

Bridges Afterschool

Session 5

Monday, April 27th -
Thursday, June 11th

Half-Day Wed. on 5/13

No School on Monday 5/25

NES Families,

Spring has arrived at Bridges, and we're excited to share the lineup of programs for our final session of the school year!

We're also delighted to welcome special guests from our partnering organizations, including Kennedy's Flowers, for a floristry experience, and the Vermont Farm and Forest School, for "Farm to Bridges."

As mud season continues, we kindly ask that your child come to school each day with both sneakers and boots. Our students spend time outdoors daily for recess and programming, both on the playground and the trails. We also appreciate your help in labeling all footwear and outdoor gear with your child's name or initials, which helps us return any misplaced items more easily.

Please note the following important dates for this session:

Half Days: On May 13th, students enrolled in Bridges on Wednesdays will join us directly from their classrooms at 1:00 p.m. We have a fun-filled afternoon planned with extended recess time, snacks, and activities. Pick-up time remains at 4:45. If your child is not already enrolled in Bridges, you may opt for them to attend from 1:00-3:00 p.m. on this half-day Wednesday only.

No School/No Bridges: There will be no school or Bridges on Monday, May 25th. Session 5 ends on Thursday, June 11th.
