Newport-Mesa Unified School District (NMUSD) is seeking community input on our school and district plans and programs as part of the Local Control and Accountability Plan (LCAP) process.

Your feedback helps us understand what is working in our classrooms, at our schools, and where we need to do better.

Please attend one of the forums to provide input on our district and school plans related to the areas of:

- Academic Success
- Mental Health, Wellness and Student Engagement
- Family and Community Engagement
- Conditions of Learning
