Letter from the Principal

East High Families,

Can you believe it's already April? While we see the weather improving and the end of the school year approaching, we want to make sure students are pushing themselves to finish this year on a high note.

Our building wide attendance declined during the month of February, so we are asking that all parents/guardians encourage students to come to school, attend their classes and not leave the building unless it's for lunch if you are a sophomore, junior or senior. We have many events happening between now and June and we want all students to be able to participate in those events. It is important that students know that they need to be students first and are required to attend school 85% of the time or more and have no major (administrator required) referrals to be able to attend Prom (juniors or guest of a junior) and go to after school activities. You can keep track of your student's grades and attendance by having access to the Parent Portal in Infinite Campus. If you do not have access please call the Help Desk at 920-448-2148 for assistance.

A reminder for seniors, we have a senior meeting on Wednesday, April 15th in the auditorium during advisory where important information for the end of the year will be shared. If your student can not make it please tell them to watch their email after April 15th for emails from me so they stay up to date.

As always, if I can be of assistance please reach out.

Lisa Lipp - Principal

Update to Payment Processing for Student Fees and Food Service

To help manage the increasing cost of credit card processing fees, the district will begin applying a 3.85% processing fee to all credit card payments made through the Infinite Campus Parent Portal. This includes payments for student fees as well as deposits to food service accounts.

We are also introducing a new, lower-cost electronic payment option: ACH bank payments. By entering your bank account information in the Parent Portal, you can make payments electronically with a fee of $1 per transaction.

As always, cash and checks remain acceptable forms of payment for both student fees and food service.

It's time to apply for scholarships! The **GBAPS Scholarship Guide** offers all GBAPS students the opportunity to quickly browse local and national scholarships. The Scholarships are organized by due date and are updated often.

The East High School application opens March of 2025. These scholarships are for East High Students only. The link will be provided to students via email as the date gets closer.

FAFSA

FREE Application for Federal Student Aid

Seniors, visit FAFSA.gov to learn more about applying for grants, work-study and low-interest student loans. The FAFSA is being updated and hopefully will be available in December online at FAFSA.gov
Please see your counselor and/or Mrs. Kong in the Career Center for assistance with FAFSA.

FSA ID

In order to complete your FAFSA online you will need an FSA ID! A FSA ID gives you access to Federal Student Aid's online systems and can serve as your legal signature. Students who are SENIORS and one parent/legal guardian will need to create an FSA ID. Visit FSAID.ed.gov.

Did you know that East High School has a Career Center? There is a wealth of information pertaining to post-secondary planning including links to college and technical college websites, a calendar for each month highlighting what reps will be visiting, the most recent scholarship postings, local job opportunities, the military, and volunteer/service learning sites. This is an excellent resource for all students and parents!

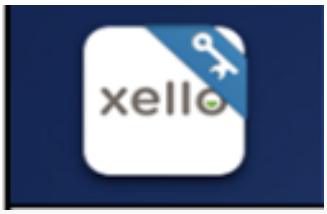

Check the East Scholarship Guide on the school web site often for new scholarship opportunities. See your school counselor or Mrs. Kong in the Career Center if you need assistance with the scholarship process.

The Career Center is designed to support the Student Services Department. Students and parents can utilize the Career Center's research career options, post-secondary education, military options, scholarship opportunities, job opportunities, do career assessments and more. Resource materials include books, catalogs, videos, CDs, etc.

Computers are available for Internet research, Zello, a valuable online research resource, is offered in the Green Bay High Schools. It includes a wealth of information about post-secondary schools and careers, along with assessments, and job seeking information. Zello features an option that allows students to create an e-portfolio.

Music Department Upcoming Events

Please support us as we dive into a brand new show, never produced in WI, Parody This! The play will have you rolling in your seats and maybe singing along.... *foreshadowing never hurts* The poster may also give you a hint of what literary works will be parodied. For fun, let's say you mix Oedipus Rex with Disney - one may see Oedipus on Ice... or Frankenstein working in a stuffy store... maybe Sherlock has a bit of a "bottom" problem but still solves a mystery.. and Jurassic Park makes it on stage!! Guess you will have to see it to believe what our students can do!!
See you April 23 & 24 at 7 pm, April 25 at 1 and 7 pm...
