at 423-5164 Ext. 1105 and make arrangements to pick up your special ECFE baby bag or fill out our online [census form](#).

\$115 - Deadline: June 26th

Join YME Community Ed. as we travel to the Plymouth Playhouse to step back in time to a place that might feel comfortingly familiar—the church basement. Down here, away from the spotlight of the sanctuary, a different kind of magic happens. It's where coffee is always brewing, casseroles are lovingly prepared, and friendships are strengthened through laughter, hard work, and a whole lot of heart. With a knack for telling down-home stories, sprinkled with humor, heart, and just a little Scandinavian stubbornness, Rags to Rags Productions celebrates everyday folks and the extraordinary moments that stitch their lives together.
