

Superintendent's Snapshot
MARICOPA UNIFIED SCHOOL DISTRICT

April 10, 2026

**SENIOR SALUTES:
GOLDEN HAWKS, REPORT FOR DUTY**

Dear MUSD Families,

One Sailor. One Marine. One future officer.
Each stepping forward with purpose.

Noah Medina is answering the call to serve in the United States Navy. While the exact course ahead is still being charted, his commitment to service is clear. Time spent in Aviation and Engineering classes sparked his interest in how things work, and how to make them work better. Those technical skills, paired with curiosity and determination, give Noah a steady footing as he sets sail and begins building a Navy career one knot at a time.

Ethan Schultz is stepping into the ranks of the United States Marine Corps, ready for the challenge of the unknown. CTE programs in Emergency Medical Services, Business Management, and Aviation strengthened Ethan's ability to adapt, problem-solve, and stay mission-focused under pressure. The next chapter may still be unwritten, but his willingness to meet that uncertainty head-on reflects the discipline and grit required to earn a place among the few and the proud.

Noah Daniels is headed to Wichita State University, where he will study Psychology while participating in Army ROTC. An active DECA competitor, Noah brings focus, initiative, and a deliberate approach to leadership. Through ROTC, Noah will develop discipline, responsibility, and leadership skills that support both service and his goal of becoming a psychologist.

Golden Hawks stand ready.
The mission begins.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
