Junior Prom 2026

Student permission form must be approved by the High School Administration before ticket(s) can be purchased. Tickets are non-refundable if you fail to comply.

Note: Even if a ticket is paid for online, students must **pre-register** AND attend the Junior prom meeting last bell on Friday May 15th to pick up their paper ticket. This process allows us to check for any outstanding obligations that must be cleared before a student is eligible to attend Junior Prom. Students who are deemed ineligible to attend will be refunded (MSB fees incurred during purchase are not refundable).

Student permission forms must be approved by Ms. Alexander. Tickets are non-refundable if you fail to comply.
