## Support Our Students!

In MPS, thousands of students experience homelessness each year. You can help them succeed in school!

The Homeless Education Program (HEP) provides support so students can stay in their schools, maintain the bonds they have formed, and remain among trusted staff. Part of our work is to provide daily essentials that children and families need.

Our students need new or gently used items to succeed in school:

- ▶ Backpacks
- ▶ Clothing
- ▶ Hygiene products
- ▶ School supplies
- ▶ Winter gear
- ▶ And more!

**HEP welcomes fundraisers and donation drives! Contact us for more information, to make a financial contribution, or to explore which items are most needed.**
