Academic Advantage – High Performance Study and Prep Programs

Are you committed to providing industry leading academic support for your boarders? Our comprehensive 3-week course, "Academic Advantage - High Performance Study and Prep Program" is specifically designed to equip boarding staff with the knowledge and tools to effectively understand and support the academic needs of their students.

The course curriculum includes topics such as fostering student self-confidence, motivation, metacognitive/study techniques, time management, goal-setting, and effective communication with students, families, teachers, and staff. You will also learn how to create a conducive study environment that promotes student well-being and academic success, as well as how to develop and execute a strategic academic support plan that aligns with your school's mission and objectives.

The course is led by Hayden McEvoy, the Founder and CEO of A Team Tuition, who has extensive experience in the field of education and a proven track record of success in helping students achieve academic excellence. Throughout the course, you will receive training and resources from Hayden and his team to assist you in supporting your students to achieve academic excellence.

Course Details

Certificate Courses

As part of the professional learning opportunities offered by ABSA there is a range of Certificate Courses specifically aimed at professionals working in boarding schools. These certificates concentrate on one key aspect of learning and provide those undertaking the courses with in-depth knowledge of the topic. These also allow participants to obtain Continuing Professional Development points, ensuring the requirement of the Boarding Standard for Australian Schools and Residences to take part in continuous boarding specific learning can be tracked.

Course Structure

- **Module 1 - The Fundamentals of Academic Success In Boarding**
A proven formula for Academic High Performance
- **Module 2 - Designing an Optimal Study Environment for Boarding Students**
Strategies for Providing an Academic Advantage
- **Module 3 - Creating a Strategic Academic Support Plan**
Leading, Planning and Executing for Student Success

Objectives

- Boost boarding students' academic support: Confidence, motivation, time management, metacognition, and goal setting.
- Optimise study environment: Ergonomic setup, lighting, minimise distractions, foster collaboration, access support services.
- Lead academic support: Assess needs, plan, execute strategies, facilitate collaboration, provide training, monitor progress.
- Holistic support: Dynamic, evolving approach for student success.
