

BOND UPDATES

tomballisd.net/bond

We're excited to keep our community informed as bond projects move forward. Some updates may seem small, others more noticeable, but each one is an important step in providing the best opportunities for our students.

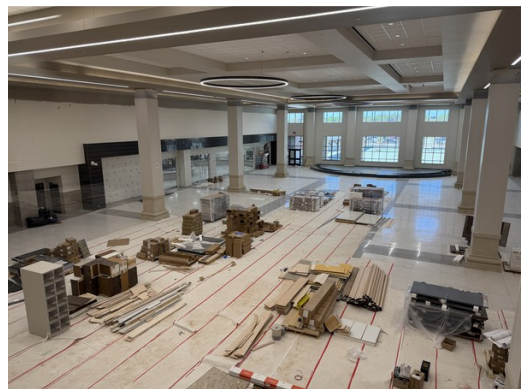

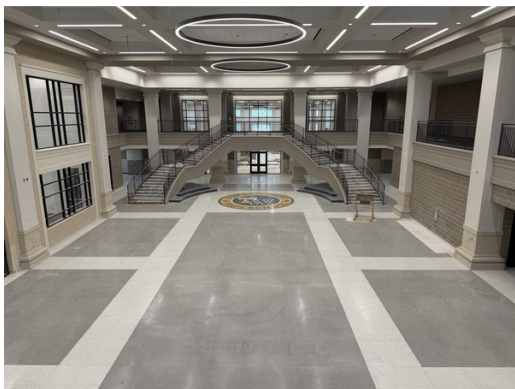

Thank you for your continued support in making these improvements possible!

Tomball West High School

Bond 2021

Facility - Ongoing Construction

- Construction of Tomball West High School continues to progress as planned with the Board of Trustees approving the purchase of student and staff technology devices during the March 2026 Board meeting.
- Artificial turf surfaces are currently being installed on the football, baseball, and softball fields.

Agricultural Project Barn & Competitive Soccer Field

- Gamma Construction has completed the rough grading of the privacy berm separating the Project Barn and Soccer Field. As of March 26th, 75% of the pre-engineered metal building structure has been erected.

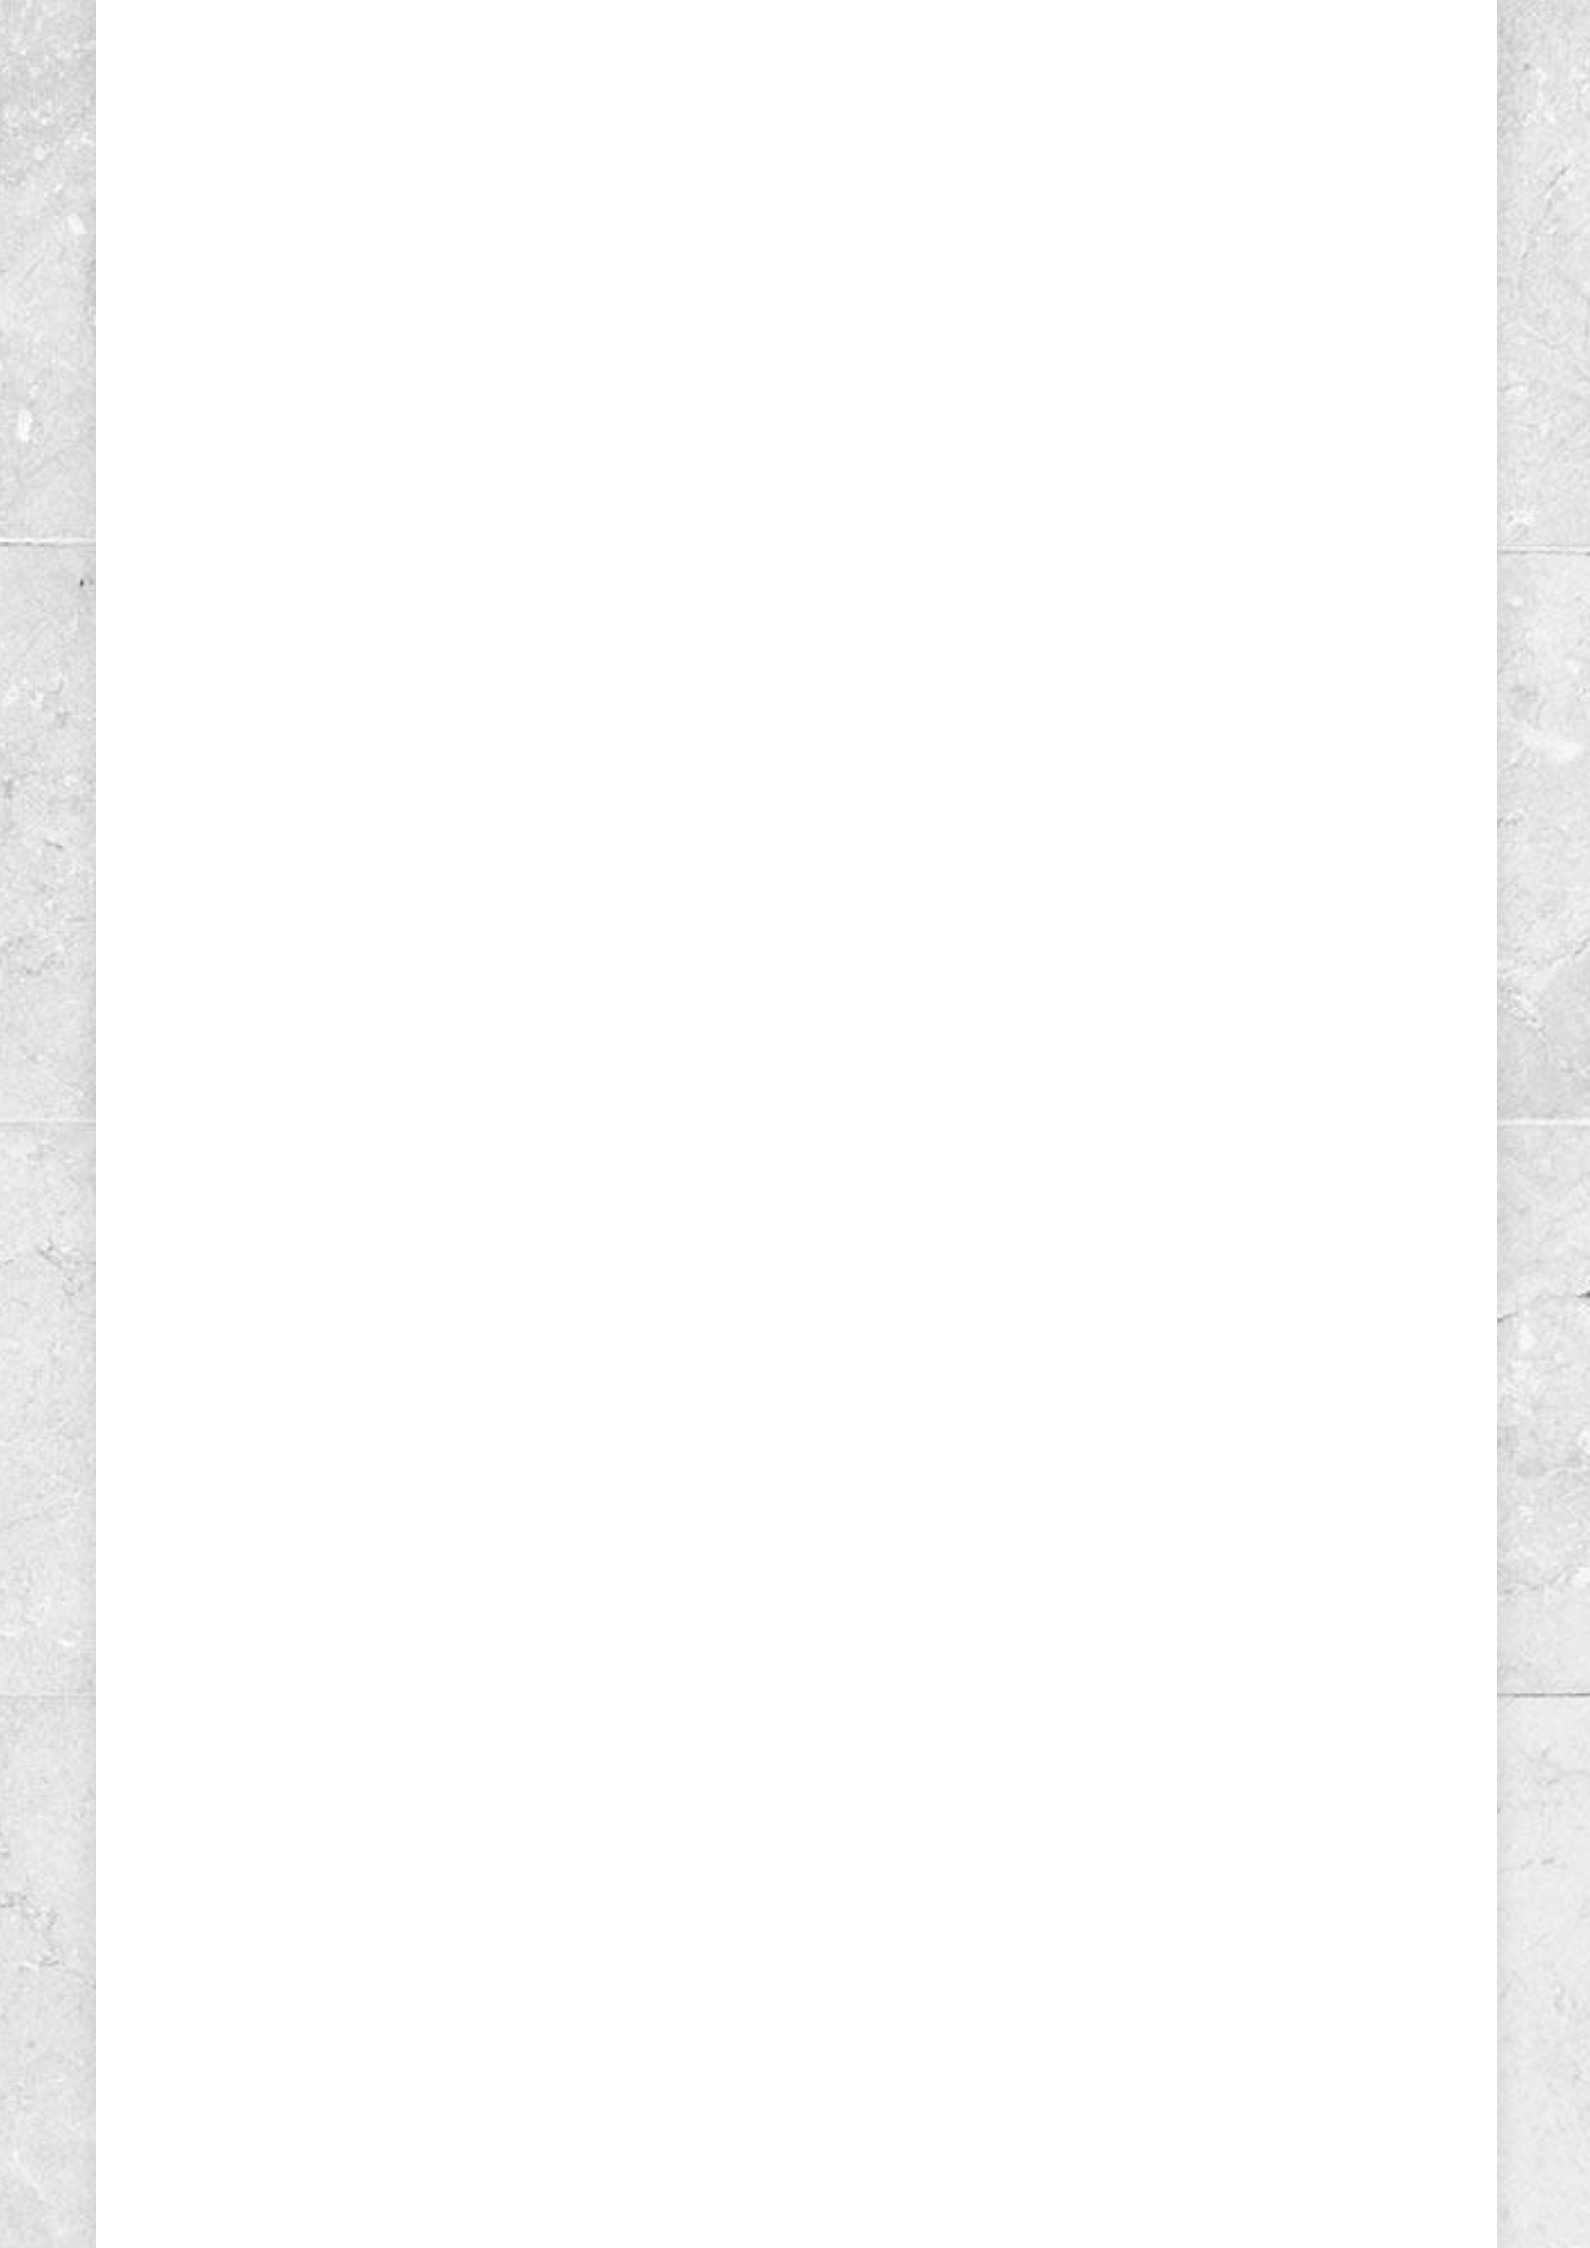

Forced Main Sewer Connection

- Deanco was selected by the Tomball ISD Board of Trustees in March to complete the connection of the West Complex to the TISD Wastewater Treatment Plant. Work to clear the path for trench work began on March 26th.

Creekside Park Junior High 5th Grade Addition

Bond 2021

- Construction on the 5th grade addition continues to progress as planned, with the Board of Trustees approving the purchase of student and staff technology devices including classroom interactive flat panels during the March 2026 Board meeting.

New Tomball Intermediate School Bond 2025

- Huckabee has completed the schematic design phase of the Tomball Intermediate School project, and moved into design development.
- This phase will refine the conceptual design into detailed plans that integrate structural, mechanical, electrical, and plumbing systems as well as final material selections.

Facility Infrastructure Replacements

Bond 2025

- In March 2026, the Tomball ISD Board of Trustees approved projects for the initial replacement of network switching equipment and network cabling at existing campuses to address devices that have reached end of life and increase campus connectivity.

Existing Campus Refresh

Bond 2025

- In March 2026, the Tomball ISD Board of Trustees approved the replacement of gym floors at the following campuses:
 - Tomball Elementary
 - Decker Prairie Elementary
 - Willow Creek Elementary
 - Rosehill Elementary
 - Tomball Intermediate
- Replacement of the gym floors at these campuses will mirror the gym flooring found at West Elementary and West Intermediate, and will be completed during Summer 2026.

Below is a photo of the gym at West Intermediate.
