From: Sandra Lovaas, Measure C Bond Manager
Pleasant Valley School District

Subject: **Addendum 1, Bid FB-26-09, Playground Asphalt and Playground Equipment Replacement Project, Rancho Rosal Elementary School**

This addendum is hereby made a part of the Contract Documents for **Bid FB-26-09, Playground Asphalt and Playground Equipment Replacement Project, Rancho Rosal Elementary School** to the same extent as though it was originally included therein and takes precedence over the original documents.

The addendum clarifies that the listing of Surface Max Poured Rubber in the bid specifications is to establish a product and installation standard. Establishment of standard does not limit usage of an alternate product that meets or exceeds the established standard.

Ref: General Conditions 3.11.4.1

3.11.4.1 One Product Specified. *Unless the Specifications state that no substitution is permitted, whenever in the Contract Documents any specific article, device, equipment, product, material, fixture, patented process, form, method, or type of construction is indicated or specified by name, make, trade name, or catalog number, with or without the words "or equal," such specification shall be deemed to be used for the purpose of facilitating description of material, process, or article desired and shall be deemed to be followed by the words "or equal." Contractor may, unless otherwise stated, offer any material, process, or article, which shall be substantially equal or better in every respect to that so indicated or specified and will completely accomplish the purpose of the Contract Documents.*
