

COMMUNITY VISIONING WORKSHOP

The Village is hosting a **Community Visioning Workshop** as part of the *Our Round Lake Comprehensive Plan* process. Come prepared to work in small breakout groups on a fun mapping exercise to share your vision for the future of Round Lake.

At this workshop, you will create your own maps of Round Lake by identifying planning priorities, indicating areas for future development, and proposing projects and improvements.

This is your opportunity to help shape the future of the community. Everyone is encouraged to attend, and we hope to see you there!
