ANNOUNCEMENTS

- **Dual Enrollment Support & Important Deadlines:** Over the next three weeks, Pine Ridge High School counselors will be working closely with students to support the dual enrollment process. Counselors will begin with classroom visits from April 7–10, followed by application sessions for new dual enrollment students on April 13–14. Registration sessions will take place on April 20–21. PERT testing will be offered April 13–15, and counselors will host Q&A sessions during lunch from April 13–18 to answer student questions. Please note the following important counseling deadlines: April 27, 2026 is the deadline to submit all summer course requests, and May 22, 2026 is the deadline to submit all fall course requests to your assigned school counselor. We encourage students and families to take advantage of these opportunities to ensure a smooth dual enrollment experience.
