**Financial Literacy** is a course that all students will take in 10th grade. This is a new graduation requirement.

An **alternate** elective is an elective that you want if any of your top 3 electives are full.

## Things to consider:

What pathway are you wanting to pursue? **University** or **Jumpstart** (Circle One)

If you want to be on the **University** pathway-

- Do you have an **Art** credit?
- We highly recommend you take your **Spanish I** course next year.
- Do you have your **PE/ Health** or **JROTC** requirements?

If you want to be on the **Jumpstart** Pathway-

- What pathway do you want to pursue?  
**Architecture and Construction, Arts, Business Management, Health Sciences, Hospitality?**
- If you're not sure, take universal electives (**bold in above list**) so they will count on any pathway.

**Are you a Medical Magnet student?** You need one medical class each year.
