There is a future negotiation calendar date for this Article in May. 3) VESPA has made some changes to the negotiations team. We added Frank Maciel, from Transportation, he has filled a vacancy we had on the team. Also, the Chair, Felix Cortez, has been the chair for over 8 years (or more) and the VESPA Executive Board voted and took action to make Kris Dilger the new negotiations Chair effective immediately. 4) VESPA continues to plan rallies, schedule organizing, attending Board of Education meetings, and this will continue until layoffs are finalized and negotiations are complete. 5) VESPA has ordered some T-shirts with a joint logo for VUEA & VESPA. 6) There is also an upcoming NEA ESP conference held March 25-29th, in Anaheim, CA. Several VESPA members will be in attendance. Also, Ms. Peek was asked to sit on a panel at the conference regarding layoffs. I am excited to represent VESAP & Ventura.
ITEM F2	<u>DIRECTOR'S REPORT</u> Ms. Mihalevsky reported the following: <u>Layoff Process & Employee Impact</u> • The layoff process involved 26 FTE, impacting over 100 positions and approximately 120 employees. • Despite the challenges, the process created opportunities to connect with a significant portion of classified staff and gain broader insight into employee experiences and needs.

- This year, HR proactively modeled bumping scenarios in advance, allowing early notification to potentially impacted employees.
- Ultimately, 8–10 employees initially identified were not impacted; follow-up meetings with these individuals reflected strong emotional responses and relief.

Employee Options During Layoffs

- Impacted employees were provided opportunities for lateral transfer or voluntary demotion, where applicable.
- Transfer eligibility required review of exam comparability to ensure alignment with classification requirements.
- Placement efforts focused first on vacancies within the same classification, and when unavailable, prior classifications held by the employee were considered.

Professional Development

- Participated in Uniform Complaint Procedures training through the Santa Barbara County Office of Education, with a focus on student complaint processes and compliance.

Ms. Mihalevsky continued with the following VUSD calendar highlights and upcoming events:

- Spring Break March 30th – April 6th
- District Holiday: Friday, April 3rd
- Next regular Board meeting is scheduled for Tuesday, April 21st

AGENDA ITEM #F

Consideration:

The Personnel Commission must adopt a budget for its operation for the 2026-2027 fiscal year.

Background:

Education Code §45253 provides that the Personnel Commission shall prepare an annual budget and hold a public hearing on its adoption, no later than May 30th of each year. As required, the Commission staff will forward a copy of the proposed budget to the governing board indicating the time, date, and place of the public hearing as a means of providing the Board and the District staff an opportunity to voice their views. Following the public hearing, the adopted budget is submitted to the County Superintendent of Schools for approval. Following approval by the County Superintendent of Schools, one copy of the adopted budget will be returned to the Personnel Commission and one copy to the District, and shall be included by the Governing Board in the regular budget of the District.

The proposed budget reflects anticipated operational expenditures for fiscal year 2026-2027 with adopted figures based on the following key changes:

- Change in director incumbent resulting in decrease in salary due to prior longevity compensation
- 1.0 FTE Human Resources Specialist contractual step advancement from Range 240/4 to 240/5 effective March 2026 – increase in base salary
- 1.0 FTE Human Resources Specialist position reduction as part of District wide cost saving measures addressing the District's structural deficit, and associated reductions to fringe and health benefits associated with position salary reduction.
- An anticipated increase in health insurance benefits for full-time positions and Commissioners health benefits
 - PC budget reflects any eligible positions for health benefits regardless of current incumbent participation
- A change in the CalPERS employer contribution rate from 26.81% to 26.4%
- Recalculation of State Unemployment Insurance rate for all wages
- Anticipated cost of substitute staffing due to HR Specialist extended half paid leave of absence.
- Miscellaneous changes to 5000 Services and Other Operating Expenses

Rationale:

The Personnel Commission is required to hold a public hearing on the budget adoption no later than May 30, 2026. Notice of the public hearing will be forwarded to the Board of Education.
