

FOOT Notes

04/10/26

A Note from the Principal

I hope that everyone is enjoying the wonderful spring weather this weekend. As we move through the spring months and into the summer, I know that our students are getting outside and are with their friends more frequently. I would like to ask all of our families to make sure they are keeping a close eye on their student's social media accounts and have a conversation about what is and is not appropriate and being a good digital citizen. While most students use these accounts to show off skills, share fun times with their friends, or celebrate big events, some students have posted other items that are inappropriate and can result in bigger consequences. We have had these at school and I believe it would be a good message at home as well. Turkey Foot Middle School has wonderful students and I know with your support, they will do amazing things.

Kona Ice 4/24/26

On Friday, April 24th, students will be able to purchase Kona Ice after lunch. A link for presale tickets is below. The presale will be open until Wednesday, April 22nd at midnight. No payment dropoffs will be accepted on the day of the sale. Please be sure to send money with your child on Friday, April 24th or purchase through the presale link prior to midnight on April 22nd. Spiritwear Sale

The Indians Club will be hosting a spiritwear sale through April 19th. Please click on the link to see the spiritwear offered for sale. Place your order before the deadline. [TFMS Online Store](#)

Yearbooks Are On Sale

Yearbooks are no longer on sale. If you missed your chance to purchase, they will be available again starting June 1st at [Strawbridge.net](#) Use the code: YB32567

8th Grade End of Year Events Requirements

At the beginning of this quarter, administrators met with the 8th grade class and went over the 8th grade Bridging and Dance criteria. Please see the criteria below.

1. 2 or less referrals.
2. No suspensions.
3. Passing 5/6 classes for the year
4. Attendance: absences and tardies 10% or less
 - o Special circumstances taken under consideration by administration.

Student Council Service Projects

Peppermint Drive: TFMS Student Council will be hosting a peppermint drive between now and April 23rd as we want to collect enough peppermints for every student to receive at least one during their testing days to help with mental clarity and focus! Student Council will be passing them out along with encouraging notes to help give our students an encouraging boost. If you are able to donate, we need individually wrapped, hard peppermint candies which can be dropped off

to the guidance office!

Bottle Cap Collection: As of now, we have enough bottle caps for a few different projects but we will now need to work on collecting the money to pay for the process. We need to raise over \$1000 to make this happen. If you know of any or have a business who would like to sponsor our year long project, please contact Mrs. Mulroney at brandi.mulroney@kenton.kyschools.us

Important Dates:
