

# Tomah High School Newsletter

Friday February 6, 2026

**Dr. Chai Lee**

**Mr. Jeff Adams**

**Dr. Jamie Nusbaum**

## From the Principal:

Dear Parents/Guardians,

We want to thank you for continued support of our scholars. We are committed to providing opportunities that help our scholars excel academically, socially, and personally. In this edition of the newsletter, you will find important updates, upcoming events, and stories celebrating the incredible things happening at Tomah High School.

We would like to remind parents/guardians that first period starts at 7:55 am. Our scholars must arrive at school by 7:50 to be on time for their first period.

Let's work together to prepare all scholars for a successful future!

Please speak with the scholars about the importance of being on time to every class, engaged in every academic activity, and ask questions before leaving each classroom.

-Dr. Chai Lee

## From the Counseling Office:

On Tuesday, **March 17th**, Juniors at Tomah High School will participate in the ACT with Writing assessment. Juniors are required to take this test as part of state testing. We have a window to complete all testing from March 10th through March 20th. There may be some specific ACT testing that will start on March 10th and occur throughout our window to ensure all students complete ACT testing.

These students will be notified of their testing date and time. Our goal is to have all our students be successful and do their best on this assessment. We need your help to ensure each scholar comes prepared for the assessment.

We also will be sending out a 2026-27 course registration message that includes:

Course registration will be opening on Thursday, February 5th. Please use your Student Campus account to select course requests AND alternates for the 25-26 school year. Please complete your requests by February 23rd.
