Discussed Proposed Budget Cuts

Budget:

We were instructed to work with the budget we have been given, and create a priority list of things that we would want back.

Reviewed options for cuts to be made.

Comments and questions:

Idea 2 was the consensus of what needs to be cut.

Idea 2:

3 Paraprofessionals <\$146,037>
Webmaster and Translation Stipends <\$6,500>
2 Tutors <\$60,480>
General supplies <\$21,301>
Professional Development <\$18,900>

Discussed that it would be less people cut than other options.

Motion to take a vote by Barbara Burgess, seconded by Jen Gevry Sargent

Vote taken: 7 yes - motion passes for approval of Idea 2 for Budget cuts.

Priorities for things to bring back:

People first in order:

2 Paraprofessionals
1 Tutor

1 Paraprofessional

1 Tutor

Any money that would not cover bringing something back would go into the Professional Development funds. If there is enough funds to bring the Webmaster position back that would be a priority.

Motion to adopt list by Sarah Sheedy, seconded by Jen Gevry Sargent

Vote taken: 8 yes - motion passes for approval of list to bring back.
