MENTAL HEALTH FAIR

07 MAY, 2026
9:00 AM - 2:00 PM
711 W COLEMAN AVE
HAMMOND LA 70401

The purpose of this event is to increase mental health awareness in our community and connect families with local providers. Our goal is for families to have the opportunity to learn about services and potentially schedule appointments before leaving the event.

Throughout the fair, we will also include brief 10-minute mental health spotlight sessions, where professionals can share helpful facts and insights on a variety of mental health topics.
