HUDSON HIGH SCHOOL **RAIDER FOOTBALL**

April 12, 2026

Hudson Raider Football Family:

I hope everyone is enjoying a great start to the spring season. The school year is moving along very quickly, as we have already entered the final quarter – bringing us that much closer to another exciting season of Hudson Raider Football. This letter is meant to help everyone stay informed and ready for what's ahead by providing an overview of all key events, important dates, and scheduled times for the upcoming season.

FRESHMEN/NEW PARTICIPANT AND PARENT MEETING: Monday, April 20th (6:00 – 6:50 PM)
The Athletic Department is adjusting to one meeting date for new athletes/incoming Freshmen and their parents instead of a meeting before each season. This meeting that will take place in the high school auditorium will be required for Freshmen and any new students to our athletic programs in an effort to provide more comprehensive information specific to registration, code or conduct, culture, etc.

FOOTBALL PARENT/COACH MEETING: Monday, April 20th (7:00 – 7:30 PM)
Immediately following the new athlete meeting will be sport specific meetings so that new parents only need to attend meetings on one night. Our football meeting for parents in all grades 9-12 will begin at 7 PM in the auditorium, and we will go over all important information that parents should know going into the season and give parents an opportunity to ask questions as well.

HUDSON BENCHWARMERS ANNUAL MEETING: Monday, April 20th (7:30 – 8 PM)
The Benchwarmers is the football parent organization dedicated to providing both financial and organizational support for the Hudson High School football program. All parents of players in the program are automatically members, creating a strong and inclusive community focused on enhancing the experience for our student-athletes. The group plays a vital role in many aspects of the season, including organizing spaghetti dinners, coordinating the end-of-year banquet, supporting the Pigskin Picnic, arranging meals for away games, and staffing concessions during varsity contests. Their commitment and efforts are instrumental in creating a first-class experience for our players, and we are incredibly grateful for the time and energy our volunteers give. Much of this work has been thoughtfully developed and refined over time, with clear guidebooks in place to make volunteering straightforward and easy to follow.
One of the greatest areas of need each season is staffing concessions, as it takes a large and coordinated effort to run them successfully during varsity games. We encourage 9th grade parents to take a leading role in this area, as their players are typically not on the field during varsity contests in their first year. That said, we truly welcome and appreciate the support of parents from all grade levels who are willing to contribute. It takes a collective effort to make this program special, and every contribution plays a part in creating a memorable experience for our players. Additional details about volunteer opportunities will be shared at this annual meeting.

END OF THE YEAR FOOTBALL MEETING: Monday, June 1st (3:00 - 3:30 PM)
This meeting is for all players who will be in grades 10-12 this fall who are interested in playing football. We will meet in the fishbowl to go over the summer and fall information. Players who cannot attend, including those who are still in their spring sports, should let Coach Kowles know before the meeting and get any information.

Conference Champions
1936, 1942, 1944, 1948, 1954, 1962, 1965, 1966, 1973, 1974, 1982, 2009, 2012, 2013, 2022, 2023
WIAA State Playoff Participants
1996, 2001, 2003, 2005, 2007, 2008, 2009, 2011, 2012, 2013, 2014,

State Semi-Finalists
2012, 2013

RAIDER ELITE - SUMMER 2026: Monday, June 8th through Monday, August 3rd

Raider Elite is a FREE, specialized program that takes place Monday through Thursday throughout the summer for Hudson athletes entering grades 9-12. Our goals are to teach proper lifting and running techniques that will help in injury prevention and will help athletes gain strength, speed, and power that will transfer onto the playing field. Registration has already begun, but you can still register for some of the time slots. To register, go to the district homepage (hudsonraiders.org) and go to the Family-Resources tab, go to Summer School, and find a link under Raider Elite. Although there is limited space, we want everyone to get an opportunity to be able to improve themselves in the weight room. This summer, athletes will get five days off once school is out before Raider Elite begins on June 8th with a 7-week program before the start of the football season. There is no Raider Elite the week of June 29th through July 3rd.

It is critical that we embrace this opportunity to work together and improve throughout the summer. These workouts are not only essential for building strength and speed, but they also play a key role in injury prevention. Successful football programs at every level are built on a strong weight room foundation and a positive team culture—one that emphasizes working together, pushing each other, and holding one another accountable.

The work we put in now will directly translate to our success on the field. This summer gives us a valuable opportunity to grow as a team and reach our full potential. By committing to the process, each player can become the best version of themselves—not only in football, but in other sports and in life—by setting goals, staying disciplined, and putting in the work to achieve those goals.

7 ON 7 AT ST CROIX CENTRAL HIGH SCHOOL: Wednesday Evenings, June 10, 17 and July 8, 15, 22

We will return to St. Croix Central High School on Wednesday evenings to compete in 7 on 7 in June and July. We will compete with JV and Varsity teams against many other area high schools. The JV will primarily be made up of incoming 9th and 10th graders and will play at 5:30 and 6:15 PM, while the Varsity will play at 7:00 and 7:45 PM. Players need their own transportation to and from the event each week. Carpooling has worked out well in past years. More information will be available soon as well as how to sign up to play. Players do not need to be able to play every week and can simply sign up to play in as many games as they can, and there is no fee to participate.

WIDE RECEIVER CAMP: Wednesday, June 17th (12:45 – 3 PM)

All wide receivers, slots, and quarterbacks are invited to attend a one-day wide receiver camp on June 17th at Raider Stadium. Stan Zweifel, who has 50 years of coaching experience and is widely considered one of the best WR coaches in the country, will be on hand to work with our receivers. More information will be available as well as how to sign up. This is a great opportunity for our players to improve fundamentals and learn new techniques.

MINI-CAMP: Sunday, June 21st – Thursday, June 25th (S-W: 6:00 – 9:00 PM, Th: 3:00-5:00 PM)

Football really begins with our annual mini-camp and it is always one of the highlights of the summer. This camp on June 21st through June 25th is for all players going into grades 10-12. We use these WIAA-allowed contact days to work with our athletes to install offensive and defensive schemes for the upcoming season and improve upon our techniques and fundamentals. This camp is critical to get a jump on the upcoming season and provides an opportunity for the team to build a foundation together, and it is very important for all players in grades 10-12 to participate. On the first day of camp, players should report to the equipment shed by the practice fields on June 21st at the following times: ***Seniors – 5 PM, Juniors – 5:20 PM, Sophomores – 5:40 PM***

Practice and meetings on Sunday through Wednesday will take place in the evenings while Thursday's practice will be in the afternoon. Any player who has a conflict with mini-camp should see Coach Kowles as soon as possible. There is no registration needed or cost to attend mini-camp. Players should just show up at the equipment shed by the practice fields and check in at their time slot on June 21st to get fitted for equipment. We will turn in equipment at the conclusion of mini-camp. Players who will be attending a football camp after mini-camp are able to keep equipment for camp, but all players must turn in their equipment before the season starts in August.

END OF MINI-CAMP JOINT PRACTICE AT LAKEVILLE SOUTH: Thursday, June 25th (3:00 – 5:00 PM)

New this year, we will be travelling to Lakeville at the end of mini-camp to hold a joint practice/scrimmage against one of Minnesota's premier programs in Lakeville South. This will provide us with a tremendous opportunity to enhance our skills and gauge our progress against an elite team. All players in grades 10-12 will participate as we will practice and scrimmage against Lakeville South's Varsity and JV teams. Fans are welcome to attend. We will take a bus to and from Lakeville and players will turn in their equipment when we return.

MIKE FARLEY'S KICKERS CAMP: Saturday, July 11th (9 AM – Noon)

We are excited to be hosting one of Mike Farley's kickers camps at Raider Stadium this summer. Coach Farley has worked with hundreds of kickers over the past four years with camps across the Midwest. This is a tremendous opportunity for our kickers to get quality instruction and many quality kicking reps in this event right at home in Hudson. Since we are hosting this camp, there may be an opportunity to get a discounted rate for our kickers, so let Coach Kowles know if you are interested in signing up. For more information and to register, go to: ***https://kickerscamp.com/summer-camps/***

FALL SPORTS REGISTRATION*: *Online beginning on Monday, July 13th

Registration for fall sports is to be completed online and will open up on Monday, July 13th. You can check the high school athletic website for complete details and instructions, but here are the two things that need to be done in order to register for football:

1. Log into MySchoolBucks to register and submit payment. If you do not have a MySchoolBucks account, go to MySchoolBucks to create an account.
2. Students must have a valid physical on file in the Athletic Office. Physicals dated April 1, 2025 or thereafter are valid for the 2026-2027 school year. If your physical is prior to April 1st, 2025 you will need a NEW physical submitted to the Athletic Office. Student physical dates for your child can be found in Skyward.

If a physical is needed, don't wait until the last minute. Students will not be able to participate on the first day of practice unless they have a valid physical turned into the athletic office.

ABC & RAIDER PRIDE FOOTBALL CAMPS: (Monday - Thursday) July 13th – 16th (8:30 – 11:00 AM)

This summer marks the 25th year of this youth football camp in Hudson, and we're proud to continue a tradition that has impacted hundreds of young athletes. In recent years, we have welcomed over 200 campers each summer, and we anticipate another great turnout this year. Our goal remains the same: to provide a high-quality camp experience at an affordable cost, with a strong emphasis on fundamentals in a fun and energetic environment.

The ABC Football Camp is open to athletes entering grades 3–6, while the Raider Pride Football Camp will run concurrently for athletes entering grades 7–9. At the younger levels, our focus is on building a strong foundation through skill development, teamwork, and a safe introduction to the game. For our 7th–9th grade athletes, we will also introduce elements of our middle school and high school schemes and techniques to help prepare them for the upcoming season. And, since we do not have a high school mini-camp for players in 9th grade, they are encouraged to attend this camp to get a jump on the upcoming fall season.

Both camps will be led by our high school coaching staff, along with current high school players who bring great energy and enthusiasm as they work with the next generation of Raiders. High school players in grades 10-12 who would like to coach at this camp will be able to sign up at the end of the year meeting or at mini-camp.

Camp details and registration information can be found at ***hudsonraidersfootball.com*** under the Camps tab.

ADDITIONAL SUMMER PRACTICES: Wednesday/Thursday, July 15th – 16th (11:15 AM – 12:30 PM)

Last year, the WIAA expanded summer opportunities, allowing teams to practice beyond the traditional five contact days. While we value the importance of these added opportunities, we also recognize how short the summer is for athletes and want to be mindful of not overloading our players with too much football.

With that in mind, we have decided to include two additional helmet-only practices in July. These dates align with the ABC/Raider Pride Youth Camp, where many of our high school players are actively involved as coaches. Each practice will last a little over an hour and will give us a chance to evaluate retention from our June mini-camp, as well as make any necessary adjustments as we head toward the season. If a player is unable to attend, please communicate with Coach Kowles. However, there is no need to change any previously scheduled plans or family vacations, as these practices are intended to be an added opportunity for preparation rather than a requirement.

PRACTICE BEGINS FOR GRADES 9-12: Tuesday, August 4th (8:00 AM – 12:30 PM)

Meetings, equipment hand-out, and practice begin on the first day at 8 AM and players must have registration completed online and a physical on file in the athletic office to participate. Players should check in at the equipment shed by the back practice fields. We will continue to follow the WIAA fall acclimatization guidelines for football, which essentially is the body adapting to exercising in heat to be able to tolerate physical activity. These guidelines do not allow for two-a-day practices on back-to-back days, limit the time that can be spent practicing, as well as requiring a long break between two-a-day practices. These rules are put in place to help to protect the athletes from injury as well as heat-related illnesses.

SENIOR PICTURES FOR BANNER: Wednesday, August 5th (1:00 – 3:00 PM)
Each year, senior football banners are proudly displayed outside the stadium on game days, creating a special way to recognize our seniors. At the end of the season, players are able to take these banners home as a memorable keepsake. Photos for the banners will be taken before practice on Wednesday, August 5th.

PREGAME VIDEO: Wednesday, August 5th (9:00 PM)
The pregame video shown before each home game, featuring all of the senior players, will also be created on Wednesday, August 5th. Filming will take place in the evening, as the darker setting enhances the overall quality.

SATURDAY MORNING PRACTICES*: *August 8th (Optional) and August 15th (9:00 – 10:30 AM)
In past years, we would bring the varsity in on Saturday morning to run, stretch, and watch film from the game the evening before. Last season we stopped holding Saturday practices and we will continue the same this year.
The 9th Grade and JV teams will not practice or play on the weekend. The varsity will not practice on Saturdays during the season, with the exception of two dates:

Saturday, August 8th *(optional practice/workout for anyone in grades 10-12 to finish out the first week)*
Saturday, August 15th *(Varsity post-scrimmage practice to begin preparation for our first game)*

Players will still need to actively recover from the game the night before and we will be giving out some guidance for what players should do on their own, as well as note some things for them to look at on their own watching film. We believe the gains that we will make as the season goes along by giving players the full weekend off will pay off in the long run. Players will now have an opportunity to work, go on college visits, sleep in, or spend time with family on Saturday mornings as opposed to coming in for football practice.

HUDSON RAIDERS PIGSKIN PICNIC: Monday, August 10th (5:00 – 8:00 PM)
Mark your calendars for Monday, August 10th from 5:00–8:00 PM for this annual, fun-filled family event at the high school stadium and plaza area.
All Raider football teams will be finishing up practice at the stadium that evening, giving parents a great opportunity to watch the teams in action during a fall camp session. Throughout the evening, there will be food, games, and activities for everyone to enjoy. We hope you'll take time to come out, connect with other families, and meet your extended football community. Our goal is to create an opportunity for players and families to build relationships, have fun, and kick off the upcoming season while continuing to support the Raider Football program. More details about the picnic will be shared as the date approaches.

RAIDER CARD BLITZ: Tuesday, August 11th (4:30 – 8:00 PM)
We are extremely fortunate to have such strong community support for our football program, and that support is clearly demonstrated through the success of our Raider Card sales—our most important fundraiser each season. Players will receive their Raider Cards on the first day of practice and will have time to prepare before heading out into the community in groups to sell cards on the final day of the fundraiser.

PRE-SEASON SCRIMMAGE*: *Friday, August 14th at Raider Stadium against Onalaska (11 AM)
To wrap up the first two weeks of practice we will host Onalaska again this season for our annual pre-season scrimmage. All players in grades 9-12 will participate in Varsity, JV, and 9th grade scrimmages against Onalaska.

HUDSON UNIFIED FOOTBALL CAMP: Monday, August 17th (6:00 – 7:30 PM)
We are excited to host our fourth annual Hudson Unified Football Camp for students with disabilities on Monday, August 17th. This adapted football camp has become one of the highlights of our season, providing a meaningful opportunity for our players and coaches to both teach and learn from an incredible group of athletes. Everyone who has been involved in this camp over the years has walked away with a truly memorable experience. All players in grades 9–12 are encouraged to participate and serve as coaches for this special event.

LABOR DAY WEEKEND
We play at home against Rice Lake on Friday, September 4th going into Labor Day weekend. To give parents an opportunity to plan for Labor Day, get the most time off to spend with family, and to be able to enjoy some of the long weekend, varsity players will practice on Labor Day, Monday, September 7th at 6 PM to prepare for their upcoming game. The JV and 9th grade teams will not practice on Labor Day. Don't hesitate to contact Coach Kowles if you have a conflict about practice on Labor Day.

EARLY SEASON SCHEDULE

The calendar below shows the first month and a half of the season. Once school begins, the typical practice time for grades 10-12 is from 3:00 – 5:45 PM on Mondays, 3:00 – 5:30 PM on Tuesday/Wednesday, and 3:00 – 5:00 PM on Thursdays (9th grade is usually 3:00 – 5:15 PM on M-W and 3:00 – 4:45 on Friday if no game) and will continue like this throughout the season. Times in the calendar include any meetings, weight training, and practice.

Sunday	***Monday***	***Tuesday***	***Wednesday***	***Thursday***	***Friday***	***Saturday***

STAYING CONNECTED WITH THE FOOTBALL PROGRAM: ParentSquare

It is important that players are able to stay connected for any football updates. We will continue to use *ParentSquare,* the district-approved platform used by administrators, teachers, and coaches to get announcements and other information out to parents and students. We will often use *ParentSquare* for quick, daily announcements during the season.

THANK YOU, CLASS OF 2026 SENIORS

With the start of a new season comes the opportunity to recognize and say goodbye to last year's senior football players. This group demonstrated outstanding leadership, a strong work ethic, and a deep commitment to the Hudson football program throughout their time at Hudson High School. Their contributions helped create many memorable moments and set a standard for those who follow. They will certainly be missed. We wish each of them the very best as they move on to new opportunities, and we hope they always take pride in being Raiders. They will always have a place in our program and are welcome back at any time.

FINISH THE SCHOOL YEAR STRONG

Our players have done an outstanding job in the classroom this school year, but there is still more to accomplish. With just a few weeks remaining before summer, we have a great opportunity to keep improving. I challenge everyone in our program to be at their best down the final stretch of the school year.

We talk often about "finishing"—whether it's in the weight room or on the field—being stronger than your opponent when others start to fade. That same mindset needs to carry over into the classroom. Finish strong. Set goals for yourself over these final weeks. Turn C's into B's and B's into A's. Take advantage of Raider Time to meet with teachers and get extra help before tests or major assignments.

Be as committed to your work in the classroom now as you will be on the field this fall and in the weight room this spring and summer. Great competitors don't turn it on and off—they bring their best in everything they do. Make that your mindset as we close out the school year.

2026 SEASON

A new season always brings new challenges – but challenges that we welcome as we try to become the best TEAM we can possibly be. We challenge our players to set meaningful goals both on and off the field, to make a commitment to themselves and to their teammates, and to pursue those goals relentlessly. Growth doesn't happen by chance—it happens through intentional effort and a willingness to push beyond comfort.

We will play three new crossover teams from the Wisconsin Valley Conference this year. It will be the second season of the new playoff qualifying and seeding system where all games count toward the playoffs, including all of the BRC-WVC crossover games.

Safety has always been a priority in this program, and will continue to be as we purchase the best new helmets each year, along with Guardian Caps that some players will again be wearing during practice. We teach blocking and tackling techniques that keep the head out of the game. Rules continue to evolve that are focused on safety as well, and it has helped football be as safe as it's ever been.

Our goal is that this program not only helps each athlete grow as a football player, but more importantly, as a person. We want our players to learn what it truly means to be a great teammate—how to work together, support one another, and take pride in something bigger than themselves. Everything we do is rooted in our five pillars of the program: ***Friendship, Respect, Service, Preparation, and Effort***.

Our expectation is that every player strives to become the best version of themselves while helping build a strong, competitive program. That competitive spirit should show up every day—in the weight room, on the practice field, and under the lights on Friday nights. There is truly nothing like being part of that experience.

Our motto, "Sharpen the Axe," reflects our commitment to preparation. We will prepare to compete at a high level on the field, but more importantly, we will prepare our athletes to face other challenges in life with confidence, discipline, and purpose.

THANK YOU, PARENTS

I am truly grateful and appreciative of all the parents in our program for your continued support. What we do as coaches would not be possible without the trust you place in us to work with your sons each day, and we do not take that responsibility lightly.

Our goal is for every player in our program to have a positive football experience while also gaining tools that will help them succeed far beyond the field. We are committed to helping each individual reach their full potential so that every player feels valued and understands the role they play in our program.

It is an honor to be part of this journey and to work alongside such a supportive group of families as we strive to help our players become the best versions of themselves—both on the field and in life.

Thank you for the opportunity to be a part of your son's development and for helping us create a positive experience for everyone involved. I am looking forward to the journey of the 2026 season.

Don't hesitate to reach out to me at (715) 377-3800 x6202 or kowlesaj@hudsonraiders.org if you have questions.

Sincerely,

Adam Kowles
Head Football Coach

A few items of note about the game schedules below:

- The varsity plays on Friday nights, except the first two games which are on Thursday, as we like to give families more weekend time early in the season
- The JV always plays on Monday, except for Labor Day, where they will play on Tuesday
- The 9th grade plays on Thursday, except this season where we have a couple additional double headers with the varsity on Friday
