5th Grade Update

We had a great week in 5th grade as we officially kicked off CMAS testing. Students came in prepared, focused, and ready to give their best effort each day. It has been encouraging to see their positive attitudes and the way they are taking the testing process seriously. They are showing perseverance, staying calm, and using the strategies we've practiced all year.

In addition to their hard work, students have done a wonderful job supporting one another and creating a calm, respectful testing environment. We are proud of how they are encouraging each other and demonstrating responsibility during this important time. We're looking forward to continuing CMAS next week and are confident they will keep up the great work.

Please send students with a good snack for CMAS.

No parent volunteers 4/6-4/17

We are so grateful for the time, energy, and care you give by volunteering in our classroom. It truly makes a difference for our students. As we approach CMAS testing, our schedule and classroom environment need to remain very structured and consistent, so we will not need volunteers during this time. Thank you for your understanding and continued support. We are looking forward to seeing you again the week of April 20th!
