

Good morning,

In recognition of the Month of the Military Child, Governor Ron DeSantis has issued a proclamation recognizing the sacrifices, courage and contributions of our military families. The Month of the Military Family in Florida proclamation encompasses all reasons that Florida is the most military-friendly state in the nation. The proclamation can be read [here](#). For additional information regarding Month of the Military Family and Purple Up! Day, please visit the Military Family Resources page [here](#).

The Military Interstate Children's Compact Commission (MIC3) addresses key issues encountered by military families. Working with school districts and member states, MIC3 provides support and consistency. In the most recent meeting, Lisa Hill invited all to receive their newsletter and calendar. The next Purple Star Schools quarterly meeting will be held via Teams on Tuesday, May 19, 2026, at 11:00 a.m. ET. To participate, click [here](#). This meeting will include updates from the Florida Military Council and a district spotlight on two student-led transition programs at Purple Star Schools. A technical assistance meeting will be held on July 28, 2026, to support renewing and new applicants.

Thank you for all the work you do supporting our military-connected families!
