

Tomah High School Newsletter

Friday January 9, 2026

Dr. Chai Lee

Mr. Jeff Adams

Dr. Jamie Nusbaum

From the Principal:

Dear Parents/Guardians,

Happy New Year! We are enthusiastic about the new year and the second semester of school. Although it seems to be very short, the end of the first semester is approaching us. I want to summarize the first semester activities as follows:

1. We had a great open house in August. Director Bender, Food Service Department, served all guests with delicious foods.
2. We held two assemblies during the first semester to celebrate successes. We also celebrated our Native American Heritage by holding fun and culturally engaging activities.
3. We had our first teachers and parents' conferences.
4. We ended the first four months of school with an enthusiastic assembly where our student leaders led many fun and engaging activities.
5. We also honored many scholars and educators of the month each month since October 2025. We will continue to honor educators and scholars of the month until the end of the school year.

In addition, many scholars have been recognized for athletic and academic excellence. For example, The Golf Coaches Association of Wisconsin is pleased to announce that the following student-athletes from Tomah have been recognized as 2025

Academic All-State honorees:

- Karma Hasselberger
- Kaydence Hasselberger
- Camryn Eirschele
- Rylee Fritz
- Cadence Scholze

First semester will end on Friday, January 16th. Please continue to encourage the scholars to work closely with their teachers. Parents can help the scholars by 1) showing that you believe they can do great things, 2) Celebrating effort, resilience, and growth, not just outcomes, 3) Being their safe space, 4) Modeling balance and self-care, and 5) Staying curious about their world. Thank you very much for your continued support of Tomah High School.

-Dr. Chai Lee, Principal

Scholars of the Month:

9th Grade:

**Kalin
Brown**

**Morgan
Kuehl**

**Lauren
Sodergren**

10th Grade:

**Michael
Nelson**
