

ACADEMIC CLUBS

Art Club

The Tecumseh Junior High School Art Club is an open studio format. Any and all students can stop by to work on their art projects, interact with other student artists, and receive one-on-one help.

Chess Club

Chess Team is open to anyone willing to learn or play chess. The team will meet on Mondays to work on chess strategies. This team will also compete in a chess tournament. Join this team to experience what it is like to have fun while problem solving!

Drama Club

Drama Club begins meeting in early September to work on the annual fall play, and auditions are held soon thereafter. Practices for Drama Club occur on Wednesdays.

MUSIC CLUBS

Jazz Band

The Tecumseh Jazz Band is open to any band or orchestra member on any instrument. Jazz Band practices on Tuesdays and Thursdays.

Tecumseh Singers

Tecumseh Singers is a co-curricular select group of auditioned singers. The students will practice after school on Fridays.

ATHLETIC CLUBS

Dance Team

The Dance Team is a select group of auditioned dancers. The students will practice on a regular basis after school. These students will participate in at least two different performances throughout the school year and participate in the Jefferson High School Dance Recital.

TECUMSEH CLUBS

Why join?

- Build friendships!
- Relieve stress!
- Develop skills!
- Personal growth!
- Community service!
- Plan school events!
- and **HAVE FUN!!**

Homework Club

Homework Club runs Tuesday through Thursday after school. Teachers are available to help you with homework, test prep, and review. You can come daily or only when you need help.

FACS Club

FACS Club meets once a week after school. Come explore foods around the world while learning different cooking techniques.

Game Club

The students in Game Club play traditional games like Chess, roleplaying games, and games like Magic: The Gathering. Students are free to bring their own games to play with others.

Inclusion Club

Inclusion Club is a safe space for everyone, regardless of how one identifies. This club will help create experiences that promote peace and helping the community as well as enhance connections between students.

Newspaper Club

This group of students will join together to start developing the skills needed to create, develop, and produce a monthly school newspaper and learn about journalism through hands on experience.

National Junior Honor Society

The NJHS is an American student organization that consists of chapters in middle schools.

Robotics Club

The Robotics Club is a very active club at Tecumseh. They meet weekly for students to develop and create a remote-controlled robot using VEX. The club members will develop a design for a drivable robot based on the assigned "game" for that year, while following all of the established rules and regulations. The Robotics Club is a great way to make friends and have fun while working your creativity and hands-on building skills to design and build a robot.

Spell Bowl

Spell Bowl is a spelling competition open to 7-8 graders.

Student Council

Student Council provides and opportunity for students to engage in a structured partnership with teachers, parents, and administration in the operation of their school. The student council members lead projects at school and in the community.

TTRPG Club

This club explores imagination, as well as trial and error, and problem-solving. Members work together towards a common goal. TTRPG Club meets on Wednesdays.

World Language Club

World Language Club meets once a week. During meetings, we learn about different countries, their cultures, taste traditional foods, learn dances, and practice speaking their language.

-Ms. Sun

Yearbook Club

Yearbook Club organizes, creates, and helps write our Tecumseh Yearbook. Yearbook Club meets on Wednesdays.
