

RESUMEN SEMANAL

Semana del 13 al 17 de abril

Estimadas familias de Cordova Gardens,

Aquí tienes el resumen semanal de tu jardín (El Nido del Águila). Esta actualización semanal se publica todos los domingos antes del inicio de la semana escolar. Aquí encontrarás información actualizada sobre la escuela y el distrito. Este resumen semanal también estará disponible en el sitio web, en la pestaña para padres, dentro de la subpestaña "Resumen Semanal".

Informes anónimos del distrito WeTip: [Haga clic aquí](#)

**WeTip permite a estudiantes, familias, personal y miembros de la comunidad denunciar problemas de seguridad o acoso escolar anónimamente

Cómo mantenerse informado:

1. Consulta el resumen semanal. Se publicará en la página web del colegio.
2. Consulta el sitio web principal de la escuela. Haz clic aquí [Academia de Artes y Ciencias de Cordova Gardens](#)
3. Compruebe si dispone de los textos principales. (Envíe un correo electrónico al Sr. Bliss si no los recibe).
4. Bienvenida de nuevo Presentación del Título I 14/08/2025:
 [Cordova Gardens Title I Presentation 25-26 .pdf](#)

Anuarios:

Aquí tienes un enlace que puedes enviar a los padres para que compren el anuario. <https://www.treering.com/purchase?PassCode=1017597907962377>

Información adicional del anuario:

- Este año, los padres pueden adquirir el anuario por \$20 (impuestos no incluidos).
- Los anuarios se entregarán aquí, siempre y cuando se compren antes del 22 de abril.
- Los padres aún pueden comprar los anuarios después de la fecha límite, pero en ese caso se les enviarán directamente a su domicilio. Se añadirá un pequeño cargo por envío a su compra.
- Tendremos una cantidad muy limitada de anuarios a la venta para que los padres los compren en persona durante las últimas dos semanas del año escolar.

Rincón de la Salud y el Bienestar

- ¡Lea nuestras actualizaciones sobre la colaboración del distrito con Care Solace!

- Aquí encontrará información sobre teleterapia: [haga clic aquí](#)
- Momento de salud mental:

Mantén la calma mientras desarrollas tolerancia a la frustración.

La frustración es una parte natural del aprendizaje, y ayudar a los niños a manejarla fomenta la confianza y la resiliencia. En lugar de apresurarse a solucionar sus problemas, animelos a hacer una pausa, respirar hondo e intentarlo de nuevo. Convierta los desafíos en juegos —«¡Veamos de cuántas maneras podemos resolver esto!»— para que la resolución de problemas sea divertida. Elogie su esfuerzo, no solo el éxito, para que aprendan que los errores son solo pasos hacia la mejora. Lo más importante es ser un modelo de paciencia: los niños aprenden a manejar la frustración observando cómo los adultos manejan los contratiempos. Con la práctica, verán que superar los desafíos los hace más fuertes, ¡no estancados! Haga clic aquí [este enlace](#) Para obtener información adicional sobre este tema, o si tiene alguna pregunta o inquietud relacionada con el aprendizaje socioemocional o la salud mental, comuníquese con Jessica Biskner, trabajadora social escolar, a través del correo electrónico jbiskner@fcusd.org.

[Rincón de asistencia](#)

Incluso faltar solo dos días al mes supone la pérdida de un mes entero de aprendizaje al año. Cada día que tu hijo/a asiste a clase desarrolla habilidades, confianza y conexión.

5 COSAS QUE PUEDES HACER SI TU HIJO ESTÁ EVITAR IR A LA ESCUELA

1. Mantén la calma y la curiosidad. Pregúntales qué les preocupa; a menudo, detrás de grandes sentimientos hay una pequeña razón.
2. Mantén rutinas estables. Acostarse a la hora habitual y tener rutinas matutinas ayuda a que la escuela se sienta normal.
3. Demuestra confianza. Di: "Sé que puedes hacerlo", en lugar de "No tienes que ir".
4. Pide ayuda. No esperes, el equipo de tu escuela quiere apoyar a tu hijo cuanto antes.
5. Empieza por la recepción. Allí te pueden poner en contacto con la enfermera, el consejero, el personal de asistencia o el especialista en salud mental para que te ayuden.

[Rincón de la AMPA](#) 🌸 ¡Es hora de disfrutar de delicias en Cordova Gardens! 🌸

¡Date un capricho (o regala uno a alguien más) con los deliciosos dulces See's y, al mismo tiempo, apoya a nuestra escuela! Cada pedido contribuye directamente a financiar excursiones, material escolar y actividades especiales para nuestros alumnos.

Desde ahora hasta el 20 de marzo de 2026

March 29, 2026

Dear Cordova Gardens Families:

Once again, we are ready to begin our state testing. At Cordova Gardens we will be administering the California Assessment of Student Performance and Progress, CAASPP, to students in grades 3-5 only. Our testing window is from **March 30th – May 8th**. We will be testing daily starting at 8:30 to about 10:00 on the following test schedule:

Testing Schedule:

- March 30-April 2: 5th Grade CAST Science Testing, no other grades.
- April 3rd- 10: No testing, Spring Break
- April 13-17 No testing 1st week back from spring break CAST Make up
- April 20-24: English Language Arts Testing Grades 3-5
- April 27-May 1: Math Testing, grades 3-5
- May 4-May 8: ELA and Math Make-ups, grades 3-5

We will begin testing on Monday March 30th, with 5th grade taking the Science (CAST) portion of the exam. The California Assessment of Student Performance and Progress, CAASPP, is administered electronically in the subject areas of reading, writing, listening, speaking, and math. Our students use chromebooks and wired headphones in their own classrooms to take the test.

At Cordova Gardens, our goal is to support every student in doing his/her best on the test so that he/she shows all the information learned this school year. This year our testing supports include:

- PTA will provide nutritious snacks to every student before and during testing.
- Each teacher has a "star chart" for every student. As the students test, the teacher will recognize focused effort with a star. When the testing session is complete, all students with a full star chart will receive a small school supply testing token for their hard work.
- **As attendance is very important, we will track student attendance during testing. Every student who is on time, and stays the entire day for each day of testing (perfect attendance: no early dismissals, no appointments, no unexcused absences) will participate in a fun activity at the close of the testing window.**

We hope that these additional events will help make testing a fun time in which students learn to look forward to the opportunity to demonstrate their learning.

During this time, I ask that you please do everything possible to schedule **ALL** appointments outside of the school day. Additionally, I ask that you please make sure that your child/ren is/are at school on time and remain at school for the entire day. It is very important that your child take this test during the regularly scheduled testing time. Should an emergency occur and you need to pull your student from class, I will be called to personally escort your student to the office in accordance with testing protocols.

Calls to the classrooms during testing are not allowed. Make-up tests are allowed, however, the testing environment will not be what your child has been accustomed to. Most make up sessions are late in the afternoon. These sessions are not always the best environment for your child to score optimally on these state tests. If a child is late, and testing in his/her classroom has begun, your child will remain in an alternative placement, until the class is finished with testing. In this case, your student will make up the test on a make up day/time. Please understand that our classrooms cannot be disturbed during testing.

Our daily assessment schedule begins at 8:30. Students must be in their seats and ready to begin the assessment prior to (8:30). Please be sure that your student gets plenty of sleep the night before the assessments. Students should eat a good breakfast on the mornings of the tests. Parents really play a huge role in how well their children do on state testing. Your positive and encouraging support is crucial during this often stressful time.

Please encourage your student to take his/her time and work diligently. The test is not timed and we will allow students to take all the time they wish. We will even bring lunch to them if they wish to work through lunch time. It is essential that **no student be in possession of electronic devices during testing (phones, bluetooth headphones, smart watches, & etc). Strict adherence to district and site cell phone and electronic device policies will be required during testing.** Students have been working hard to get ready for the test. I am confident they will score very well. Please feel free to call me if you have any questions or concerns regarding the assessments.

Sincerely,

John P. Bliss
Principal
Cordova Gardens Elementary School
