Rewards: Shop to save on school costs

The Givebacks app also features Rewards, a shopping and dining program where you earn a percent of every purchase back in Rewards—for you to use however you like!

How to get started

1. Go the *Rewards* tab in the app
2. You'll be prompted to link a card for dining
3. You'll also be asked to add a browser extension for online shopping

After setup, just shop or dine as usual—Rewards are earned automatically at participating merchants.

How to spend your Rewards

You can find Rewards in the *Account* tab of the app. **There are three ways to use them:**

1. Save on school costs by applying Rewards at checkout
2. Transfer Rewards as cash back to your bank, Paypal, or Venmo
3. Donate them directly to support our school
